

Yaomeng Power Generation Holds the Second Enterprise Culture Festival

To celebrate the 50th anniversary of the establishment of the plant, Yaomeng Power Generation held the second enterprise culture festival themed “We Are with Yaomeng Power”. On December 11, as one of the series events of the Cultural Festival, the art show presented a splendid visual feast for the staff.

This art show covered 11 programs, including poetry recitation, songs, sketch, crosstalk, dance, and work clothes show, etc. It concentrated Yaomeng Power's 50-year development history and staff's mental outlook on the stage, singing the song of Yaomeng Power's spirit, and interpreting that Yaomeng Power employees are working hard in the new era.

On November 11, 1970, the construction of Yaomeng unit 1 was officially started to construct at Yaomeng Power Plant in Pingdingshan. In 2020, Yaomeng Power Generation will celebrate its 50th anniversary of its establishment. All employees of the Company will actively participate in and carry out a total of nine factory celebration activities in an orderly and effective manner according to the plan.
