

Mr. Zhang Jianping Visits Xing'an Wind Power Company

On October 30, 2021, Mr. Zhang Jianping, Secretary of CPC Leadership Group and Director of Southern Regulatory Bureau of NEA, and his delegation visited Xing'an Wind Power Company, accompanied by Mr. Hu Zaichun, Deputy General Manager of Guangxi Power Generation Company.

Mr. Zhang and his delegation first visited Qiuping Switchyard to inspect the management of work permits and operation permits in the integrated operation and maintenance mode, and examined the development and implementation of anti-pollution flashover and fire prevention measures. He inspected the site safety management situation in detail. Mr. Zhang expressed his affirmation of the achievements of Xing'an Wind Power Company in safety management, and required the company to enhance the implementation of safety responsibilities, do everything possible to secure power supply, and serve the overall economic and social development. Mr. Hu and Mr. Zhang had an in-depth exchange in the safety situation and power supply of Xing'an Wind Power Company in the coming winter and spring.

Mr. Zhang was accompanied by the Party Committee Secretary and the Deputy Governor of Xing'an County, the commander of wind power projects, and the leader of Xing'an Wind Power Company, during the visit.
