

CPID Signs Strategic Cooperation Agreement with Lyushunkou District of Dalian City

On December 21, 2021, Mr. Zhao Yonggang, Vice President of CPID, met with Mr. Zhao Hongwei, CPC Secretary of Lyushunkou District of Dalian City, at the headquarters in Beijing, and witnessed the signing of the agreement between both sides.

Mr. Zhao extended a warm welcome to Mr. Zhao and his delegation, and briefly introduced SPIC and CPID, as well as the experience and advantages of CPID in developing clean energy, integrated smart energy and county-wide development. He also said that CPID would prepare a district-wide plan to address the difficult and painful issues in the development of Lyushunkou District, and help Lyushunkou District achieve the "3060" target and rural revitalization.

Mr. Zhao Hongwei expressed his gratitude for the warm reception by CPID, and hoped to cooperate with CPID in distributed PV power, battery swap for heavy trucks, rural revitalization, energy storage, hydrogen energy industrial park, etc., jointly build clean energy demonstration projects and boost the shift of Lyushunkou District to green development.

Mr. Chi Junpeng, Vice Governor of Lyushunkou District, the leaders of Lyushunkou District Business Bureau and Lyushunkou State Investment Group, and the leaders of CPID attended the meeting and signing ceremony.
