

## Wuhu Power Generation Company Carries Out "Ying Shan Hong - China Power Brightness" for 12 Consecutive Years

On September 24, 2022, Wuhu Power Generation Company sent people to Shilidun Town of Wuwei City for the 12th consecutive year with care and blessings to carry out the "Ying Shan Hong - China Power Brightness" voluntary activity, donating grants and goods worth more than RMB 20,000 to 25 children who were paired with the company.

The leaders of Shilidun Town expressed their heartfelt gratitude to the company for its 12 years of love, and presented the honorable plaque of "Love for Education - Igniting Hope". "Although each student is given RMB 800," said the leader of the Municipal Committee for the Wellbeing of the Youth, "but for families facing especially difficult circumstances, it means the hope and can solve problems." It is the love from the company's caring people that warms up the students in needy families like sunshine.

Adhering to the faith of perseverance, the company's Youth League Committee has been relaying love for 12 years, sponsoring more than 200 needy students and donating more than RMB 200,000 in total, carrying forward the fine quality of selflessness and dedication and bringing love to children in difficulties.
