

## He Xi Attends the 11th Energy Storage International Conference and Expo

On April 7, 2023, Mr. He Xi, Chairman of CPID and Chairman of Xinyuan Smart Energy Storage Co., Ltd., attended the 11th Energy Storage International Conference and Expo, as a member of the 4th Executive Council of the China Energy Storage Alliance (CNESA).

At the opening ceremony and the award ceremony of the Energy Storage Innovation Competition, a series of awards were presented to the 2022/2023 International Energy Storage Innovation Competition winners, including the model of innovation in energy storage application. Mr. He was awarded the title of "2022 Energy Storage Person", and Haiyang 100 MW/200 MWh Energy Storage Power Station and Jining 100 MW/200 MWh Energy Storage Power Station of Xinyuan Smart Energy Storage Co., Ltd. were awarded the title of "Top 10 Models of 2022 Energy Storage Application Innovation" and "Top 10 Models of 2023 Energy Storage Application Innovation".

The 11th Energy Storage International Conference and Expo focused on "Seeking a

New Mechanism for Electricity, Creating a New Era for Energy Storage", attracting nearly 100,000 participants from government agencies, regulation agencies, power producers, system integrators, energy storage equipment manufacturers, energy service providers, etc. As a national team and star in the energy storage industry, Xinyuan was interviewed by more than 20 mainstream media, including Xinhuanet, Solarbe·Esn and Eage.com.cn, which gave an exclusive interview on and expressed high interest in the development of Xinyuan, its business layout, core products, technology advantages and future development.
