NOTICE OF ANNUAL GENERAL MEETING**

**GENERAL MANDATES TO ISSUE AND TO REPURCHASE SECURITIES**

The Directors have taken the opportunity to convene a meeting of the Shareholders to propose a resolution to grant a general mandate to the Directors to exercise the powers of the Company to allot, issue and deal with securities not exceeding 20% of the total number of Shares in the issued share capital of the Company as at the date of the passing of the resolution. repurchased between the Latest Practicable Date and the date of the Annual General Meeting, the general mandate to be sought at the Annual General Meeting will allow the Company to allot, issue and deal with securities not exceeding 180,740,698 Shares. An ordinary resolution will also be proposed at the Annual General Meeting to grant to the Directors a general mandate to repurchase Shares not exceeding 10% of the total number of Shares in the issued share capital of the Company as at the date of the passing of such resolution. In addition, if the General Mandates are granted, an ordinary resolution will also be proposed at the Annual General Meeting to grant to the Directors an extension of general mandate to allot, issue and deal with additional Shares repurchased under the Repurchase Mandate.

The General Mandates will end on the earliest of (i) the date of the next annual general meeting; (ii) the date by which the next annual general meeting of the Company is required to be held by law, the Bye-laws and the Companies Act; or (iii) the date upon which such authority is revoked or varied by ordinary resolution of the Company in general meeting.

The Directors believe that it is in the interests of the Company and the Shareholders as a whole if the General Mandates were granted at the Annual General Meeting. The need for an issue of securities under the general mandate to issue securities could, for example, arise in the context of a transaction, such as an acquisition by the Group where securities are to be issued as consideration, which has to be completed speedily. The Directors currently have no intention of any acquisition by the Company nor any plan for raising capital by issuing new securities.

In accordance with the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the resolution to approve the granting of a mandate to the Directors to exercise the powers of the Company to repurchase its own Shares. Such explanatory statement is set out in the Appendix to this circular.

### **REFRESHMENT OF THE SCHEME MANDATE LIMIT**

Pursuant to a resolution passed at the special general meeting of the Company held on 28 June 2012, the New Share Option Scheme was adopted and the Old Share Option Scheme was expired on 26 May 2012.

The purpose of the New Share Option Scheme is to grant options to selected Eligible Participants as incentives or rewards for their contribution or potential contribution to the Group or any Invested Entity. The exercise price of an Option may be determined by the Board at its absolute discretion but in any event will not be less than: (i) the closing price of the Shares as stated in the Stock Exchange's daily quotation sheet on the date of offer, which must be a business day; (ii) the average closing price of the Shares as stated in the Stock Exchange's daily quotation sheets for the five business day immediately preceding the date of offer; and (iii) the nominal value of the Share.

### **Old Share Option Scheme**

As the Old Share Option Scheme was expired, no further options can be granted under the Old Share Option Scheme. However, the outstanding options granted under the Old Share Option Scheme prior to the said expiration on 26 May 2012 shall remain valid and exercisable in accordance with the provisions of the Old Share Option Scheme. As at the Latest Practicable Date, there are 294,574 outstanding options granted but yet to be exercised under the Old Share Option Scheme.

### **New Share Option Scheme**

Apart from the New Share Option Scheme, the Company has no other share option scheme in place.

Pursuant to the New Share Option Scheme, the total number of Shares which may be issued upon exercise of all Options to be granted by the Company under the New Share Option Scheme and any other options to be granted by the Company under any other share option schemes of the Company must not in aggregate exceed 10% of the Shares in issue as at the date of approval of the New Share Option Scheme and as at the date of approving the refreshment of Scheme Mandate Limit. Options lapsed in accordance with the terms of the New Share Option Scheme shall not be counted for the purpose of calculating the Scheme Mandate Limit. The Scheme Mandate Limit may be refreshed by Shareholders in general meeting from time to time.

At the annual general meeting of the Company held on 29 June 2015 (the "2015 AGM"), the Scheme Mandate Limit was refreshed to allow the Company to grant Options entitling holders to subscribe for Shares not exceeding 10% of the issued share capital of the Company as at the date of the adoption of the refreshment, which amounted to 1,882,758,734 Options, adjusted to 75,310,349 Options after the effective of the Capital Reorganisation.

---

## LETTER FROM THE BOARD

---

As at the Latest Practicable Date, the issued share capital of the Company is 903,703,493 Shares (after the issue and allotment of 150,600,000 Shares on 28 October 2016 pursuant to the placing of the Company as announced on 18 October 2016).

As at the Latest Practicable Date, no Option was granted under the Scheme Mandate Limit as refreshed at the 2015 AGM, therefore, the Company was allowed to grant 75,310,493 Options carrying rights to subscribe for up to 75,310,493 Shares, representing approximately 8.33% of existing issued share capital of the Company.

The Directors are of the view that in order to provide incentives and rewards to the Eligible Participants for their contribution or potential contribution to the Group and the Invested Entity by granting Options to them, the Scheme Mandate Limit shall be refreshed to provide the Company with greater flexibility on recruiting and retaining high calibre employees and attracting human resources that are valuable to the Group and the Invested Entity.

Up to the Latest Practicable Date, there are 57,720,000 Options outstanding and unexercised since the adoption of the New Share Option Scheme to which holders were entitled to subscribe for 57,720,000 Shares. The Company has complied with Rule 17.03(4) of the Listing Rules for the aforesaid Options granted.

As at the Latest Practicable Date, there were 903,703,493 Shares in issue. Assuming there is no allotment and issue of Shares and no further grant of Options under the New Share Option Scheme, upon the granting of a refreshment of the Scheme Mandate Limit by the Shareholders at the Annual General Meeting, the Scheme Mandate Limit (as refreshed) will allow the Company to grant Option entitling holders thereof to subscribe for Shares not exceeding 10% of the issued share capital of the Company as at the date of approving the refreshment of the Scheme Mandate Limit which are 90,370,349 Shares.

The limit on the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the New Share Option Scheme and any other share option schemes adopted by the Company including the Old Share Option Scheme must not exceed 30% of the Shares in issue from time to time. As at the Latest Practicable Date, there are 58,014,574 options of the Company outstanding (including 294,574 outstanding options under the Old Share Option Scheme and 57,720,000 Options under the New Share Option Scheme), representing approximately 6.42% of the issued share capital of the Company. Assuming 90,370,349 Options are approved, refreshed and granted under the Scheme Mandate Limit at the Annual General Meeting, a total of 148,384,923 Shares, representing approximately 16.42% of the Shares in issue, which may be issued upon exercise of all outstanding options granted and yet to be exercised under the New Share Option Scheme and any other share option schemes adopted by the Company including the Old Share Option Scheme does not exceed 30% of the Shares in issue.

---

## LETTER FROM THE BOARD

---

The refreshment of the Scheme Mandate Limit is conditional upon:

1. The passing by the Shareholders of an ordinary resolution at the Annual General Meeting to approve, among other things, the refreshment of the Scheme Mandate Limit; and
2. The Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, 10% of the Shares in issue at the date of approval of the refreshment of the Scheme Mandate Limit which may be issued pursuant to the exercise of Options to be granted under the New Share Option Scheme.

Application will be made to the Listing Committee of the Stock Exchange for the grant of listing of, and permission to deal in, 10% of the Shares in issue at the date of approval of the refreshment of the Scheme Mandate Limit which may be issued pursuant to the exercise of Options to be granted under the New Share Option Scheme.

### VOTING BY POLL

Pursuant to the Listing Rules, any vote of the Shareholders at a general meeting (except resolution relates purely to procedural or administrative matter) must be taken by poll. Therefore, the chairman of the Annual General Meeting will demand a poll for all the resolutions set out in the notice of the Annual General Meeting. After the conclusion of the Annual General Meeting, the results of the poll will be published on the websites of the Stock Exchange ([www.hkexnews.hk](http://www.hkexnews.hk)) and of the Company ([www.chinastar.com.hk](http://www.chinastar.com.hk)).

### ANNUAL GENERAL MEETING

## **APPENDIX EXPLANATORY STATEMENT ON REPURCHASE MANDATE**

---

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own shares on the Stock Exchange subject to certain restrictions.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the granting of the Repurchase Mandate to be proposed at the Annual General Meeting.

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued and fully paid up share capital of the Company comprised 903,703,493 Shares.

Assuming no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 90,370,349 Shares during the relevant period referred to in ordinary resolution numbered 5 of the notice of the Annual General Meeting.

### **2. REASONS FOR SHARE REPURCHASES**

The Directors believe that the grant of the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

### **3. FUNDING OF REPURCHASES**

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association, the Bye-laws and the Companies Act. Any Shares repurchased pursuant to the Repurchase Mandate would be funded out of the capital paid up on the purchased Shares or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for such purpose.

The Company is empowered by its memorandum of association and the Bye-laws to repurchase its Shares.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited accounts contained in the annual report of the Company for the year ended 31 December 2016) in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing level which, in the opinion of the Directors, are from time to time appropriate for the Company.

#### **4. GENERAL**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), have any present intention to sell Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and the applicable laws of Bermuda.

No core connected person of the Company has notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders.

#### **5. EFFECT OF THE TAKEOVERS CODE**

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all Shares not already owned by such Shareholder or a group of Shareholders.

As at the Latest Practicable Date, Mr. Heung Wah Keung, Ms. Chen Ming Yin, Tiffany and Heung Wah Keung Family Endowment Limited, together with their respective associates (collectively "**Mr. Heung and his associates**") were interested in an aggregate of 186,448,146 issued Shares, representing approximately 20.63% of the issued share capital of the Company.

To the best of the knowledge and belief of the Company, save as disclosed above, no other person, together with his/her associates, was beneficially interested in issued Shares representing 10% or more of the issued share capital of the Company.

On the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of the Annual General Meeting and assuming that none of the outstanding options of the Company and the Bonus CBs will be exercised prior to the exercise in full of the Repurchase Mandate, in the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the shareholding percentage of Mr. Heung and his associates would be increased to approximately 22.92%. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code by Mr. Heung and his associates, or result in the number of issued Shares held by the public being reduced to less than 25%.

The Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase made under the Repurchase mandate.
