### **INTRODUCTION**

### **OUTSTANDING OPTIONS GRANTED UNDER THE EXISTING SHARE OPTION SCHEME**

## LETTER FROM THE BOARD

### PROPOSAL FOR ADOPTION OF THE NEW SHARE OPTION SCHEME

#### New Share Option Scheme

Take into account of the Existing Share Option Scheme having expired on 26 May 2012, the Company proposes to adopt the New Share Option Scheme which complies with Chapter 17 of the Listing Rules.

The purpose of the New Share Option Scheme is to enable the Company to grant Options to selected Eligible Participants as incentives or rewards for their contribution or potential contribution to the Group or any Invested Entity.

The rules of the New Share Option Scheme provide that the Company may specify the Eligible Participants to whom Options shall be granted, the number of Shares subject to each Option and the date on which the Options shall be granted. The basis for determining the subscription price is also specified precisely in the rules of the New Share Option Scheme. There is no performance target specified in the New Share Option Scheme. The Directors consider that the aforesaid criteria and rules will serve to preserve the value of the Company and encourage Eligible Participants to acquire proprietary interests in the Company.

As at the Latest Practicable Date, the Company had 1,964,721,284 issued Shares. Assuming that there is no change in the issued share capital between the period from the Latest Practicable Date and the Adoption Date, the number of Shares issuable pursuant to the New Share Option Scheme on the Adoption Date will be 196,472,128 Shares, representing 10% of the existing issued share capital of the Company.

The Directors consider that it is not appropriate to state the value of all Options that can be granted pursuant to the New Share Option Scheme as if they had been granted on the Latest Practicable Date as a number of variables which are crucial for the calculation of the Option value have not been determined. Such variables include but are not limited to the subscription price, exercise period and lock-up period (if any), and predetermined performance target (if any). The Directors believe that any calculation of the value of the Options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to Shareholders.

None of the Directors is trustee of the New Share Option Scheme or has a direct or indirect interest in the trustee. With respect to the operation of the New Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

### CONDITIONS PRECEDENT OF THE NEW SHARE OPTION SCHEME

The adoption of the New Share Option Scheme is conditional upon:

- (a) the Listing Committee of the Stock Exchange granting the listing of and permission to deal in any Shares which may fall to be issued by the Company pursuant to the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme; and
- (b) the passing of an ordinary resolution to adopt the New Share Option Scheme by the Shareholders at the SGM;

---

## LETTER FROM THE BOARD

---

Subject to the obtaining of Shareholders' approval with respect to the adoption of the New Share Option Scheme at the SGM, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and any other schemes must not in aggregate exceed 10 per cent. of the total issued capital of the Company as at the Adoption Date unless the Company obtains a fresh approval from Shareholders to renew the 10 per cent. limit on the basis that the maximum number of Shares in respect of which Options may be granted under the New Share Option Scheme together with any Options outstanding and yet to be exercised under the New Share Option Scheme and any other schemes shall not exceed 30 per cent. of the issued share capital of the Company from time to time.

A summary of the principal terms of the rules of New Share Option Scheme which is proposed to be approved and adopted by the Company at the SGM is set out in the Appendix I to this circular on pages 8 to 17. A copy of the rules of the New Share Option Scheme is available for inspection at the Company's principal place of business in Hong Kong at Unit 3409, West Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong during normal business hours from the date hereof up to and including the date of the SGM.

### THE SGM

A notice of the SGM which will be held at Macau Jockey Club, 1/F Function Room, 1st Floor China Merchants Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong on Thursday, 28 June 2012 at 3:30 p.m. is set out on pages 18 and 19 of this circular. An ordinary resolution will be proposed at the SGM to seek Shareholders' approval to adopt the New Share Option Scheme.

A form of proxy for use at the SGM is enclosed with this circular. Whether or not you intend to be present at the SGM, you are requested to complete this form of proxy and return it to the branch share registrar of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited, at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong in accordance with the instructions printed thereon no later than 48 hours before the time of the SGM. Completion and return of the form of proxy will not preclude you from attending and voting in person at the SGM should you so wish.

The Board confirm that to the best of their knowledge, information and belief having made all reasonable enquiries, as at the Latest Practicable Date, there was no voting trust or other agreement or arrangement or understanding (other than an outright sale) entered into by or binding upon any Shareholder and there was no obligation or entitlement of any Shareholder whereby he has or may have temporarily or permanently passed control over the exercise of the voting right in respect of his Shares to a third party, either generally or on a case-by-case basis.

After the conclusion of the SGM, the result of the poll will be published on the websites of the Stock Exchange ([www.hkexnews.hk](http://www.hkexnews.hk)) and of the Company ([www.chinastar.com.hk](http://www.chinastar.com.hk)).

Accordingly, the Board recommends the Shareholders to vote in favour of the ordinary resolution to be proposed at the SGM.

### RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this Circular misleading.

### GENERAL

Your attention is also drawn to the additional information set out in the appendix to this circular.

**NEW SHARE OPTION SCHEME**

The following is a summary of the principal terms of the rules of New Share Option Scheme but does not form part of, nor was it intended to be, part of the New Share Option Scheme nor should it be taken as affecting the interpretation of the rules of the New Share Option Scheme:

**(a) Purpose of the New Share Option Scheme**

The purpose of the New Share Option Scheme is to enable the Company to grant Options to selected Eligible Participants as incentives or rewards for their contribution or potential contribution to the Group or any Invested Entity.

**(b) Administration of the New Share Option Scheme**

The New Share Option Scheme shall be subject to the administration of the Board whose decision on all matters arising in relation to the New Share Option Scheme or its interpretation or effect shall (save as otherwise provided herein and in the absence of manifest error) be final and binding on all persons who may be affected thereby.

**(c) Grant and acceptance of Options**

Subject to the terms of the New Share Option Scheme, the Board may, in its absolute discretion, invite any Eligible Participant to take up Options to subscribe for Shares at a price calculated in accordance with paragraph (d) below.

An offer of the grant of an Option shall be made to Eligible Participants in writing (and unless so made shall be invalid) in such form as the Board may from time to time determine and shall remain open for acceptance by the Eligible Participant concerned for a period of thirty (30) days from the date upon which it is made provided that no such offer shall be open for acceptance after the earlier of the 10th anniversary of the Adoption Date or the termination of the New Share Option Scheme or the Eligible Participant to whom such offer is made has ceased to be an Eligible Participant.

A non-refundable nominal consideration of HK\$1.00 is payable by the grantee upon acceptance of an Option. An Option shall be deemed to have been accepted when the duplicate letter comprising acceptance of the Option duly signed by the Eligible Participant together with the said consideration of HK\$1.00 is received by the Company.

Any offer of the grant of an Option may be accepted in respect of less than the number of Shares in respect of which it is offered provided that it is accepted in such number of Shares as represents a board lot for the time being for the purpose of trading on the Stock Exchange or an integral multiple thereof.

**(d) Exercise of Options and Price of Shares**

An Option may be exercised in whole or in part by the grantee giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance for the full amount of the subscription price for the Shares in respect of which the notice is given. Within 30 days after receipt of the notice and the remittance and, where appropriate, receipt of the certificate of the Company's auditors or independent financial advisers, the Company shall allot and issue the relevant Shares to the grantee (or his legal personal representative(s)) credited as fully paid.

Shares to be allotted and issued upon the exercise of an Option will be subject to all the provisions of the Bye-laws for the time being in force and will rank pari passu in all respects with the existing fully paid Shares in issue on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the "**Exercise Date**") and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. A Share allotted upon the exercise of an Option shall not carry voting rights until the name of the grantee has been duly entered onto the register of members of the Company as the holder thereof.

The subscription price for Shares under the New Share Option Scheme may be determined by the Board at its absolute discretion but in any event will not be less than the highest of: (i) the closing price of the Shares on the Stock Exchange as shown in the daily quotations sheet of the Stock Exchange on the Offer Date, which must be a Business Day; (ii) the average of the closing prices of the Shares as shown in the daily quotations sheets of the Stock Exchange for the five (5) Business Days immediately preceding the Offer Date; and (iii) the nominal value of the Share on the Offer Date.

**(e) Maximum number of Shares available for issue**

- (i) Subject to the Listing Rules, the overall limit on the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the New Share Option Scheme and any other share option schemes of the Company must not exceed 30 per cent. of the relevant class of Shares in issue from time to time. No Options may be granted under the New Share Option Scheme or any other share option schemes of the Company if this will result in this limit being exceeded.
- (ii) Subject to the limit mentioned in (e)(i) above, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and any other share option schemes of the Company adopted by the Group must not, in aggregate, exceed 10% of the Shares in issue as at the date of the approval of the New Share Option Scheme (the "**Scheme Mandate Limit**"), unless Shareholders' approval has been obtained pursuant to sub-paragraphs (iii) and (iv) below. Options lapsed in accordance with the terms of the New Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.

- (iii) Subject to the limit mentioned in (e)(i) above, the Company may refresh the Scheme Mandate Limit at any time subject to approval of the Shareholders in general meeting, provided that the Scheme Mandate Limit as refreshed must not exceed 10% of the Shares in issue as at the date of passing the relevant resolution. Options previously granted under the New Share Option Scheme and any other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with such schemes or exercised Options) will not be counted for the purpose of calculating the this limit. The Company must send a circular to the Shareholders containing such information as required under the Listing Rules.
- (iv) Subject to the limit mentioned in (e)(i) above, the Company may also seek separate approval of the Shareholders in general meeting for granting Options beyond the Scheme Mandate Limit provided that the Options in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing a generic description of the specified Eligible Participants, the number and terms of Options to be granted, the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose and such other information as required under the Listing Rules.

**(f) Grant of Options to connected persons or any of their associates**

Any grant of Options to a connected person (including but not limited to a Director or substantial Shareholder) or its associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options). Where Options are proposed to be granted to a connected person who is also a substantial Shareholder (as defined in the Listing Rules) of the Company or an independent non-executive Director or their respective associates and if such grant would result in the total number of Shares issued and to be issued upon exercise of the Options granted and to be granted (including Options exercised, cancelled and outstanding) in any 12-month period up to and including the date of grant to such person representing in aggregate over 0.1 % of the total issued Shares and having an aggregate value, based on the closing price of the securities at the date of each grant, in excess of HK\$5 million, then the proposed grant must be subject to the approval of Shareholders taken on a poll in a general meeting. All connected persons of the Company must abstain from voting in favour at such general meeting.

A circular must be prepared by the Company explaining the proposed grant, disclosing (i) the number and terms of the Options to be granted, (ii) containing a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is a grantee) on whether or not to vote in favour of the proposed grant, (iii) containing information relating to any Directors who are trustees of the scheme or have a direct or indirect interest in the trustees.

Any change in the terms of Options granted to a connected person or its associates must be approved by Shareholders in a general meeting.

**(g) Maximum entitlement of each Eligible Participant**

The total number of Shares issued and to be issued upon exercise of the Options granted to each Eligible Participant or grantee (including exercised and outstanding options) in any twelve (12)-month period up to the date of grant shall not exceed 1% of the Shares in issue. Where it is proposed that any offer is to be made to an Eligible Participant (or where appropriate, an existing grantee) which would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such person (including exercised, cancelled and outstanding options) in the twelve (12)-month period up to and including the relevant date of grant to exceed such limit, such offer and any acceptance thereof must be conditional upon Shareholders' approval in general meeting with such Eligible Participant (or where appropriate, an existing grantee) and his, her or its associates abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Eligible Participant or grantee, the number and terms of options to be granted (and options previously granted) to such Eligible Participant, the information required under the Listing Rules. The number and terms (including the subscription price) of options to be granted to such Eligible Participant must be fixed before the date on which Shareholders' approval is sought and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

**(h) Time of Exercise of Options**

Subject to the terms of the New Share Option Scheme, an Option may be exercised in whole or in part at any time during the period to be determined and notified by the Directors to the grantee thereof at the time of making an Offer provided that such period shall not exceed the period of ten (10) years from the date of the grant of the particular Option but subject to the provisions for early termination of the New Share Option Scheme (the "**Option Period**").

There is no specified minimum period under the New Share Option Scheme for which an Option must be held or the performance target which must be achieved before an Option can be exercised under the terms of the New Share Option Scheme.

**(i) Restrictions on the time of grant of Options**

Grant of Options may not be made after a price sensitive event has occurred or a price sensitive matter has been the subject of a decision until such price sensitive information has been published in the newspapers. In particular, no Option may be granted:
