

China Telecom was Accredited with "The CAPITAL Outstanding China Enterprise Awards - Telecommunications" by CAPITAL for seven consecutive years

CAPITAL, a renowned Hong Kong financial journal, awarded China Telecom Corporation Limited "The CAPITAL Outstanding China Enterprise Awards - Telecommunications" for seven consecutive years. The award, which is judged in terms of the overall performance of the enterprise, goodwill, corporate governance, operation management, market position and financial performance, aims to honour the contribution Chinese enterprises have made to the global and domestic economies.
