Assuming that there will be no change in the issued share capital of the Company between the date of this announcement and the Completion Date, the Placing Shares represent approximately 20% of the Company's existing issued share capital and approximately 16.67% of the Company's issued share capital as enlarged by the allotment and issue of the Placing Shares.

* for identification purpose only

As completion of the Placing is subject to the satisfaction of a number of conditions under the Placing Agreement and the Placing is on a best effort basis, the Placing may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the Shares.

The Board is pleased to announce that on 17 November 2015 (after trading hours), the Placing Agreement has been entered into between the Company and the Placing Agent. Summarised below are the principal terms of the Placing Agreement.

Parties

The Company and the Placing Agent

Placing Agent

Get Nice Securities Limited, the Placing Agent, has conditionally agreed to place up to 21,176,000 Placing Shares on a best effort basis and in consideration thereof, it will receive a placing commission of 2.5% on the gross proceeds of the Placing upon completion of the Placing. The Directors are of the view that the placing commission accords with the market rate and is fair and reasonable.

To the best of the Directors' knowledge and belief having made all reasonable enquiries, as at the date of this announcement, the Placing Agent and its ultimate beneficial owners are third parties independent of, not acting in concert (as defined in the Takeovers Code) with and not connected with the Company and its connected persons.

Placees

The Placing Agent will place the Placing Shares to not less than six independent Placees, being professional, institutional or other investors, who and whose ultimate beneficial owners are third parties independent of, not acting in concert (as defined in the Takeovers Code) with and not

connected with the Company and its connected persons. It is expected that none of the Placers will become substantial Shareholder (as defined in the Listing Rules) immediately after completion of the Placing.

Number of Placing Shares

Assuming that there will be no change in the issued share capital of the Company between the date of this announcement and the Completion Date (save for the allotment and issue of the Placing Shares), the 21,176,000 Placing Shares represent approximately 20% of the Company's existing issued share capital and approximately 16.67% of the Company's issued share capital as enlarged by the allotment and issue of the Placing Shares. The aggregate nominal value of the Placing Shares under the Placing will be US\$3,811,680 (equivalent to HK\$29,731,104, based on an exchange rate of HK\$7.8: US\$1.00 as at 17 November 2015).

Placing Price

The Placing Price of HK\$4.00 per Placing Share represents:

- (ii) a discount of approximately 19.68% to the average closing price of approximately HK\$4.98 per Share as quoted on the Hong Kong Stock Exchange for the five consecutive trading days immediately prior to 17 November 2015;
- (iii) a discount of approximately 19.03% to the average closing price of approximately HK\$4.94 per Share as quoted on the Hong Kong Stock Exchange for the ten consecutive trading days immediately prior to 17 November 2015; and

The Placing Price, which was agreed after arm's length negotiation between the Company and the Placing Agent, was determined with reference to the prevailing market price of the Shares. The Directors consider that the terms of the Placing are on normal commercial terms and are fair and reasonable and in the interests of the Company and its Shareholders as a whole.

Ranking of Placing Shares

The Placing Shares, when issued and fully paid, will rank pari passu in all respects among themselves and with the Shares in issue on the date of allotment and issue of the Placing Shares.

General Mandate

The Placing Shares will be allotted and issued under the General Mandate granted to the Directors by a resolution of the Shareholders passed at the annual general meeting of the Company held on 29 April 2015 pursuant to which the Directors are authorised to allot and issue up to 21,176,585 new Shares (after taking into consideration the share consolidation exercise that was approved at the special general meeting held on 29 April 2015 immediately after the aforesaid general meeting) from 29 April 2015 to the conclusion of the first annual general meeting of the Company following the passing of the ordinary resolution in respect of the grant of the General Mandate. The Placing will utilize approximately 99.99% of the General Mandate.

As at the date of this announcement, no new Shares have been issued and allotted under the General Mandate. Accordingly, the issue of the Placing Shares is not subject to the approval of the Shareholders.
