**INSIDE INFORMATION
SIGNIFICANT DECREASE IN LOSS**

This announcement is made pursuant to Rule 13.09 of the Listing Rules and the Inside Information Provisions under Part XIVA of the SFO.

The Board of the Company wishes to inform the shareholders of the Company and potential investors that based on the Board's preliminary review of the unaudited consolidated management accounts of the Group and other information currently available, the loss attributable to shareholders of the Company for the six months ended 30 June 2017 is expected to significantly decrease by over 60% as compared to the loss attributable to shareholders of the Company for the corresponding period in 2016.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) (the "SFO").

The board of Directors (the "Board") of ENM Holdings Limited (the "Company", and together with its subsidiaries, the "Group") wishes to inform the shareholders of the Company and potential investors that based on the Board's preliminary review of the unaudited consolidated management accounts of the Group and other information currently available, the loss attributable to shareholders of the Company for the six months ended 30 June 2017 is expected to significantly decrease by over 60% as compared to the loss attributable to shareholders of the Company for the corresponding period in 2016. The significant decrease in loss was mainly attributable to the following factors:

- (1) a drop in losses from the fashion retail business mainly due to the closure of China operations and under-performing shops in Hong Kong together with a small increase in overall same store sales and additional inventory sales; and

- (2) an increase in net realised and unrealised gains contributed by the investments in financial instruments.

The Company is still in the process of finalising the interim results for the six months ended 30 June 2017. The information contained in this announcement is based on the Board's preliminary review of the unaudited consolidated management accounts of the Group and other information currently available, which have yet to be audited or reviewed by the Company's auditor and may be subject to adjustments. Shareholders of the Company and potential investors should read the Group's interim results announcement for the six months ended 30 June 2017 carefully, which is expected to be published by end of August 2017.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.
