- (b) the Pre-Conditions have not been fully satisfied and the other Required Approvals remain pending, in particular, MOFCOM has notified the Offerors on June 29, 2012 that it has decided to extend the review period for the joint application by the Offerors in accordance with Article 26 of the PRC Anti Monopoly Law; and
- (c) accordingly, the Offerors have agreed to extend the Long Stop Date to August 6, 2012.

The Offerors refer to (i) the announcement jointly published by ENN Energy and Sinopec Corp. dated December 12, 2011 (the “**Offer Announcement**”) in respect of the Offers and (ii) the announcements jointly published by the Offerors dated March 7, 2012, March 19, 2012 and April 30, 2012, respectively.

Terms defined in the Offer Announcement have the same meanings when used in this announcement unless the context otherwise requires.

VOTING RESULTS OF THE EGM

The board of directors of ENN Energy is pleased to announce that at the EGM held today, all the resolutions set out in the Notice of EGM (the “**Notice of EGM**”) dated May 31, 2012 were duly passed by the shareholders of ENN Energy (the “**ENN Shareholders**”) as ordinary resolutions by way of poll. ENN Shareholders may refer to the circular dated May 31, 2012 for details of the resolutions.

As at the date of the EGM, the total number of issued shares of ENN Energy was 1,066,594,397 shares, which was the total number of shares entitling the ENN Shareholders to attend and vote for or against the resolutions at the EGM. There were no shares entitling the holder to attend and abstain from voting in favour of any resolutions proposed to the ENN Shareholders at the EGM. No ENN Shareholder was required under the Listing Rules to abstain from voting at the EGM.

Computershare Hong Kong Investor Services Limited, ENN Energy’s branch share registrar in Hong Kong, acted as scrutineer for the poll at the EGM.

The poll results of all the resolutions proposed at the EGM are as follows:

FURTHER UPDATE ON PRE-CONDITIONS

Since the announcement jointly published by the Offerors dated April 30, 2012, the Offerors have continued to work towards the satisfaction of all the Pre-Conditions. As of the date of this announcement, the Pre-Conditions have not been fully satisfied.

With respect to clearance under the PRC Anti Monopoly Law, MOFCOM has notified the Offerors on June 29, 2012 that it has decided to extend the review period for the joint application by the Offerors in accordance with Article 26 of the PRC Anti Monopoly Law (“**Article 26**”). According to Article 26, the review period may be extended for not more than 60 days. If MOFCOM does not issue a decision prior to the expiration of the aforesaid review period, the Offerors would, subject to obtaining other requisite approvals, be at liberty to implement the Transaction without being in violation of the PRC Anti Monopoly Law and under such circumstances, the Offerors would deem Pre-Condition (1) as set out in the Offer Announcement as having been satisfied. There is no material update on the other Required Approvals.

In addition to the pending Required Approvals (except the approval of the Transaction by ENN Energy Shareholders at the EGM), China Gas has not agreed to give access to the Offerors to conduct due diligence and accordingly, as of the date of this announcement, Pre-Condition (5) as set out in the Offer Announcement has not been satisfied. While the Offerors reserve their right to waive Pre-Condition (5), they have not made any decision as to whether to waive Pre-Condition (5) and will continue to seek cooperation from China Gas.

EXTENSION OF THE LONG STOP DATE

In light of the above, the Offerors have agreed to extend the Long Stop Date for a one-month period until August 6, 2012 to facilitate the further review by the Relevant Authorities in accordance with the terms of the Offer Announcement. The Offerors will further assess the progress of the Pre-Conditions nearer to the new Long Stop Date and announce any material development as and when appropriate. In accordance with the terms of the Offer Announcement, the Offerors may further extend the Long Stop Date by mutual agreement. The Offerors hereby reserve their right to further extend the Long Stop Date.

WARNING: China Gas Shareholders, China Gas Optionholders and potential investors should be aware that the making of the Offers is subject to the satisfaction or waiver (where applicable) of the Pre-Conditions and the Offers are subject to the Conditions being fulfilled or waived (as applicable) and thus the Offers may or may not be made and if made, may or may not become unconditional. If the Pre-Conditions are not satisfied on or before the revised Long Stop Date and the Offerors have not further extended the Long Stop Date by then, the Offers will not be made by the Offerors and the Transaction will not be implemented (unless the Offerors further extend the Long Stop Date). The Offerors will issue a further announcement as soon as practicable if they agree to further extend the Long Stop Date. China Gas Shareholders, China Gas Optionholders and potential investors should therefore exercise caution when dealing in the China Gas Shares and any options or other rights in respect of them. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.
