PRE-CONDITIONAL VOLUNTARY GENERAL OFFER FOR CHINA GAS HOLDINGS LIMITED

STATUS OF PRE-CONDITIONS/EXTENSION OF LONG STOP DATE

ENN Energy Holdings Limited (“**ENN Energy**”) and China Petroleum & Chemical Corporation (“**Sinopec Corp.**”) (together, the “**Offerors**”) have agreed to extend the Long Stop Date to October 15, 2012.

The Offerors refer to (i) their offer announcement dated December 12, 2011 (the “**Offer Announcement**”); and (ii) their update announcements dated March 7, 2012, March 19, 2012, April 30, 2012, July 6, 2012, August 6, 2012 and August 29, 2012.

Terms defined in the Offer Announcement have the same meanings when used in this announcement unless the context otherwise requires.

STATUS OF PRE-CONDITIONS

Since the update announcement published by the Offerors on August 29, 2012 (the “**Latest Update Announcement**”), there is no material update on the outstanding Pre-conditions.

EXTENSION OF THE LONG STOP DATE

The Offerors have agreed to extend the Long Stop Date until October 15, 2012 so as to be consistent with the latest time for satisfying the Posting Condition as stated in the Latest Update Announcement.

As stated in the Latest Update Announcement, if by the time the Offer Document is despatched, any Required Approval remains outstanding (including, if applicable, the Anti Monopoly Clearance and/or the NDRC Approval), then such outstanding Required Approval would be included in the Offer Document as Conditions to the Offers. Accordingly, it is possible that the Offerors may despatch the Offer Document prior to the Long Stop Date by changing any Required Approval then outstanding from Pre-Conditions to Conditions to the Offers.

As stated in the Latest Update Announcement, the Executive has indicated that, other than in wholly exceptional circumstances, it is minded not to consent to the Offerors despatching the Offer Document later than the dates prescribed in the Latest Update Announcement. Accordingly, the Offerors hereby reserve their right to further extend the Long Stop Date in the exceptional circumstances that the Executive considers appropriate for any further extension of the despatch date of the Offer Document.

WARNING: China Gas Shareholders, China Gas Optionholders and potential investors should be aware that the making of the Offers is subject to the satisfaction or waiver (where applicable) of the Pre-Conditions and the Offers are subject to the Conditions being fulfilled or waived (as applicable) and thus the Offers may or may not be made and if made, may or may not become unconditional. If the Pre-Conditions are not satisfied on or before October 15, 2012 and the Offerors have not changed the outstanding Pre-Conditions to Conditions to the Offers, the Offers will not be made by the Offerors and the Transaction will not be implemented. China Gas Shareholders, China Gas Optionholders and potential investors should therefore exercise caution when dealing in the China Gas Shares and any options or other rights in respect of them. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.
