FEC Wins Three Top Honours at the Hong Kong Investor Relations Association 3rd IR Awards

(31 May, 2017 - Hong Kong) Far East Consortium International Limited (“FEC” or the “Group”; SEHK: 35) is delighted to announce that the Group won three top honours at the HKIRA 3rd Investor Relations Awards organised by the Hong Kong Investor Relations Association (HKIRA).

Mr. David Chiu, chairman of FEC, won “Best IR by Chairman/CEO (Small Cap)” and the Group was named “Best IR Company (Small Cap)” and “Best IR in Corporate Transactions (Small Cap)”.

The results were announced at the Awards Presentation Ceremony in the Conrad Hong Kong on 31 May 2017. These awards are a true testament by the investment community of the Group’s accountability and responsibility towards investors and a clear recognition of FEC’s exemplary performance.

The Hong Kong Investor Relations Association is a professional organisation comprising investor relations practitioners and corporate executives responsible for communications between corporate management and the investment community. This year, the HKIRA 3rd IR Awards 2017 continued its mandate of recognising and honouring investor relations excellence and best practices among Hong Kong listed companies and IR professionals. FEC has earned a host of prestigious accolades in recognition of its on-going efforts to achieve excellence in social responsibility and corporate sustainability.

The IR and Corporate Finance departments of FEC, under the leadership and participation of top management together with the support of investors, have played significant roles to foster effective communications with FEC shareholders and general capital markets. The result has been enhanced disclosure and transparency, which, in turn, has contributed to increased analyst coverage, enhancement of share price and stock liquidity, and ultimately the achievement of a fair valuation for the company's stock and an overall positive image of the company.

Mr. David Chiu, chairman of FEC, said: “It is indeed a great honour for FEC to be recognised multiple times at HKIRA 3rd Investor Relation Awards. Being named ‘Best IR by Chairman/CEO’ is a huge encouragement for me personally. Moreover, having FEC voted as the ‘Best IR Company’ for two consecutive years and coming in first in ‘Best IR in Corporate Transactions’ by the global investor community is definitely a solid recognition of our efforts to carry out superior investor relations, disclosure, corporate governance and transparency. Motivated by these award recognitions, we will continue to uphold best-in-class standards in our investor relations work and corporate governance while carrying out best practices with clear accountability to the investment community and general public.”
