EXTENSION OF TIME TO ANNOUNCE THE CONSOLIDATED PROFORMA FINANCIAL RESULTS OF THE COMPANY AND ITS SUBSIDIARIES FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2006 ("THE RESULTS")

Indofood Agri Resources Ltd. (the "Company") wishes to announce that the Singapore Exchange Securities Trading Limited ("SGX-ST") has informed the Company that it has no objection to the Company's application for an extension of time to release the Results.

The reasons for the extension of time are as follows:-

- a) During the months of January and February 2007, significant management resources of the Company were committed to, *inter alia*, seeking the necessary regulatory and shareholders' approvals for the Company's acquisition of Indofood Oil & Fats Pte. Ltd. ("Acquisition"), the legal completion of the Acquisition, the preparation of its Offer Information Statement for the placement of 338 million new ordinary shares of the Company ("Placement") and the investment roadshow for the Placement. As such activities were consecutive, intensive and highly time consuming, this has slowed down the normal process involved in the management's preparation and review of the Company's accounting information.
- b) The Company's current subsidiaries are mainly based in Indonesia and their accounting records are historically prepared under Indonesian accounting standards. For the purpose of the Company's financial reporting in Singapore and on the SGX-ST, such accounts must be in compliance with Singapore Financial Reporting Standards ("SFRS") on a consolidated basis. This being the first year of the Company's listing (post-Acquisition), more time is required for the Company and its new subsidiaries to familiarise themselves with reporting their financial information under SFRS.

The Company will make an announcement of the Results as soon as practicable, in any event not later than 31 March 2007.
