Historical Transaction Amounts and Proposed Caps

The historical figures, the historical annual caps and the proposed annual cap of the rental and management fees in respect of the Lease and Management Agreements are as follows:

	Year ended 31 December 2012	Year ended 31 December 2013	Year ended 31 December 2014	Year ending 31 December 2015
Historical figures				
<i>RMB million</i>	11.7	11.2	11.1	N/A
<i>HK\$ million (approximately)</i>	14.5	14.1	13.8	N/A
Historical annual caps				
<i>RMB million</i>	11.8	11.8	11.8	N/A
<i>HK\$ million (approximately)</i>	14.9	14.9	14.6	N/A
Proposed annual cap				
<i>RMB million</i>	N/A	N/A	N/A	12.6
<i>HK\$ million (approximately)</i>	N/A	N/A	N/A	15.6

The proposed annual cap has been determined with reference to the rental and management fees payable by the Group under the Lease and Management Agreements and other payables by the Group thereunder. The Directors (including the independent non-executive Directors) consider such annual cap as fair and reasonable.

Reasons for and benefits of the Lease and Management Agreements

The Group has been leasing certain premises at Shangdi Founder Building from Peking Founder Group as offices, canteens and staff quarters. Due to the expiry of such leases on 31 December 2014, the Group entered into the Lease and Management Agreements to renew the leases from 15 February 2015 to 31 December 2015.

The terms of the Lease and Management Agreements, including the rental and management fees payable by the Group, are arrived at after arm's length negotiations between the parties involved with reference to the prevailing market rent and management fees of comparable properties in Beijing.

The Directors (including the independent non-executive Directors) are of the view that transactions under the Lease and Management Agreements are fair and reasonable, on normal commercial terms, in the ordinary and usual course of business of the Group and in the interests of the Company and its shareholders as a whole.

INFORMATION OF THE GROUP

The Group is principally engaged in software development and provision of systems integration services relating to the media and non-media industries including financial institutions, enterprises and government departments. The Group purchases information hardware products for its customers in order to establish computer systems. It also provides software and hardware solutions to its customers as well as for use in its software development business.

INFORMATION ON PEKING FOUNDER GROUP

Peking Founder Group is principally engaged in securities trading and brokerage; the information technology industry, including software and system development for the publishing sector and various government bureaus and financial institutions and hardware manufacturing for personal computers, chips, circuit boards and other terminal equipment; and healthcare and pharmaceutical industry, including hospitals, pharmaceuticals, logistics, equipment leasing and hospital management.
