The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on its preliminary assessment of the Group’s unaudited consolidated management accounts for the year ended 31 December 2022 and information currently available to the Group, the Group is expected to record a profit attributable to owners of the Company of not more than approximately HK\$36 million for the year ended 31 December 2022, as compared with the profit attributable to owner of the Company of approximately HK\$43.5 million for the year ended 31 December 2021.

The Board believes such decrease in profit was mainly attributable to the net effect of: (i) the decline in revenue and gross profit due to the temporary shutdown of certain factories, disruptions in logistics, delay in execution and performance of certain sales contracts, and reduction in the demand for font library, media and printing products under the impact of COVID-19 pandemic and the relevant restrictive measures during the year ended 31 December 2022; (ii) increase in fair value losses on investment properties; (iii) reversal of deferred tax assets arising from impairment of assets; and (iv) one-off gain on reversal of the provision for impairment of entrusted loan to Peking University Founder Group Company Limited.

As at the date of this announcement, the Company is still in the process of finalising the financial statements of the Group for the year ended 31 December 2022. The information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the unaudited consolidated management accounts of the Group, but not based on any financial data or information that has been audited, reviewed or confirmed by the Company's auditor.
