Upon exercise in full of the conversion rights attaching to the Convertible Bonds at the initial Conversion Price, a maximum of 695,652,173 Conversion Shares shall be allotted and issued under the General Mandate granted to the Directors pursuant to an ordinary resolution passed by the Shareholders at the annual general meeting of the Company held on 7 June 2018.

Accordingly, the issue of the Convertible Bonds and the allotment and issue of the Conversion Shares (upon conversion of the Convertible Bonds) are not subject to the Shareholders' approval.

REASONS FOR THE ISSUE OF THE CONVERTIBLE BONDS AND USE OF PROCEEDS

The Company is an investment holding company and its subsidiaries are principally engaged in the provision and operation of travel business, treasury management business, money lending business and provision of securities and asset management services.

The estimated net proceeds from the issue of the Convertible Bonds (after deducting all related expenses), is estimated to be approximately HK\$79.5 million, out of which (i) HK\$60.0 million are intended to be used for financing the Group's money lending business; (ii) HK\$2.3 million are intended to be used for increase the paid-up share capital of Global Mastermind Asset Management Limited, which is a licensed corporation to carry on Type 9 (asset management) regulated activity under the SFO; and (iii) HK\$17.2 million are intended to be used for general working capital purposes and/or securities margin financing business. The net price of each Conversion Share to be issued is approximately HK\$0.114.

The Directors are of the view that the issue of the Convertible Bonds represents an opportunity to raise additional funds and strengthen the financial position of the Company. The Directors have also considered various ways of raising funds in the capital market and consider that the issue of the Convertible Bonds is an appropriate mean of raising additional working capital for the Company having taken into account that (i) it will not result in immediate dilution effect on the shareholding of the existing Shareholders; and (ii) the shareholder base of the Company will be enlarged and the financial position of the Group will be improved upon exercise of the conversion rights attaching to the Convertible Bonds.

Based on the foregoing, the Directors consider that the terms of the Subscription Agreement, which were arrived at after arm's length negotiations between the Company and the Subscriber, are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
