On 9 February 2015 (after trading hours), the Company entered into the Placing Agreement with the Placing Agent pursuant to which the Placing Agent has conditionally agreed with the Company to place, on a best effort basis, the Convertible Bonds up to a total principal amount of HK\$83,800,000 convertible into Conversion Shares of the Company to the Placees who are independent third parties (as defined under the Listing Rules) at the Issue Price which shall be 100% of the principal amount of the Convertible Bonds. Since the Conversion Shares will be allotted and issued under the General Mandate, no further Shareholders' approval is required.

The Completion of the Placing is conditional upon the Listing Committee of the Stock Exchange granting or agreeing to grant the listing of, and permission to deal in, the Conversion Shares, and the Placing Agreement not having been terminated in accordance with its terms. ## INFORMATION OF THE GROUP

The Group is principally engaged in the manufacturing and trading of recreational and educational toys and equipment and operation of clubhouse business.

## REASONS FOR AND BENEFITS OF THE PLACING AND USE OF PROCEEDS

The Directors have considered various ways of raising funds in the capital market and considered that the issue of the Convertible Bonds is an appropriate means of raising additional capital for the Company since (i) they will not have an immediate dilution effect on the shareholding of the existing Shareholders; and (ii) if the conversion rights attaching to the Convertible Bonds are exercised, the shareholder base of the Company will be enlarged and the financial position of the Group will be improved for establishing and strengthening the existing and future business of the Group. The Board considered that the terms of the Placing are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The Company will bear all costs and expenses of approximately HK\$2,600,000 in connection with the Placing. Assuming the maximum amount of the Convertible Bonds has been placed under the Placing, the aggregate gross proceeds and the net proceeds from the Placing (after deducting related expenses) are estimated to be of approximately HK\$83,800,000 and HK\$81,200,000 respectively. The Company intends to use the net proceeds for the possible acquisition as mentioned in the Company's announcement dated 16 December 2014 and as general working capital. If the possible acquisition mentioned in the Company's announcement dated 16 December 2014 do not proceed or the funds to be invested in such possible acquisition are less than anticipated, the readily available funds obtained from the net proceeds of the issue of the Convertible Bonds will allow the Group to proceed with other possible investment projects if the terms in respect thereof have been concluded and the definitive agreements have been entered into.

The Directors (including the independent non-executive Directors) consider that the terms of the Placing Agreement and the terms of the Convertible bonds (together with the Conversion Price) are on normal commercial terms, are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
