Conversion period:	The period commencing from the first anniversary of the Bond Issue Date and ending on the Bond Maturity Date.

Conversion right: Subject to and upon compliance with the terms and conditions of the Convertible Bonds and all regulatory requirements (including without limitation the Takeovers Code and the Listing Rules), the Bondholder shall have the right, at any time during the conversion period to convert the Convertible Bonds in whole, or in any part representing at least HK\$1,000,000 of the outstanding principal amount of the Convertible Bonds into the Conversion Shares, calculated for each conversion to be the greatest number of Shares, disregarding fractions, obtainable by dividing the aggregate principal amount of the Convertible Bonds to be converted by the Conversion Price, by giving notice (such notice, once given, may not be withdrawn without the consent in writing of the Directors). The Bondholder shall not convert the Convertible Bonds which will cause the Company to be unable to meet the public float requirements as required under Rule 8.08 of the Listing Rules or will result in a change of control (as defined in the Takeovers Code) in the Company.

Conversion Shares: The Conversion Shares shall rank pari passu with the Shares in issue on the Conversion Date, except that they shall not be entitled to receive any dividend, distribution or entitlement declared, paid or made by reference to a record date prior to the relevant Conversion Date.

The Company shall, on the occurrence of any event of default (as specified below), redeem all the Convertible Bonds then outstanding at a value equal to the aggregate principal amount outstanding of the Convertible Bonds by issuing Shares to the Bondholder at the Conversion Price, subject to adjustment provided in the terms and conditions to the Convertible Bonds. In the event that such conversion will result in the non-compliance with the public float requirements as required under Rule 8.08 of the Listing Rules or will result in a change of control (as defined in the Takeovers Code) in the Company, the Company has no obligation to issue Shares to the Bondholder until the public float requirements can be met and there will be no change of control (as defined in the Takeovers Code) in the Company upon such

conversion. Except as otherwise provided, the Convertible Bonds shall not be redeemed or repaid prior to the Bond Maturity Date.

Event of default:

- i. if there is a default in the performance or observance by the Group of any obligations set out in the terms and conditions to the Convertible Bonds and (except where such failure is not capable of remedy) such default shall continue for 10 Business Days after written notice of such default shall have been given to the Company by the Bondholder;

- v. if the trading of the Shares on the Stock Exchange is withdrawn or suspended other than for a temporary suspension of trading for a period of not more than 14 consecutive Business Days;
- vi. if it shall become unlawful for the Company to perform all or any of its obligations under the terms and conditions to the Convertible Bonds or the Convertible Bonds shall for any reason cease to be in full force or effect or shall be declared to be void or illegal by any court of competent jurisdiction; and

subsidiaries, or any litigation, arbitration, prosecution or other legal proceedings involving such amount are threatened against the Company or any of its subsidiaries, which may have a significant financial impact on the Group and/or may have a material adverse effect on the operations or the financial position of the Group taken as a whole.

Ranking: The Convertible Bonds constitute direct unconditional, unsubordinated and unsecured obligations of the Company and rank at least pari passu and rateably without preference (with the exception of obligations in respect of taxes and certain other statutory exceptions) equally with all other present and future unsubordinated and unsecured obligations of the Company.

Transferability: The Convertible Bonds shall not be transferable without prior written consent of the Company.

Voting rights: The Convertible Bonds shall not confer on the Bondholder(s) the right to vote at any general meetings of the Company.

Listing: The Convertible Bonds will not be listed on the Stock Exchange or any other stock exchange.

An application will be made by the Company for the listing of, and permission to deal in, the Conversion Shares to be issued upon the exercise of the conversion rights attaching to the Convertible Bonds.

Covenants in relation to the conversion rights: So long as any Convertible Bond shall remain convertible the Company shall, unless with the prior written approval of all the Bondholders:

the Company to return of capital in priority to other Shareholders) or reduce any uncalled liability in respect thereof;

- v. if an offer is made to all Shareholders (or all Shareholders other than the offeror and/or any offeror controlled by the Company and/or persons acting in concert with the offeror) to acquire all or a proportion of the Shares forthwith give notice of such offer to the Bondholders and use its reasonable endeavours to procure that a like offer is extended to the holders of any Shares allotted or issued pursuant to the exercise by Bondholders of their rights of conversion by reference to a Conversion Date falling during the period of such offer; publication of a scheme of arrangement under the laws of Cayman Islands or a voluntary arrangement under any applicable law providing for the acquisition by any person of the whole or any part of the Shares shall be deemed to be the making of an offer;
- vi. maintain a listing for all the issued Shares on the Stock Exchange, obtain and maintain a listing on the Stock Exchange for all the Conversion Shares; and
- vii. pay the expenses of the issue of, and all expenses of obtaining a listing on the Stock Exchange for

the Conversion Shares.

Company's undertakings:

So long as any Convertible Bond shall remain convertible the Company shall (among other things) not effect any consolidation or amalgamation with, or merger into any other corporation, or any sale or transfer of all or substantially all of the assets of the Company without the written consent of the majority of Bondholder(s) (such consent not to be unreasonably withheld or delayed). Such provisions shall similarly apply to successive consolidations, amalgamations, mergers, sales or transfers.

- ii. the issue of Shares by the Company credited as fully paid to the Shareholders by way of capitalization of profits or reserves (including any share premium account),

REASONS FOR THE ISSUE OF CONVERTIBLE BONDS AND USE OF PROCEEDS

The Group is principally engaged in the manufacturing and trading of recreational and educational toys and equipment, operation of clubhouse business and provision of beauty and wellness services.

The Directors have considered various ways of raising funds in the capital market and considered that the issue of the Convertible Bonds is an appropriate means of raising additional capital for the Company since (i) they will not have an immediate dilution effect on the shareholding of the existing Shareholders; and (ii) if the conversion rights attaching to the Convertible Bonds are exercised, the shareholder base of the Company will be enlarged and the financial position of the Group will be improved for establishing and strengthening the existing and future business of the Group. The Board considered that the terms of the Subscription Agreement are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The gross and net proceeds from the issue of the Convertible Bonds will be HK\$30,000,000 and are intended to be used as working capital and for potential acquisitions of the Group.
