

EVERBRIGHT GREENTECH WINS TENDER FOR ROOFTOP SOLAR ENERGY PROJECT AT SOUTH SEAS CENTRE IN TSIM SHA TSUI, KOWLOON

Hong Kong, 31 August 2023 – China Everbright Greentech Limited (“Everbright Greentech”, or the “Company”) (SEHK: 1257.HK) is pleased to announce that recently, Everbright Kellon Green Energy Limited (“Kellon Green Energy”), a subsidiary of Everbright Greentech, has won the tender for the rooftop solar project of South Seas Centre in Tsim Sha Tsui, Kowloon (“South Seas Centre Project”).

The South Seas Centre project has a site area of approximately 900 sqm and an aggregate power generation design capacity of approximately 194KW, with a projected average annual power generation capacity of 215,000KWh. Including the South Seas Centre project, Everbright Greentech has a total of 13 solar projects in Hong Kong, with an aggregate power generation designed capacity of approximately 3.6MW.

Mr. Qian Xiaodong, CEO of Everbright Greentech, said, “Since the acquisition of Kellon Green Energy, the Company has successfully implemented its fourth solar project in Hong Kong. Kellon Green Energy’s operational strengths complement the goals of Everbright Greentech, creating a synergistic combination of resources. In response to the national and Hong Kong local government’s ‘Dual Carbon’ goals, the Company will intensify its green investment in Hong Kong, and endeavor to explore further opportunities in the renewable energy sector and expand and strengthen its business in Hong Kong.”
