These explanatory notes attached to the interim financial report provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the year ended 30 June 2006.

2. Changes in Accounting Policies

The significant accounting policies adopted are consistent with those adopted in the annual financial statements for the financial year ended 30 June 2006 except for the adoption of the following new/revised FRSs effective for financial period beginning 1 January 2006:

FRS 2	Share-based Payment
FRS 3	Business Combinations
FRS 5	Non-current Assets Held for Sale and Discontinued Operations
FRS 101	Presentation of Financial Statements
FRS 102	Inventories
FRS 108	Accounting Policies, Changes in Estimates and Errors
FRS 110	Events after Balance Sheet Date
FRS 116	Property, Plant and Equipment
FRS 121	The Effects of Changes in Foreign Exchange Rates
FRS 127	Consolidated and Separate Financial Statements
FRS 128	Investment in Associates
FRS 131	Investment in Joint Ventures
FRS 132	Financial Instruments: Disclosure and Presentation
FRS 133	Earnings Per Share
FRS 136	Impairment of Assets
FRS 138	Intangible Assets
FRS 140	Investment Property

The adoption of FRS 2, 3, 5, 102, 108, 110, 116, 121, 127, 128, 131, 132, 133, 136 and 138 does not have significant financial impact on the Group. The principal effects of the changes in accounting policies resulting from the adoption of the other new/revised FRSs are disclosed below.

2. Changes in Accounting Policies (cont'd)

(a) FRS 101: Presentation of Financial Statements

The adoption of the revised FRS 101 has affected the presentation of minority interest, share of net after-tax results of associates and other disclosures. In the consolidated balance sheet, minority interests are now presented within total equity. In the consolidated income statement, minority interests are presented as an allocation of the total profit or loss for the period. A similar requirement is also applicable to the statement of changes in equity. FRS 101 also requires disclosure, on the face of the statement of changes in equity, total recognized income and expenses for the period, showing separately the amounts attributable to equity holders of the parent and to minority interest.

The current period's presentation of the Group's financial statements is based on the revised requirements of FRS 101, with the comparatives restated to conform with the current period's presentation.

(b) FRS 140: Investment Property

The adoption of FRS 140 has resulted in a change in accounting policy for investment properties. Investment properties are now stated at fair value, representing open-market value determined by external valuers. Gains or losses arising from changes in the fair values of investment properties are recognized as profit or loss in the period in which they arise. Prior to 1 July 2006, investment properties are stated at cost less impairment losses. In accordance with the transitional provision of FRS 140, this change in accounting policy is applied prospectively and the comparatives as at 30 June 2006 are not restated. Instead, the changes have been accounted for by restating the following opening balances in the balance sheet as at 1 July 2006:-

	As at 1 July 2006 RM'000
Increase in investment properties	1,982
Decrease in property, plant and equipment	(357)
Increase in retained profits	<u>1,625</u>

3. Qualification of audit report of the preceding annual financial statements

4. Seasonality or cyclicity of interim operations

The Group's interim operations were not materially affected by any seasonal or cyclical factors for the quarter under review.

5. **Nature and amount of items affecting assets, liabilities, equity, net income or cash flows that are unusual because of their nature, size or incidence**

 - ii) Acquisition of 100% equity interest in Sabna Development Sdn Bhd from PPSB for a cash consideration of RM82.99 million.

6. **Changes in estimates of amounts reported in prior interim periods of the current financial year or in prior financial years**

The revised FRS116: Property, Plant and Equipment requires the review of the residual value and remaining useful life of an item of property, plant and equipment at least at each financial year end.
