## 3 Macau offers iPhone SE in Macau on 21 April

Macau, 21 April 2016 - 3 Macau today announced it offers iPhone SE, the most powerful phone with a four-inch display, beginning Thursday, 21 April.

iPhone SE packs the power of iPhone 6s in a beloved compact aluminum design that customers love, featuring a stunning four-inch Retina display and four gorgeous metallic finishes, including rose gold. With the exceptional performance of the advanced 64-bit A9 chip, longer battery life, camera innovations including a 12-megapixel iSight camera, Live Photos, the ability to record in 4K and Touch ID with Apple pay, iPhone SE is the perfect phone for everyone who wants a smaller phone.

"Customers will certainly get the most out of iPhone SE on our 4G LTE network, which now covers more than 95 % of outdoor areas throughout Macau," said Ho Wai-ming, CEO, 3Macau. "Alongside our fast and stable 4G service, our tariff plans allow customers to continue using their iPhone in Hong Kong where we have more than 17,000 "HGC On Air" hotspots.
