

3 Hong Kong will offer Apple Watch Series 3 (GPS + Cellular)

Hong Kong, 5 May 2018 - 3 Hong Kong today announced it will begin selling Apple Watch Series 3 (GPS + Cellular), which adds built-in cellular to the world's number one watch*. With cellular, customers can go with just their Apple Watch and stay connected to the people and information they care about. To help Apple Watch Series 3 (GPS + Cellular) customers get started, 3 Hong Kong will also offer free eSIM (Embedded SIM) connectivity to eligible customers. To activate cellular service with Apple Watch Series 3 (GPS + Cellular), customers first need to update iPhone to iOS 11.3 and watchOS 4.3, then tap Settings on iPhone > General > About and follow the prompt to update to the latest carrier settings.

* According to information provided by Apple.
