About Chi-Med

Chi-Med is the holding company of a pharmaceutical and healthcare group focused on traditional Chinese medicine (“TCM”) based primarily in China and was admitted to trading on the Alternative Investment Market of the London Stock Exchange in May 2006. Chi-Med operates three core business segments: 1) China healthcare – the manufacture, distribution and marketing of pharmaceuticals and health supplements in China; 2) Drug R&D – the discovery and global development of novel drug in the oncology and auto-immune therapeutic areas; and 3) Consumer products – global retailing and distribution consumer health and personal care products derived from TCM and botanical ingredients.

Chi-Med is majority owned by Hutchison Whampoa Limited, an international company listed on the Main Board of The Stock Exchange of Hong Kong Limited.
