LETTER FROM THE BOARD

GENERAL ISSUE MANDATE

At the annual general meeting of the Company held on September 15, 2006, a general mandate was given to the Directors to issue new Shares and such mandate will lapse at the conclusion of the forthcoming AGM. An ordinary resolution will be proposed at the AGM for the purpose of renewing the existing share issue mandate granted to Directors to allot, issue and otherwise deal with the Shares. The share issue mandate is subject to a limit equal to 20% of the aggregate nominal amount of the issued capital of the Company at the date of passing such resolution. On the basis that no Shares are issued or repurchased prior to the AGM, the Company would be allowed to allot, issue and deal with a maximum of 33,406,203 further new Shares. The Directors have no present intention to issue new Shares pursuant to the General Issue Mandate.

GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on September 15, 2006, a general mandate was given to the Directors to exercise all the powers of the Company to repurchase its own Shares and such mandate will lapse at the conclusion of the forthcoming AGM. An ordinary resolution will be proposed at the AGM for the purpose of renewing the existing Repurchase Mandate granted to the Directors to repurchase Shares up to a maximum of 10% of the aggregate nominal amount of the issued and fully paid up share capital of the Company as at the date of passing such resolution. An explanatory statement containing all relevant information relating to the proposed Repurchase Mandate is set out in Appendix I to this circular.

GENERAL MANDATE TO EXTEND TO ISSUE SHARES

Subject to the passing at the AGM of the proposed resolutions regarding the General Issue Mandate and the Repurchase Mandate, an ordinary resolution will be proposed at the AGM to approve the extension of the 20% share issue mandate by adding to the share issue mandate the number of shares that may be repurchased under the Repurchase Mandate.

For details of the proposed resolutions, Shareholders are referred to the notice of the AGM which is set out on page 13 to 16 in this circular. With reference to these resolutions, the Board wishes to state that it has no immediate plan to repurchase any Shares or to issue any new Shares pursuant to the relevant mandates.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the proposals for General Issue Mandate, the Repurchase Mandate, the extension of General Issue Mandate and the re-election of Directors are in the best interests of the Company and the Shareholders. Accordingly, the Directors recommend that all the Shareholders should vote in favour of all the ordinary resolutions and the special resolution to be proposed at the AGM.

Yours faithfully

For and on behalf of the Board

Kong Ho Pak

Chairman

This is an explanatory statement given to all Shareholders relating to ordinary resolution to be proposed at the AGM authorising the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date the issued and fully paid up share capital of the Company comprised 167,031,016 Shares.

Exercised in full of the Repurchase Mandate, if so approved, on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the approval of the Repurchase Mandate, the Company would be allowed under the repurchase resolution to repurchase a maximum of 16,703,101 Shares during the period from the date on which such resolution is passed until the date of (i) conclusion of the next AGM of the Company; (ii) the expiration of the period within which the next AGM of the Company is required by the Bye-laws or any application laws of Bermuda to be held; or (iii) the revocation, variation or removal of the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting, whichever occurs first, representing not more than 10% of the issued share capital of the Company as at the Latest Practicable Date.

2. REASONS FOR THE REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that the flexibility afforded by the repurchase proposal would be beneficial to the Company and Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such a purchase will benefit the Company and its Shareholders.

3. SHARE BUY BACK RULES

Repurchases must be funded out of funds which are legally available for the purpose in accordance with the company's constitutional documents and the laws of the jurisdiction in which the company is incorporated.

4. FUNDING OF REPURCHASES

Repurchase of Shares will be funded from the Company's available cash flow or working capital facilities, and will, in any event, be made out of funds legally available for such purposes in accordance with the Bye-laws, the Listing Rules and the laws of Bermuda. The Company is empowered by its Bye-laws to purchase its Shares. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of the capital paid up on the relevant Shares, or from the profits that would otherwise be available for distribution by way of dividend, or from the proceeds of a new issue of shares made for the purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the Company's share premium account or contributed surplus account.

On the basis of the current financial position of the Group as disclosed in the annual report of the Company for the year ended March 31, 2007 and taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position disclosed in the 2007 Annual Report. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing level which in the opinion of the Directors are from time to time appropriate for the Group.

5. SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2006		
July	0.460	0.400
August	0.420	0.400
September	0.440	0.380
October	0.400	0.375
November	0.670	0.370
December	0.880	0.490
2007		
January	0.530	0.435
February	0.630	0.460
March	0.640	0.450
April	0.750	0.580
May	0.800	0.640
June	0.840	0.650
July (up to the latest Practicable Date)	1.530	0.740

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make purchases of the Shares pursuant to the Repurchase Mandate only in accordance with the Listing Rules, the Bye-laws of the Company and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) have any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any securities to the Company or its Subsidiaries.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell securities to the Company nor has undertaken not to do so, in the event that the Company is authorised to make purchases of Shares upon Repurchase Mandate is approved by the Shareholders.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of the increase of the Shareholder's interest, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date and insofar as the Directors are aware, the following Shareholders had interests representing 5% or more of the issued share capital of the Company which are discloseable under Part XV of the SFO:

Name of Shareholders	Number of interests held	Approximate percentage of interests (%)
Ling Tai Yuk, John (<i>Note 1</i>)	74,598,658	44.66%
Accura Overseas Limited ("Accura") (<i>Note 1 and 2</i>)	44,705,322	26.76%

Note 1: The Interests stated above represent long position.

Note 2: By virtue of his interest in Accura, Mr. Ling Tai Yuk, John was deemed to be interested in the 44,705,322 shares held by Accura.

If the Repurchase Mandate is exercised in full, Mr. Ling Tai Yuk, John and the party acting in concert with him will increase his shareholding in the Company to approximately 49.62% (taking into account of Mr. Ling Tai Yuk, John's interests in Accura). Such increase in shareholding will give rise to an obligation for the largest shareholder, namely Mr. Ling Tai Yuk, John to make a conditional mandatory offer under Rule 26 of the Takeovers Code as holding of voting rights of Mr. Ling and the parties acting in concert with him in the Company will then be increased by 2% or more from their lowest percentage holding in the 12 months ending on and inclusive of the date when the Repurchase Mandate is exercised. Despite the aforesaid, the Directors have no present intention to exercise the Repurchase Mandate to such extent as would result in (a) the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%; and (b) a requirement of Mr. Ling Tai Yuk John to make a mandatory offer under the Takeovers Code.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Mandate.

The Directors will exercise the powers conferred by the Repurchase Mandate to repurchase Shares in circumstances, which they deem appropriate for the benefits of the Company and the Shareholders as a whole. However, the Directors have no present intention to exercise the Repurchase Mandate to the extent that the number of Shares in the hands of the public would fall below the prescribed minimum aggregate percentage (under the Listing Rules) of 25%.

8. SHARE PURCHASE MADE BY THE COMPANY

No purchase has been made by the Company of its Shares (whether on the Stock Exchange or otherwise) in the six months prior to the Latest Practicable Date.

Stated below are the details of the re-election of Directors as referred to in item 3 of the notice of AGM. The retiring Directors, being eligible, offer themselves for re-election as directors of the Company at the AGM.

Mr. Keir, James aged 70, the Independent Non-Executive Director

Mr. Keir did not hold any directorship in any other listed public companies in the past three years.

Mr. Keir is not connected with any other Directors, senior management, substantial or controlling shareholders (as defined in the Listing Rules) of the Company. As at the Latest Practicable Date, Mr. Keir does not have any interests in Shares within the meaning of Part XV of the Securities and Futures Ordinance.

There is neither service contract between the Company and Mr. Keir nor any specific term of service with the Company in respect of his appointment. However, Mr. Keir is subject to retirement by rotation pursuant to the Bye-laws of the Company. The total emoluments of Mr. Keir for the year ended March 31, 2007 was HK\$50,000.00 by reference to the Company's standard scale of emoluments for non executive directors and the prevailing market conditions. There was no bonus payment payable to Mr. Keir.

Save as disclosed above, the Company is neither aware of any other matters that need to be brought to the attention of the Shareholders nor information required to be disclosed pursuant to any of the requirements under Rule 13.51(2) of the Listing Rules.

Mr. Lee Tsoh Ching, Jonathan aged 70, the Independent Non-Executive Director

Mr. Lee was appointed as an independent non-executive director of the Company on September 28, 2004. He was also appointed as the member of audit committee, remuneration committee and nomination committee since then. Mr. Lee has over 45 years of experience in manufacturing and trading from textile industry. Mr. Lee did not hold any directorship in any other listed public companies in the past three years.

Mr. Lee is not connected with any other Directors, senior management, substantial or controlling shareholders (as defined in the Listing Rules) of the Company. As at the Latest Practicable Date, Mr. Lee does not have any interests in Shares within the meaning of Part XV of the Securities and Futures Ordinance.

There is neither service contract between the Company and Mr. Lee nor any specific term of service with the Company in respect of his appointment. However, Mr. Lee is subject to retirement by rotation pursuant to the Bye-laws of the Company. The total emoluments of Mr. Lee for the year ended March 31, 2007 was HK\$50,000.00 by reference to the Company's standard scale of emoluments for non executive directors and the prevailing market conditions. There was no bonus payment payable to Mr. Lee.

Save as disclosed above, the Company is neither aware of any other matters that need to be brought to the attention of the Shareholders nor information required to be disclosed pursuant to any of the requirements under Rule 13.51(2) of the Listing Rules.
