Notes:

1. GENERAL INFORMATION

The Company was incorporated in the Cayman Islands as an exempted company with limited liability under the Companies Law of the Cayman Islands. The address of its registered office is Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman KY1-1111, Cayman Islands. The principal place of business is 35th Floor, One Pacific Place, 88 Queensway, Hong Kong. The Company's shares are listed on the Main Board of The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and have been suspended for trading since 17 June 2004.

On 23 August 2007, the Directors have approved and issued a set of audited consolidated financial statements of the Company for the year ended 30 June 2007. Such set of audited financial statements are now withdrawn and replaced by these financial statements.

The Company is an investment holding company. The activities of its subsidiaries are principally engaged in the manufacturing and distribution of pharmaceutical products.

2. BASIS OF PREPARATION

Going concern

The Group incurred a loss attributable to equity holders of the Company of approximately HK\$64,150,000 for the year ended 30 June 2007 (2006: approximately HK\$52,953,000) and as at 30 June 2007 the Group had net current liabilities of approximately HK\$752,506,000 (2006: approximately HK\$688,045,000) and net liabilities of approximately HK\$718,303,000 (2006: approximately HK\$654,519,000) respectively. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

The Group has been experiencing financial difficulties since about 2004. On 15 September 2004, Standard Chartered Bank (Hong Kong) Limited ("SCBHK") petitioned for the winding-up of the Company as the Company failed to repay a syndicated bank loan. Upon the application of SCBHK, on 22 September 2004 Messrs. Lai Kar Yan Derek and Darach E. Haughey, both of Deloitte Touche Tohmatsu, were appointed as joint and several provisional liquidators (the "Provisional Liquidators") of the Company by the High Court of the Hong Kong Special Administrative Region so as to preserve the assets of the Company and to consider and review all restructuring proposals to maximize the recovery of the creditors and shareholders of the Company.

The Company had been placed into the third stage of the delisting procedures on 17 October 2005. Best Champion Holdings Limited (the "Investor") subsequently decided to pursue a restructuring of the Company.

After various discussions involving representatives of the Provisional Liquidators, the Investor and their respective advisors, the terms of a restructuring proposal were formulated. The restructuring proposal involves, inter alia, (i) capital restructuring; (ii) debt restructuring; (iii) subscription; and (iv) group reorganization.

On 29 March 2006, a proposal for the resumption of trading in the Company's shares was submitted on behalf of the Company to the Stock Exchange by Asian Capital (Corporate Finance) Limited which had been appointed as the financial advisor to the Company.

The financial statements have been prepared on a going concern basis on the basis that the proposed restructuring of the Company will be successfully completed, and that, following the financial restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Having reviewed and considered the operations and the affairs of the Group and the Company, the magnitude of the claims against the Company and the third stage of delisting procedures, the Directors concluded that the proposed restructuring represents the best means available for the Company to be returned to solvency and to continue with the development and enhancement of its business. The Directors are therefore of the opinion that it is appropriate to prepare the financial statements on a going concern basis.

In the opinion of the Directors, the financial statements for the year ended 30 June 2007 prepared on the going concern basis present fairly the results, state of affairs and cash flows of the Group.

Should the Group be unable to achieve a successful restructuring and to continue its business as a going concern, adjustments would have to be made to the financial statements to adjust the value of the Group's assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

Financial results of 山東特利爾醫藥有限公司

山東特利爾醫藥有限公司 was incorporated on 5 April 2007 in the PRC under a Co-operative Joint Venture (the "CJV") agreement in which the Company indirectly holds 80% of the ownership interest. The subsidiary is engaged in the trading of pharmaceutical products in the PRC.

In accordance with an agency agreement, the sales and purchase transactions of the CJV were carried out on the CJV's behalf by 山東特利爾營銷策劃有限公司, who holds 20% of the ownership interest in the CJV. The financial statements have been prepared on the basis that those sales and purchase transactions for the period from 5 April to 30 June 2007 have been included in the Group's current year results. In view of the various terms stipulated in the agency agreement, the Directors regard such business arrangement is legally valid and does not violate any PRC laws.

3. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current year, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants that are relevant to its operations and effective for accounting periods beginning on or after 1 July 2006. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards; and Interpretations. The adoption of these new and revised HKFRSs did not result in substantial changes to the Group's accounting policies and amounts reported for the current year.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

14. EVENTS AFTER THE BALANCE SHEET DATE

Winding Up Petition

At the resumed hearing of the winding up petition on 26 November 2007, the Honourable Madam Justice Kwan ordered that the Petition be further adjourned to 13 May 2008.

Restructuring and Relisting

Stock Exchange's decision on resumption of trading

On 10 October 2007, the Stock Exchange issued a letter to Asian Capital (Corporate Finance) Limited, the financial advisor of the Company and advised that the Listing Appeals Committee concurred with the decisions of the Listing Committee and the Listing (Review) Committee that the Company had not submitted a valid resumption proposal as required. Nevertheless, having considered all submissions (both written and oral) presented by the review parties for the purpose of the reconvened Review Hearing on 19 September 2007, it had decided to allow the Company to proceed with the Resumption Proposal (as supplemented by subsequent submissions), subject to prior compliance with various conditions to the satisfaction of the Listing Division of the Stock Exchange within six months from the date of the letter, i.e. on or before 9 April 2008.

Since then, the representatives of the Provisional Liquidators of the Company, the Investor and their respective advisors have been endeavoured to achieve full compliance of the conditions set out by the Stock Exchange.

In view of the fact that there are various long public holidays during the six-month period, the conditions could not be fully complied with on or before 9 April 2008. In the circumstances, the Company is now seeking from the Stock Exchange an extension for complying with the conditions.

Debt restructuring

The Company has made an application to the High Court of Hong Kong for a sanction to a Scheme of Arrangement (with modifications) under section 166 of the Hong Kong Companies Ordinance between the Company and all its creditors with non-preferential claims against the Company, which was duly approved at the Scheme Meeting ordered by the Court and held on 22 February 2008. The hearing of the application by the High Court is scheduled on 8 April 2008.

Capital restructuring

The Company will convene an extraordinary general meeting of the members to seek the shareholders' approval on the proposed capital restructuring. The Company has also made an application to the court in the Cayman Islands for a restructuring in its capital. The hearing date of this petition is fixed on 20 June 2008.

QUALIFIED INDEPENDENT AUDITOR'S REPORT

The Directors would like to draw your attention to the fact that the independent auditor's report on the financial statements of the Group for the year ended 30 June 2007 has been qualified. The relevant parts of the auditor's report that dealt with the qualification are quoted as follows:

Basis for disclaimer of opinion

Opening Balances and Corresponding Figures

Our audit opinion on the financial statements of the Group for the year ended 30 June 2006 (the "2006 Financial Statements"), which form the basis for the corresponding figures presented in the current year's consolidated financial statements, was disclaimed because of the significance of the possible effect of the limitations on the scope of our audit and the material uncertainty in relation to going concern, details of which are set out in our audit report dated 8 April 2008. Accordingly, we were then unable to form an opinion as to whether the 2006 Financial Statements gave a true and fair view of the state of affairs of the Group as at 30 June 2006 and of the Group's results and cash flows for the year then ended.

Any adjustments to the figures as described above might have a significant consequential effect on the Group's results and cash flows for the year ended 30 June 2006 and the financial positions of the Group as at 30 June 2006 and the related disclosures thereof in the financial statements.

Material uncertainty relating to the going concern basis

In forming our opinion, we have considered the adequacy of the disclosures made in note 2 to the financial statements which explains that the proposal for the resumption of trading in the Company's shares and the restructuring of the Group (the "Resumption Proposal") was submitted to The Stock Exchange of Hong Kong Limited ("the Stock Exchange") on 29 March 2006. The Resumption Proposal involves capital restructuring,

debt restructuring, subscription of shares and group restructuring, resulting in a reduction of the Company's indebtedness.

The Resumption Proposal is, however, dependent upon the scheme of arrangement for the restructuring of the Company's indebtedness being accepted by the majority of each class of the Company's creditors and the re-listing of the Company's shares on the Stock Exchange. The Resumption Proposal is also conditional upon the relevant approvals being obtained from the shareholders, the High Court of Hong Kong, the Grand Court of the Cayman Islands and the Hong Kong regulatory authorities including the Stock Exchange and the Securities and Futures Commission.

The financial statements have been prepared on a going concern basis on the assumption that the Resumption Proposal will be successfully completed and that, following the Resumption Proposal, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The financial statements do not include any adjustments that would result from a failure to complete the Resumption Proposal. However, in view of the extent of the material uncertainty relating to the completion of the Resumption Proposal, we disclaim our opinion in respect of the material uncertainty relating to the going concern basis.

Disclaimer of opinion: disclaimer on view given by financial statements

Because of the significance of the matters described in the basis for disclaimer of opinion paragraphs and the material uncertainty relating to the going concern basis as described above, we do not express an opinion on the consolidated financial statements as to whether they give a true and fair view of the state of affairs of the Group as at 30 June 2007 and of the Group's results and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards. In all other respects, in our opinion the consolidated financial statements have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.

Withdrawal of our previous auditor's report

As stated in note 1 to the financial statements, the Directors have withdrawn the audited consolidated financial statements of the Company for the year ended 30 June 2007 which were issued on 23 August 2007 and audited by us. As a result, we withdraw our auditor's report dated on 23 August 2007 on those financial statements.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

The Group's turnover for the year ended 30 June 2007 amounted to approximately HK\$83,111,000, representing a 159% increase from the year ended 30 June 2006 (approximately HK\$32,028,000).

RESTRUCTURING

Following the appointment of the Provisional Liquidators, the Investor had been identified for the restructuring of the Group. A proposal for the resumption of the trading in the shares of the Company was submitted to the Stock Exchange in March 2006.

On 10 October 2007, the Stock Exchange issued a letter to Asian Capital (Corporate Finance) Limited, the financial advisor of the Company and advised that it had decided to allow the Company to proceed with the Resumption Proposal (as supplemented by subsequent submissions), subject to prior compliance with various conditions to the satisfaction of the Listing Division of the Stock Exchange within six months from the date of the letter, i.e. on or before 9 April 2008.

The Provisional Liquidators, the Investor and their respective advisors are working towards to fulfill the conditions imposed by the Stock Exchange.

FUTURE PROSPECTS

The Provisional Liquidators and the Investor have endeavored to reactivate the operations of the Group.

Co-operative joint venture

In April 2007, a co-operative joint venture ("the CJV") was established in the People's Republic of China ("the PRC") for distributing pharmaceutical and healthcare products. Since then, the CJV has been utilizing the strong network of its PRC joint venture partner for distributing pharmaceutical and healthcare products in the PRC and achieved a good result. The turnover of the CJV was over HK\$148 million for the six months from July to December 2007.

In view of the aging population, the increasing awareness of health care and increasing income level in the PRC, it is expected that the CJV will enjoy a stable growth in the business.

Laolaishou

In order to further improve and enhance the business of the Group, the CJV has also been appointed by Jinan Laolaishou Biotech Company Limited (濟南老來壽生物科技有限公司) ("Laolaishou") as its exclusive distributor in the PRC (including Hong Kong).

Laolaishou is mainly engaged in the research, manufacturing, and distribution of the pharmaceutical products and health food products. Currently, Laolaishou owns eight pharmaceutical licenses, three health products, two manufacturing rights of patented health food products, namely 老來壽膠囊 (Laolaishou Capsule) and 開元唐泰膠囊 (Kaiyuantangtai Capsule), and other patents in the application stage.

The CJV entered into an exclusive distribution agreement with Laolaishou on 20 August 2007. Under the agreement, upon the successful resumption of trading in shares of the Company, the CJV will become the sole agent having the exclusivity right for distributing the products of Laolaishou in the PRC. In addition, the CJV will also become the sole licensee for operating "Laolaishou Health Clubs" in the PRC.

The sales of Laolaishou products are expected to grow and expected to help improving the Group's profitability.

Furthermore, the CJV will utilize the funds raised by the Company to set up its own Laolaishou Health Clubs and dedicated shops in other selected locations in the PRC. The directors believe that the setting up of own retail shops of the CJV and the assimilation of the existing licensed shops into the CJV will substantially enhance the profit margin of the Group mainly due to the capture of the retail sales margin into the Group.

FOREIGN EXCHANGE EXPOSURE

The Group has certain exposure to foreign currency risk as most of its business transactions, assets and liabilities are principally denominated in Hong Kong Dollars, United States Dollars and Renminbi. The Group currently does not have a foreign currency hedging policy in respect of foreign currency assets and liabilities. The Group will monitor its foreign currency exposure closely and will consider hedging significant foreign currency exposure should the need arises.

CAPITAL STRUCTURE

For the year ended 30 June 2007, there was no change in the capital structure and issued share capital of the Company.

LIQUIDITY, FINANCIAL RESOURCES AND FUNDING

Given that the Company has been appointed provisional liquidators, financial assistance from the Investor and cash inflow from operation are, at present, the major sources of funding for the Group.
