POSITIVE PROFIT ALERT

This announcement is made by Kasen International Holdings Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09 of the Listing Rules.

Based on the preliminary review of the unaudited management accounts of the Group for the six months ended 30 June 2018, the board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that properties with a total gross floor area of approximately 84,138 square meters were delivered by the Group to its customers and revenue of approximately RMB627.1 million (unaudited and before deduction of any tax charges) was generated for the six months ended 30 June 2018. As a result of which, the Group is expected to record a consolidated net profit attributable to owners of the Company for the six months ended 30 June 2018 as compared to the net loss of approximately RMB78.8 million recorded by the Group for the corresponding period in 2017. Based on the information currently available to the Board, such improvement in the Group’s performance was principally attributable to the increase in the delivery of residential buildings for the Group’s property development projects in the PRC as well as the decrease in the relevant selling costs resulted from the pre-sale properties for the property development segment of the Group during the six months ended 30 June 2018.

The Company has yet to finalise the interim results of the Group for the six months ended 30 June 2018. The information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the information currently available to the Board, including the unaudited management accounts of the Group for the six months ended 30 June 2018, which have not been reviewed or audited by the Company’s auditors or the audit committee of the Company, and the actual results of the Group for the six months ended 30 June 2018 may be different from what is disclosed herein. Shareholders and investors are advised to read carefully the interim results announcement of the Company for the six months ended 30 June 2018, which is expected to be published by the end of August 2018.
