LETTER FROM THE BOARD

The notice of the Annual General Meeting is set out on pages 14 to 17 of this circular to consider the resolutions relating to the general mandates to repurchase Shares and to issue Shares and the re-election of Directors. This circular contains the explanatory statement in compliance with the Listing Rules and all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the resolutions.

PROPOSED GENERAL MANDATES TO REPURCHASE SHARES AND ISSUE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed to grant the Directors a general mandate to exercise all powers of the Company to repurchase issued and fully paid Shares up to a maximum of 10% of the number of issued Shares as at the date of passing of the resolution (the “**Repurchase Mandate**”). The Repurchase Mandate allows the Company to make or agree to make repurchases only during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by law or by the Bye-laws; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

Ordinary resolutions will also be proposed at the Annual General Meeting to (i) grant the Directors a general mandate to allot, issue and deal with new Shares up to a maximum of 20% of the number of issued Shares as at the date of passing of the resolution (the “**Share Issue Mandate**”); and (ii) extend the Share Issue Mandate by the amount representing the aggregate number of Shares repurchased by the Company under the Repurchase Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 695,842,445 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Share Issue Mandate, the maximum number of Shares which may be issued pursuant to the Share Issue Mandate on the date of passing the resolution approving the Share Issue Mandate will be 139,168,489 Shares.

The information in the explanatory statement is provided to you with all information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the resolution to grant the Directors the Repurchase Mandate.

Kingmaker Footwear Holdings Limited
Chan Ho Man, Daniel
Chairman

This Appendix serves as an explanatory statement given to all the Shareholders, as required by the Listing Rules, to provide all the requisite information in relation to the Repurchase Mandate.

1. LISTING RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid shares subject to certain restrictions, the more important of which are summarised below:

(a) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the aggregate number of issued Shares as at the date of the passing of the relevant resolutions granting the Repurchase Mandate. The Company's authority is restricted to purchase in accordance with the Listing Rules. As at the Latest Practicable Date, there were in issue an aggregate of 695,842,445 Shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares would be issued or repurchased prior to the date of the Annual General Meeting, would accordingly result in up to 69,584,244 Shares being repurchased by the Company. The Shares repurchased by the Company shall, subject to applicable law, be automatically cancelled upon such repurchase.

(b) Funding of repurchase

Repurchase of the Shares will be funded out of funds legally available for such purpose in accordance with the Bye-laws and the memorandum of association of the Company and the applicable laws of Bermuda.

(c) Reasons for repurchase

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase shares of the Company on the market. The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases of Shares will benefit the Company and the Shareholders.

As compared with the position of the Company in its financial statements for the year ended 31 March 2016, being the date of its latest audited consolidated accounts, the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be made in full during the proposed repurchase period. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

(d) Directors, their close associates and core connected persons

None of the Directors nor, to the best of the knowledge of the Directors having made all reasonable enquiries, any of their close associates has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

As at the Latest Practicable Date, no core connected person of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Repurchase Mandate is granted.

(e) Undertaking of the Directors

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate in the proposed resolution in accordance with the Listing Rules, the Bye-laws and the memorandum of association of the Company and the applicable laws of Bermuda.

(f) Effect of the Takeovers Code

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 26 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the register of the Shareholders maintained by the Company pursuant to Section 336 under Part XV of the SFO showed that the Company has been notified of the following interests, being 5% or more of the Company's issued share capital:

Name of Shareholder	Directly Beneficially Interests	Through Spouse or Minor Children	Through Controlled Corporation	Total Number of Shares (including underlying Shares) held	Approximate percentage of the shareholding as at the Latest Practicable Date	Approximate percentage of shareholding if the Repurchase Mandate is exercise in full
King Strike Limited (Note 1)	263,960,041	-	-	263,960,041	37.93%	42.15%
Huang Hsiu Duan, Helen (Note 2)	650,000	265,998,041	34,507,500	301,155,541	43.28%	48.09%
Aberdeen Asset Management Plc and its associate (Note 3)	55,600,000	-	-	55,600,000	7.99%	8.88%
Webb David Michael	12,042,000	-	22,792,000	34,834,000	5.01%	5.56%

Notes:

1. The issued share capital of King Strike Limited was owned by Mr. Chen Ming Hsiung, Mickey (who passed away on 14 April 2016) as to 77.45% and Mdm. Huang Hsiu Duan, Helen as to 22.55%.
2. The Shares that Mdm. Huang Hsiu Duan, Helen is interested in or deemed to be interested in comprise her interest in 650,000 share options, spouse interest in 265,998,041 Shares and corporate interest in 34,507,500 Shares.
3. The 55,600,000 Shares are held in the capacity as investment manager by Aberdeen Asset Management Plc and its associates.

In the event that the Directors shall exercise in full the Repurchase Mandate and assuming that no Shares are issued or repurchased between the Latest Practicable Date and the date of repurchase, the total interests of the above substantial Shareholders would be increased to approximately the respective percentages shown in the last column above. Such increases will give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code and will not reduce the amount of Shares held by the public to be less than 25%. The Directors have no current intention to exercise the Repurchase Mandate to such extent as would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

2. SHARE PURCHASE MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, the Company repurchased 1,630,000 Shares on the Stock Exchange at an aggregate consideration of HK\$2,940,400 before expenses. The repurchases were effected by the Directors for the enhancement of shareholder value in the long term. Details of the Share repurchases are as follows:

15 July 2016	112,000	1.82	1.81	203,720

The repurchased Shares were cancelled on delivery of the share certificates during the year. The nominal value of the cancelled shares was transferred to the capital redemption reserve and the relevant aggregate consideration was paid out from the Company's retained profits.

Save as disclosed above, neither the Company nor any of its Subsidiaries had purchased, sold or redeemed any of the Shares during the previous six months immediately preceding the Latest Practicable Date.
