As at the Latest Practicable Date, a total of 45,642,927,432 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company and that the Capital Reorganisation will not become effective from the Latest Practicable Date to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 9,128,585,486 Shares.

Based on the total number of Shares in issue as at the Latest Practicable Date, assuming the Capital Reorganisation becomes effective prior to the AGM, the number of Shares in issue will be 4,564,292,743.2. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company from the Latest Practicable Date to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 912,858,548.64 Shares.

LETTER FROM THE BOARD

5. RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

A notice convening the AGM is set out on pages 14 to 18 of this circular.

Enclosed with this circular is a proxy form for use at the AGM. Whether or not you intend to attend the AGM or any adjournment thereof, you are requested to complete the proxy form in accordance with the instructions printed thereon and return the same to the branch share registrar and transfer office of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding the AGM or any adjournment thereof. Completion and return of the proxy form will not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish. The Directors believe that the proposed grant of the General Mandates and the proposed re-election of the retiring Directors are in the best interests of the Company and its Shareholders as a whole. The Directors therefore recommend the Shareholders to vote in favour of such resolutions as set out in the Notice at the AGM.

Yours faithfully,
For and on behalf of the Board
Zhang Xi
Chairman

The following is the explanatory statement required to be sent to shareholders of the Company under Rule 10.06(1)(b) of the Listing Rules to provide requisite information for Shareholders to make an informed decision whether to vote for or against the resolution to approve the Repurchase Mandate.

I. Share capital

As at the Latest Practicable Date, the issued share capital of the Company comprised 45,642,927,432 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased and that the Capital Reorganisation will not become effective after the Latest Practicable Date up to the passing of the relevant resolution at the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 4,564,292,743 Shares, representing 10% of the issued share capital of the Company as at the date of passing of the relevant resolution at the AGM.

Based on the total number of Shares in issue as at the Latest Practicable Date, assuming the Capital Reorganisation becomes effective prior to the AGM, the number of Shares in issue will be 4,564,292,743.2. Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date up to the passing of the relevant resolution at the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 456,429,274.32 Shares.

II. Reasons for repurchases

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders as a whole. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and its Shareholders as a whole.

III. Funding of repurchases

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-Laws, the Listing Rules and the applicable laws of Bermuda. A listed company may not repurchase its own shares on the Main Board of the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. The laws of Bermuda provide that the amount to be paid in connection with a Share repurchase may only be paid out of the capital paid up on the relevant purchased Shares or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. The amount of premium payable on a repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium account of the Company. It is envisaged that the funds required for any repurchase under the Repurchase Mandate would be derived from such sources.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2010 in the event that the repurchase of Shares under the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

IV. Shares repurchases made by the company

The Company had not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the last six months preceding the Latest Practicable Date.

V. Share prices

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the twelve months up to the Latest Practicable Date were as follows:

Month	Price per share

2010		
April	0.034	0.026
May	0.027	0.015

July	0.021	0.018
August	0.023	0.016
September	0.021	0.017
October	0.029	0.018
November	0.020	0.017
December	0.022	0.016
2011		
January	0.021	0.019
February	0.028	0.020
March	0.029	0.020
April (up to the Latest Practicable Date)	0.039	0.028

VI. Undertaking and disclosure of interests

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, has any present intention to sell any Shares to the Company or its subsidiaries if the Repurchase Mandate is approved by the Shareholders.

No connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company or its subsidiaries and no such person has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

VII. Takeovers Code

If as a result of repurchase of Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert (as interpreted according to the Takeovers Code), depending on the level of the increase of the shareholder's interest, could obtain or consolidate control of our Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge of the Directors, the following Shareholders were interested in 5% or more of the issued Shares as recorded in the register of interests in shares and short position of the Company under Section 336(1) of Part XV of the SFO:

Name of Shareholder	Nature of interest	Number of Shares	Approximate percentage of shareholding as at the Latest Practicable Date	Approximate percentage of shareholding if the Company exercise in full the power to repurchase Shares (Note 2)
Ng Leung Ho (Note 1)	Beneficial owner	6,000,000,000	13.15%	14.61
Wong Hip Keung	Beneficial owner	3,500,000,000	7.67%	8.52
Wong Lai Hop	Beneficial owner	3,105,000,000	6.80%	7.56
So Chi Ming (Note 1)	Beneficial owner	10,000,000,000	21.91%	24.34
Global Zone International Limited	Beneficial owner	2,940,000,000	6.44%	7.16

Notes:

- (1) All these underlying shares can be converted into an aggregate of 16,000,000,000 ordinary shares of the Company upon exercise of the conversion rights under the convertible notes in the aggregate principal amount of HK\$160,000,000 at a conversion price of HK\$0.01 per share.

- (2) The percentages were calculated based on the Company's issued share capital of 45,642,927,432 Shares as at the Latest Practicable Date and on the assumptions that there is no other change in the issued share capital of the Company and that the Capital Reorganisation will not become effective before the AGM and that none of the conversion rights attached to the convertible notes of the Company and options under the share option scheme adopted by the Company on 19 November 2001 are exercised prior to the AGM.

In the event that the Directors shall exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate and assuming there is no other change in the issued share capital of the Company, the Capital Reorganisation will not become effective and no exercise of the conversion rights attached to the convertible notes of the Company and options under the share option scheme adopted by the Company on 19 November 2001 before the AGM, the interest of the above substantial Shareholders would be increased to the approximate percentage as shown in the last column above.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases under the Repurchase Mandate. The Company will not repurchase shares to such extent as to result in the amount of Shares held by the public being reduced to less than 25% of the total share capital of the Company.
