Lukfook Group
Honoured with “2019 Hong Kong Awards for Environmental Excellence” for its
Contributions on Environmental Sustainability

(20 Jul 2020) ----- **Luk Fook Holdings (International) Limited** (“Lukfook” / the “Group”) (Stock Code: 00590) is pleased to announce that it has been accredited the Certificate of Merit under the “Manufacturing and Industrial Services” Category in “2019 Hong Kong Awards for Environmental Excellence”(HKAEE), in recognition of the Group’s outstanding achievements in environmental management.

Mr. Wong Wai Sheung, Chairman and Chief Executive Officer of the Group said, “The Group has long been facilitating green production. We have set out relevant environmental guidelines and strategies in our operations and manufacturing procedures. Also, we actively implemented measures to improve workflow to achieve energy saving and waste reduction and apply them onto our manufacturing processes, administration and retail business. Besides, the Group strives to enhance environmental awareness among our staff members through training and strengthening our environmental management system. Our management regularly monitors and reviews on its effectiveness in an aim to stay committed to sustainable development.”

The Group has been dedicated to promoting environmental protection with enthusiasm in environmental affairs to make Hong Kong a better and cleaner place to live. Gaining the recognition again has clearly affirmed the Group’s contributions on environmental sustainability.

The HKAEE is an environmental award that aims at achieving excellent environmental performance. It is led by the Environmental Campaign Committee alongside the Environmental Protection Department and in conjunction with nine organizations. It aims to encourage corporations and organizations to implement environmental management, to measure their commitment and performances within the industry and to recognize organisations with excellent performance on environmental management.
