**Lukfook Group**  
**Awarded "Good MPF Employer" by MPFA for Five Consecutive Years**

(10 October 2023) — **Luk Fook Holdings (International) Limited** ("Lukfook" / the "Group") (Stock Code: 00590) is pleased to announce that the Group has been honoured the "Good MPF Employer 5 Years+ Award" in the "Good MPF Employer 2022-23" organised by the Mandatory Provident Fund Schemes Authority ("MPFA"). This marks the fifth time the Group has received the distinction in attaching importance to the retirement protection of its employees, along with sweeping two special awards, namely, "e-Contribution Award" and "MPF Support Award" for its value-added services and support for its employees. The Group has won these three awards in recognition of its efforts in the use of electronic submission of MPF contributions and active promotion of MPF schemes.

**Mr. Wong Wai Sheung, Chairman and Chief Executive Officer** of Lukfook Group, said, "Since the inception of the Group, we have always believed in a 'people-focus' management philosophy. Our employees are valuable corporate assets. The Group is committed to providing extensive benefits and retirement protection to our staff. In addition to fulfilling our MPF obligations, the Group also offers a diverse range of benefits to our employees to ensure that they can achieve work-life balance as well as life security."

The Group also provides additional retirement benefits to its employees, including three different contribution platforms for them to choose from. Given the importance of retirement protection, an introduction to MPF on the training program for new employees about different MPFs' functions, fees and performance is incorporated, so as to provide them with an in-depth understanding of MPF for better retirement protection and to assist them in making proper arrangements at an early stage.

"The Good MPF Employer Award", established by the MPFA, aims to acknowledge exemplary employers' efforts in fostering and enhancing retirement protection of their employees, and encourage employers to provide better retirement welfare for their employees.
