INSIDE INFORMATION SIGNIFICANT DECREASE IN LOSS

This announcement is made by Mason Group Holdings Limited (the "Company", together with its subsidiaries, the "Group") under Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company is pleased to announce that, based on the preliminary review of the management accounts of the Group for the six months ended 30 June 2017, it is expected that the Group will record a significant decrease (i.e. less negative) in the loss attributable to shareholders of the Company by more than 50% as compared to the same for the corresponding period in 2016. Such decrease is primarily attributable to (i) the revenue generated from the businesses acquired in the last quarter of 2016 which are engaged in medical consultation and laboratory services and mother-infant-children retail business in China and (ii) a significant drop in the net fair value loss on financial assets held for trading.

The information contained in this announcement is based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2017 and the information currently available to the Board. Such information has not been reviewed by the Group's auditor or the audit committee of the Company and may be subject to adjustments. Shareholders of the Company and potential investors should read the Group's unaudited interim results announcement for the six months ended 30 June 2017, which is expected to be published at the end of August 2017.
