CONTINUING CONNECTED TRANSACTION CAR PARK CONSULTANCY AGREEMENT

THE NEW AGREEMENT

Reference is made to the announcement of the Company dated 6 November 2019 in relation to the Existing Agreement. Such Existing Agreement will expire on 31 July 2021.

The Board announces that on 30 July 2021, Whirlwind Security (a wholly-owned subsidiary of the Company) (as consultant) entered into the New Agreement with E. M. Parking (as service user), pursuant to which E. M. Parking agreed to appoint Whirlwind Security for the provision of car park consultancy and management services.

LISTING RULES IMPLICATIONS

As E. M. Parking is an indirect wholly-owned subsidiary of Henderson Land, which in turn is a holding company of the Company, E. M. Parking is an associate of Henderson Land and thus a connected person of the Company under the Listing Rules. The New Agreement therefore constitutes a continuing connected transaction for the Company under Chapter 14A of the Listing Rules.

Given that one of the applicable percentage ratios in respect of the highest annual cap of the Amounts Payable by E. M. Parking to the Consultant under the New Agreement exceeds 0.1% but all of them are less than 5%, the New Agreement is subject to the reporting, announcement and annual review requirements but is exempt from the circular (including independent financial advice) and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

 - (iii) by either Party by serving the other Party a three months' advance written notice.

BASIS OF DETERMINATION OF THE ANNUAL CAPS

In determining the rate of the Consultancy Fee and the Incentive Fee, the Company has taken into account the prevailing market rate of consultancy fee and incentive fee for similar type of car park consultancy and management services. In determining the annual caps for the Amounts Payable, the Company has taken into account (i) the estimated annual amount of Costs-on-Account payable by E. M. Parking to the Consultant taking into account the annual costs of operating the Parking Facility with reference to the amounts of the expenses that may be incurred in relation to the items under the Direct Operating Expenses; (ii) the estimated annual Consultancy Fee calculated based on the estimated Direct Operating Expenses which may be payable by E. M. Parking to the Consultant; and (iii) the estimated annual Incentive Fee calculated based on the estimated Monthly Gross Revenue.

The following table sets out the annual cap amounts of the Amounts Payable for the respective financial year below:

	Year ending 31 December 2021 <i>HK\$</i>	Year ending 31 December 2022 <i>HK\$</i>	Year ending 31 December 2023 <i>HK\$</i>
Existing Agreement	2,900,000	---	---
New Agreement	1,450,000	5,100,000	3,100,000
Total	<u>4,350,000</u>	<u>5,100,000</u>	<u>3,100,000</u>

REASONS FOR AND BENEFITS OF ENTERING INTO THE NEW AGREEMENT

The Company considers that the entering into of the New Agreement will generate revenue for the Group as well as promote the e-Parking and professional car park management services of the Group. The provision of the consultancy and management services under the New Agreement is the Group's first project to provide services of this kind to car park facility outside the Group, which will build up a good reference or profile for the Group's consultancy and management business in this area.

The terms of the New Agreement were determined after arm's length negotiations between the Parties. The Directors (including the independent non-executive Directors) are of the opinion that the New Agreement was entered into (i) in the ordinary and usual course of business of the Group; (ii) on normal commercial terms after arm's length negotiations between the Parties; and (iii) on terms that are fair and reasonable and in the interests of the Company and its shareholders as a whole.

LISTING RULES IMPLICATIONS

As E. M. Parking is an indirect wholly-owned subsidiary of Henderson Land, which in turn is a holding company of the Company, E. M. Parking is an associate of Henderson Land and thus a connected person of the Company under the Listing Rules. The New Agreement therefore constitutes a continuing connected transaction for the Company under Chapter 14A of the Listing Rules.

Mr. Lee Ka Shing, the Chairman and Chief Executive Officer of the Company, is regarded as materially interested in the transactions contemplated under the New Agreement through his deemed interest in the shares of Henderson Land. The Board had delegated the power to consider and approve all connected transactions of the Company to the Company's audit committee. As Mr. Lee Ka Shing is not a member of the audit committee, he has not voted on the relevant Board resolution(s) in respect of the transactions contemplated under the New Agreement.

Given that one of the applicable percentage ratios in respect of the highest annual cap of the Amounts Payable by E. M. Parking to the Consultant under the New Agreement exceeds 0.1% but all of them are less than 5%, the New Agreement is subject to the reporting, announcement and annual review requirements but is exempt from the circular (including independent financial advice) and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
