GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

On 28 March 2019, the Board announced the final results of the Group for the year ended 31 December 2018 and gave the Shareholders the notice of the AGM to be held on Wednesday, 29 May 2019. Resolutions will be proposed at the AGM to seek, inter alia, Shareholders' approval for (i) the renewal of the General Mandate enabling the Directors to issue and allot new Shares up to 20% of the total number of issued Shares, amounting to 836,074,218 Shares, as at the date of passing such resolution, on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution at the AGM; (ii) the Buyback Mandate enabling the Company to repurchase its own shares and up to 10% of the total number of issued Shares as at the date of passing of such resolution; and (iii) the grant of the General Mandate enabling the Directors to issue and allot Shares repurchased by the Company under the Buyback Mandate up to a

LETTER FROM THE BOARD

maximum of 10% of the total number of issued Shares as at the date of passing of such resolution. This letter contains the explanatory statement in compliance with the Listing Rules and to give all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the resolutions to approve the purchase by the Company of its own shares.

One of the purposes of this circular is to give you the explanatory statement which is set out in the Appendix I to this circular containing the requisite information as required by the relevant provisions in the Listing Rules, which regulates the repurchase by companies with a primary listing on the Stock Exchange of their own shares on the Stock Exchange.

RE-ELECTION OF DIRECTORS AND CONTINUOUS APPOINTMENT OF MR. WONG YIM SUM AND MR. LEE SIU MAN, ERVIN

In accordance with the Bye-laws, the Directors, namely, Mr. Wong Yim Sum and Mr. Tsui Ka Wah will retire by rotation and, being eligible, will offer themselves for re-election at the forthcoming AGM.

Further pursuant to Appendix 14 to the Listing Rules, it is recommended that serving more than nine years could be relevant to the determination of a non-executive director's independence. If an independent non-executive director serves more than nine years, any further appointment of such independent non-executive director should be subject to a separate resolution to be approved by shareholders.

Mr. Wong Yim Sum has been appointed as independent non-executive Director for more than nine years. Nonetheless, the Company has received from Mr. Wong a confirmation of independence pursuant to Rule 3.13 of the Listing Rules and Mr. Wong has not engaged in any executive management of the Group. Taking into consideration of his independent scope of work in the past years, the Directors consider Mr. Wong to be independent under the Listing Rules despite the fact that he has served the Company for more than nine years.

Mr. Lee Siu Man, Ervin has been appointed as independent non-executive Director for more than nine years. Nonetheless, the Company has received from Mr. Lee a confirmation of independence pursuant to Rule 3.13 of the Listing Rules and Mr. Lee has not engaged in any executive management of the Group. Taking into consideration of his independent scope of work in the past years, the Directors consider Mr. Lee to be independent under the Listing Rules despite the fact that he has served the Company for more than nine years.

In order to enable Shareholders to make an informed decision on whether to vote for or against the resolution to approve the re-election of Directors, details of Mr. Wong Yim Sum, Mr. Lee Siu Man, Ervin and Mr. Tsui Ka Wah are set out in the Appendix II to this circular.

VOTING BY POLL

As required under Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Therefore, all the resolutions put to the vote at the AGM will be taken by way of poll.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that (i) the proposals in respect of the general mandates to issue and repurchase Shares, and extension of general mandate to issue and allot Shares repurchased, (ii) the re-election of the Directors and (iii) approve and confirm the continuous appointment of the independent non-executive director who has served the Company for more than nine years are in the interests of the Company and the Shareholders. We therefore recommend that the Shareholders should vote in favour of the relevant resolutions to be proposed at the AGM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors of collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material aspects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for purpose of interpretation.

By Order of the Board
Multifield International Holdings Limited
Lau Chi Yung, Kenneth
Chairman

1. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Share but believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its assets or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

2. SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares comprised 4,180,371,092 Shares.

Subject to the passing of the resolution no. 6 of notice of the AGM, the Company would be allowed under the Buyback Mandate to repurchase a maximum of 418,037,109 Shares (10% of the total number of issued Shares as at the date of passing of such resolution) on the basis that no further Shares will be issued or repurchased prior to the date of the forthcoming AGM.

3. FUNDING OF REPURCHASES

Repurchases must be funded entirely from the Company's available cash flow or working capital facilities, which will be legally available for the purpose in accordance with the Bye-laws and the laws of Bermuda. The Company is empowered by its memorandum of association and bye-laws to purchase the Shares. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium or contributed surplus accounts of the Company. Under the laws of Bermuda, the shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced so that the shares may be subsequently re-issued.

If the Buyback Mandate were exercised in full, there might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2018). However, the Directors do not propose to exercise the Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS' DEALINGS AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their associates have notified the Company that they currently intend to sell shares to the Company or its subsidiaries in the event that the proposal is approved by the Shareholders.

No connected person has notified the Company that he/she currently intends to sell shares to the Company nor has he/she undertaken not to sell any of such shares held by him/her to the Company in the event that the Company is authorised to make repurchases of its own shares.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months were as follows:

6. SHARE REPURCHASES MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, no Shares have been repurchased by the Company.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Buyback Mandate in accordance with the Listing Rules and the laws of Bermuda so far as the same may be applicable and in accordance with the regulations set out in the Bye-laws.

8. TAKEOVERS CODE CONSEQUENCES

If, as a result of a repurchase of securities, a substantial shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a shareholder or group of shareholders acting in concert, could obtain or consolidate control of the Company or become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

At present, the substantial shareholder, Power Resources Holdings Limited ("Power Resources"), representing 66.91% of the total number of issued Shares. In the event that the Directors exercise in full the power to repurchase the shares, the percentage shareholding of Power Resources would be increased to approximately 74.34%. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any purchase to be made under the Buyback Mandate and have no intention to exercise the Buyback Mandate to such extent as to result in the number of shares which are in the hands of the public falling below 25% of the total number of issued Shares.
