### **PROFIT WARNING**

This announcement is made by the Company pursuant to Rule 13.09(1) of the Listing Rules.

The Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to make a reduced loss for the six months ended 30 June 2013.

**Shareholders of the Company and potential investors should exercise caution when dealing in the shares or other securities of the Company.**

This announcement is made by Sino-Tech International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that the Group is expected to make a reduced loss for the six months ended 30 June 2013 (the “**Reporting Period**”), as compared with the results for the six months ended 30 June 2012 (the “**Corresponding Period**”). The reduction in loss was mainly due to, among others, (i) the turnaround of the continuing operation in the electronic products segment, (ii) the discontinuation of the loss making business in the logistics services segment and (iii) gain on disposal of 50% equity interest in a subsidiary.

The electronic products segment continued to improve its performance and recorded a profit for the Reporting Period as compared with a loss for the Corresponding Period. The turnaround of the segment was mainly due to an increase in turnover and tightened cost control.

\* For identification purpose only

As at the date of this announcement, the winding-up of CITIC Logistics (International) Company Limited (“**CLI**”) is still in process. The financial results and position of CLI together with its subsidiaries and associate (the “**CLI Group**”), however, were deconsolidated from the Group on 27 December 2012. The discontinuation of the loss making business of the CLI Group in the logistics services segment thereby improved the overall performance of the Group during the Reporting Period.

During the Reporting Period, a gain was recorded upon the disposal of 50% equity interest in a subsidiary of the Company to an independent third party. However, no similar gain was recorded for the Corresponding Period.

As the Company is still in the process of finalising the interim results of the Group, the information contained in this announcement is only based on a preliminary assessment by the Board with reference to the management accounts of the Group and on the information available for the time being, but not on any data or information audited or reviewed by the auditor of the Company. Financial information and other details of the Group will be disclosed in the interim results announcement of the Group for the Reporting Period.

**Shareholders of the Company and potential investors should exercise caution when dealing in the shares or other securities of the Company.**
