In addition, he resigned as the chairman of the Company and an executive Director with effect from 26 February 2016. As Mr. Li is a connected person of the Company, the entering into of the Deed of Further Variation constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules. Therefore, the entering into of the Deed of Further Variation and the transactions contemplated thereunder are subject to reporting, announcement and the independent Shareholders' approval requirements pursuant to the Listing Rules.

The SGM will be convened by the Company to consider and, if thought fit, approve the Deed of Further Variation and the transactions contemplated thereunder by way of poll. The Independent Board Committee (comprising all the independent non-executive Directors) has been established to give recommendations to the Independent Shareholders on the Deed of Further Variation and the transactions contemplated thereunder. GENERAL

A circular containing, among other matters, (i) details of the Deed of Further Variation; (ii) a letter from the Independent Board Committee containing its recommendation to the Independent Shareholders; (iii) a letter from the Independent Financial Adviser containing its advice to the Independent Board Committee and the Independent Shareholders; and (iv) the notice of the SGM, will be despatched to the Shareholders on or before 9 January 2017.

BACKGROUND

Reference is made to the announcements dated 23 September 2009, 14 November 2014, 17 November 2014 and 9 January 2015, and the circulars dated 19 October 2009 and 19 December 2014 of the Company in relation to, among other things, (1) the issue of the convertible notes; and (2) the alteration of certain terms and conditions of the then outstanding Convertible Notes. Pursuant to the S&P Agreement, on 16 November 2009, the Company issued the convertible notes in the total principal amount of HK\$950,400,000 for partial settlement of the consideration for the acquisition of CLI. Pursuant to the Deed of Variation, on 9 January 2015, the maturity date of the then outstanding Convertible Notes was extended from 15 November 2014 to 31 December 2016 and the Original Conversion Price of HK\$0.12 per Share was adjusted to the Conversion Price of HK\$0.035 per Share.

As at the date of this announcement, Convertible Notes in an aggregate principal amount of HK\$260,400,000, convertible into Shares at the Conversion Price of HK\$0.035 per Share, are outstanding and held by the Noteholder. The outstanding Convertible Notes are unsecured and shall mature on 31 December 2016.

In view of the financial conditions of the Company, after arm's length negotiations, on 14 December 2016 (after trading hours), the Company and the Noteholder entered into the Deed of Further Variation in respect of the proposed alteration of certain terms and conditions of the outstanding Convertible Notes. Set out below are the principal terms of the Deed of Further Variation.

DEED OF FURTHER VARIATION

Date: 14 December 2016 (after trading hours)

Parties: (i) the Company
(ii) the Noteholder

Alteration of Terms

Pursuant to the Deed of Further Variation, it is agreed that the maturity date of the outstanding Convertible Notes will be extended from 31 December 2016 to 31 January 2019.

Save for the above proposed alteration under the Deed of Further Variation, all other terms and conditions of the outstanding Convertible Notes shall remain unchanged.

The Alteration of Terms was arrived at after arm's length negotiations between the Company and the Noteholder with reference to, among others, the existing financial condition and resources of the Group.

Conversion Shares

Assuming full conversion of the outstanding Convertible Notes in the principal amount of HK\$260,400,000 at the Conversion Price of HK\$0.035 per Share, 7,440,000,000 Conversion Shares will be allotted and issued by the Company, representing:

- (i) approximately 53.57% of issued share capital of the Company as at the date of the Deed of Further Variation; and
- (ii) approximately 34.88% of issued share capital of the Company as enlarged by the allotment and issue of the Conversion Shares assuming none of the outstanding options of the Company is exercised.

Conversion Price

The Conversion Price of HK\$0.035 per Share represents:

- (i) a discount of approximately 7.89% to the closing price of the Shares of HK\$0.0380 per Share as quoted on the Stock Exchange on 14 December 2016, being the date of the Deed of Further Variation;
- (ii) a discount of approximately 9.33% to the average closing price of HK\$0.0386 per Share as quoted on the Stock Exchange for the last five trading days up to and including the date of the Deed of Further Variation; and
- (iii) a discount of approximately 11.62% to the average closing price of HK\$0.0396 per Share as quoted on the Stock Exchange for the last ten trading days up to and including the date of the Deed of Further Variation.

Conditions Precedent

The Alteration of Terms shall become effective upon the fulfillment of all the following conditions precedent:

- (a) the passing of ordinary resolution(s) by the Independent Shareholders at the SGM approving (i) the Deed of Further Variation and the transactions contemplated thereunder, (ii) upon the exercise of the conversion rights attaching to the outstanding Convertible Notes, the allotment and issue of the Conversion Shares in accordance with the conditions of the Convertible Notes as varied by the Deed of Further Variation;
- (b) the approval from Noteholder of more than 50% of the aggregate principal amount of the outstanding Convertible Notes approving the Alteration of Terms having been obtained by the Company;
- (c) the Listing Committee having granted or having agreed to grant the listing of, and permission to deal in, the Conversion Shares falling to be allotted and issued upon an exercise of the conversion rights attaching to the outstanding Convertible Notes in accordance with the conditions of the Convertible Notes as varied by the Deed of Further Variation; and
- (d) the Company having obtained from the Stock Exchange all requisite approval or consent to the Alteration of Terms as set out in the Deed of Further Variation.

The Alteration of Terms shall take effect on the date on which the Company notifies the Noteholder in writing the fulfillment of the conditions precedent as set out above, which date shall not be more than five business days after the fulfillment of the condition precedent last in time to be fulfilled.

None of the conditions precedent can be waived. If any of the conditions precedent above has not been fulfilled on or before 31 March 2017 (or such other date as may be agreed by the parties to the Deed of Further Variation in writing) the Deed of Further Variation shall lapse and be of no further effect and none of the parties to this Deed of Further Variation will have any claim against or liability to the other parties in respect of the Deed of Further Variation save for any antecedent breaches thereof.

As at the date of this announcement, condition (b) above has been fulfilled.

REASONS FOR ENTERING INTO THE DEED OF FURTHER VARIATION

The outstanding Convertibles Notes in an aggregate principal amount of HK\$260,400,000 will mature on 31 December 2016.

As reported in the 2015 Annual Report and the 2016 Interim Report, the Group incurred a loss of approximately HK\$23.2 million for the year ended 31 December 2015 and a further loss of approximately HK\$43.1 million for the six months ended 30 June 2016. Further, as at 30 June 2016, the Group's total assets were approximately HK\$384.3 million, majority of which comprised inventories of approximately HK\$89.5 million, trade and bills receivables of approximately HK\$206.6 million and bank balances and cash of approximately HK\$61.7 million. The Board is of the view that these assets are operational in nature and should not be liquidated for the purpose of funding the redemption of the outstanding Convertible Notes.

As stated in the 2016 Interim Report, the Company did not forecast that the Group could fully redeem the outstanding Convertible Notes by the maturity date (i.e. 31 December 2016). In this respect, the Company had negotiated with the Noteholder in relation to the alteration of terms of the Convertible Notes and at the same time, the Company had also considered fund raising possibility. Yet, in view of the recent financial performance and the financial position of the Group, the Company had not been able to secure any funds on terms acceptable to the Company to redeem the outstanding Convertible Notes.

Pursuant to the terms of the Deed of Further Variation, the outstanding Convertible Notes will mature on 31 January 2019, which will relieve the pressure on the Company to seek urgent funding to redeem the outstanding Convertible Notes. Further, as the Convertible Notes are zero coupon and do not carry any interest charges, the Company shall incur no interest payment to the Noteholder by entering into of the Deed of Further Variation.

Having considered the above, the Directors (excluding the independent non-executive Directors who will express their views after having considered the advice from the Independent Financial Adviser) are of the view that entering into of the Deed of Further Variation is in the interests of the Company and the Shareholders as a whole.

APPLICATION FOR LISTING

No application will be made by the Company for the listing of the outstanding Convertible Notes. Application will be made to the Listing Committee for the listing of, and permission to deal in, the Conversion Shares which may fall to be allotted and issued upon conversion of the outstanding Convertible Notes pursuant to the conditions of the Convertible Notes as amended by the Deed of Further Variation.

MANDATE FOR THE ISSUE OF THE CONVERSION SHARES

The Company will seek the grant of a specific mandate from the Independent Shareholders at the SGM to cater for the allotment and issue of the Conversion Shares upon conversion of the outstanding Convertible Notes pursuant to the conditions of the Convertible Notes as amended by the Deed of Further Variation.

EFFECT ON THE SHAREHOLDING STRUCTURE OF THE COMPANY

Assuming no other changes in the issued share capital of the Company from the date of this announcement up to the full conversion of the outstanding Convertible Notes by the Noteholder at HK\$0.035 per Share, the shareholding structure of the Company (i) as at the date of this announcement; and (ii) immediately upon full conversion of the outstanding Convertible Notes at HK\$0.035 per Share are illustrated as follows:

Name	As at the date of this announcement		Immediately upon full conversion of the outstanding Convertible Notes at Conversion Price (Note)	
	No. of Shares	Approximately %	No. of Shares	Approximately %
Mr. Li (or the Noteholder)	1,742,985,823	12.55	9,182,985,823	43.05
Public Shareholders	12,146,212,757	87.45	12,146,212,757	56.95
Total:	13,889,198,580	100.00	21,329,198,580	100.00

Note: It is for illustration purpose only as Mr. Li and parties acting in concert with him or successors of the holder(s) of the outstanding Convertible Notes individually will not directly or indirectly control or be interested in Shares of 30% or more in the Company pursuant to the terms of the S&P Agreement.

FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

The Company has not conducted any equity fund raising activities during the 12 months immediately preceding the date of this announcement.

As such, an application for the approval of the Alteration of the Terms will be submitted to the Stock Exchange by the Company.

Therefore, the entering into of the Deed of Further Variation and the transactions contemplated thereunder are subject to reporting, announcement and the Independent Shareholders' approval requirements pursuant to the Listing Rules.

The SGM will be convened by the Company to consider and, if thought fit, approve the Deed of Further Variation and the transactions contemplated thereunder by way of poll. Mr. Li together with his associates will abstain from voting in respect of the resolution(s) approving the Deed of Further Variation and the transactions contemplated thereunder at the SGM.
