**PROFIT WARNING**

This announcement is made by the Company pursuant to Rule 13.09 of the Listing Rules and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the SFO.

The Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to make a reduced loss for the Reporting Period.

**Shareholders of the Company and potential investors should exercise caution when dealing in the shares or other securities of the Company.**

This announcement is made by Ruixin International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that the Group is expected to report an estimated loss of around HK\$44.0 million for the year ended 31 December 2017 (the “**Reporting Period**”), as compared with the loss of approximately HK\$66.7 million for the year ended 31 December 2016 (the “**Corresponding Period**”). The reduction in loss was mainly due to, among others, (i) the decrease in operating loss in the Reporting Period; and (ii) the recognition of tax expenses in relation to the Hong Kong Inland Revenue Department enquiries of the Hong Kong Profits Tax of a subsidiary of the Company in respect of the years of assessment 2006/07 to 2014/15 in the Corresponding Period but not in the Reporting Period. These more than offset (i) the recovery of partial amounts due from former subsidiaries and the write-back of amounts due to former subsidiaries in the Corresponding Period; (ii) the expenses incurred in exploring business opportunities in Vietnam in the Reporting Period; and (iii) the increase in imputed interest expenses on convertible notes in the Reporting Period. The decrease in operating loss in the Reporting Period was mainly due to the reduction in loss from the electronic products business as a result of, among others, the increase in revenue and cost control measures.

## **THE FINANCIAL IMPACT FROM MODIFICATION OF TERMS OF CONVERTIBLE NOTES**

On 16 January 2017, the ordinary resolution of the special general meeting was duly passed and the extension of the maturity date of the outstanding convertible notes became effective. Immediately following the alteration of terms of convertible notes, the estimated financial effect of the modification was an increase of approximately HK\$32.9 million in other reserve and a transfer of a net amount of approximately HK\$28.9 million between the convertible notes reserve and accumulated losses with no profit or loss impact during the Reporting Period. For details, please refer to the Company’s interim report for the six months ended 30 June 2017. As at 31 December 2017, the principal amount of convertible notes remained outstanding was HK\$260.4 million and the maturity date is 31 January 2019.

As the Company is still in the process of finalising the annual results of the Group for the Reporting Period, the information contained in this announcement is only based on a preliminary assessment by the Board with reference to the management accounts of the Group and on the information available for the time being, but not on any data or information audited or reviewed by the auditor of the Company.
