BACKGROUND

References are made to the announcements dated 23 September 2009, 14 November 2014, 17 November 2014, 9 January 2015, 14 December 2016 and 16 January 2017, and the circulars dated 19 October 2009, 19 December 2014 and 29 December 2016 of the Company in relation to, among other things, (1) the issue of the Convertible Notes; and (2) the alteration of certain terms and conditions of the Convertible Notes pursuant to the Deed of Variation and the Deed of Further Variation 2016.

The outstanding Convertible Notes are unsecured and shall mature on 31 January 2019.

In view of the financial conditions of the Company, after arm's length negotiations, on 12 November 2018 (after trading hours), the Company and the Noteholder entered into the Deed of Further Variation 2018 in respect of the proposed alteration of certain terms and conditions of the Outstanding Convertible Notes.

On 12 November 2018 (after trading hours), a Letter of Agreement was entered into between the Company and the Noteholder, pursuant to which, among other matters, the Noteholder agreed to exercise his conversion right under the Convertible Notes to convert the outstanding Convertible Notes in an aggregate principal amount of HK\$102,000,000 at the Current Conversion Price of HK\$0.035 per Share (representing 2,914,285,714 Conversion Shares upon conversion) subject to the condition that the Approvals have been obtained by the Company. Upon completion of the conversion, the Outstanding Convertible Notes in an aggregate principal amount of HK\$158,400,000 shall mature on 31 January 2019.

Save for the above proposed Alteration of Terms, all other terms and conditions of the Outstanding Convertible Notes shall remain unchanged.

If any of the Conditions Precedent above has not been fulfilled on or before 31 March 2019 (or such other date as may be agreed by the parties to the Deed of Further Variation 2018 in writing), the Deed of Further Variation 2018 shall lapse and be of no further effect and none of the parties to the Deed of Further Variation 2018 will have any claim against or liability to the other parties in respect of the Deed of Further Variation 2018 save for any antecedent breaches thereof.

As at the date of this announcement, Condition Precedent (b) above has been fulfilled.

REASONS FOR ENTERING INTO THE DEED OF FURTHER VARIATION 2018

As at the date of this announcement, the Convertibles Notes in an aggregate principal amount of HK\$260,400,000 are outstanding and will mature on 31 January 2019.

As reported in the 2017 Annual Report and the 2018 Interim Report, the Group incurred a loss of approximately HK\$42.7 million for the year ended 31 December 2017 and a further loss of approximately HK\$30.5 million for the six months ended 30 June 2018. Further, as at 30 June 2018, the Group's total assets were approximately HK\$316.9 million, majority of which comprised inventories of approximately HK\$96.5 million, trade receivables of approximately HK\$152.0 million and bank balances and cash of approximately HK\$37.5 million. The Board is of the view that these assets are operational in nature and should not be liquidated for the purpose of funding the redemption of the outstanding Convertible Notes. As stated in the 2018 Interim Report, the Group had net liabilities of approximately HK\$26.5 million as at 30 June 2018 and the Group did not forecast that it could fully redeem the outstanding Convertible Notes by the maturity date (i.e. 31 January 2019).

In this respect, the Company had negotiated with the Noteholder in relation to the alteration of terms of the Convertible Notes. At the same time, the Company has also considered fund raising possibility, but in view of the recent financial performance and the financial position of the Group, the Company was unable to secure funds on terms acceptable to the Company to redeem the outstanding Convertible Notes.

Pursuant to the Letter of Agreement, the Noteholder will convert the Convertible Notes in an aggregate principal amount of HK\$102,000,000 at the Current Conversion Price of HK\$0.035, which will reduce the liabilities of the Company and help the Group return to a net asset position. As a result, the Group will be able to maintain itself as a going concern in the near future. The completion of the Alteration of Terms is conditional upon the full implementation of the Partial Conversion pursuant to the Letter of Agreement. The Alteration of Terms and the Partial Conversion are on commercial terms agreeable to both parties which are a result of arm's length negotiations between the Noteholder and the Company.

The Alteration of Terms, in particular the reduction in conversion price, will give incentive to the Noteholder to consider the option of converting part or all of the Outstanding Convertible Notes. Should the Noteholder exercise his conversion rights for the issuance of Conversion Shares, it will allow the Company to free up its financial resources from the repayment of Outstanding Convertible Notes and can be used for other working capital and improve the financial position of the Group by capitalising liabilities.

Pursuant to the Deed of Further Variation 2018, the Outstanding Convertible Notes will mature on 31 January 2022, which will relieve the imminent pressure on the Company to seek urgent funding to redeem the Outstanding Convertible Notes. Further, as the Outstanding Convertible Notes are zero coupon and do not carry any interest charges, the Company shall incur no interest payment to the Noteholder by entering into of the Deed of Further Variation 2018.

Having considered the above, the Directors (excluding the independent non-executive Directors who will express their views after having considered the advice from the Independent Financial Adviser) are of the view that entering into of the Deed of Further Variation 2018 is in the interests of the Company and the Shareholders as a whole.

APPLICATION FOR LISTING

No application will be made by the Company for the listing of the Outstanding Convertible Notes. Application will be made to the Listing Committee for the listing of, and permission to deal in, the Conversion Shares which may fall to be allotted and issued upon conversion of the Outstanding Convertible Notes pursuant to the conditions of the Convertible Notes as amended by the Deed of Further Variation 2018.

MANDATE FOR THE ISSUE OF THE CONVERSION SHARES

The Company will seek the grant of a specific mandate from the Independent Shareholders at the SGM to cater for the allotment and issue of the Conversion Shares upon conversion of the Outstanding Convertible Notes pursuant to the conditions of the Convertible Notes as amended by the Deed of Further Variation 2018.

EFFECT ON THE SHAREHOLDING STRUCTURE OF THE COMPANY
