Your attention is drawn to the additional information set out in Appendix I (Explanatory Statement on the Buyback Mandate), Appendix II (Procedure by which the Shareholders may demand a poll at a general meeting pursuant to the Bye-laws) and Appendix III (Details of Directors proposed to be re-elected at the Annual General Meeting) to this circular.

Yours faithfully,
On behalf of the Board
Poon Bun Chak
Chairman

This Appendix serves an explanatory statement, as required by the Listing Rules, containing requisite information to enable Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Buyback Mandate.

1. REASONS FOR REPURCHASES

Though the Directors have no present intention to repurchase shares of the Company, they believe that the flexibility afforded by the Buyback Mandate would be beneficial to the Company and its shareholders. At any time in the future when shares are trading at a discount to their underlying value, the ability of the Company to repurchase shares will be beneficial to those shareholders who retain their investment in the Company since their percentage interests in the assets of the Company would increase in proportion to the number of shares repurchased by the Company.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised of 1,326,188,104 Shares. Subject to the passing of the Ordinary Resolution referred to in item 5 of the notice of Annual General Meeting, the Company would be allowed under the Buyback Mandate to repurchase a maximum of 132,618,810 Shares, representing 10% of the issued share capital of the Company, on the basis that no Shares will be issued or repurchased prior to the date of the Annual General Meeting.

3. FUNDING OF REPURCHASES

In repurchasing shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and Bye-laws of the Company and all applicable laws, including the laws of Bermuda.

Bermuda law provides that the purchase of shares may only be effected out of the capital paid up on the shares to be repurchased, out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a new issue of shares of the Company made for the purpose of repurchase. Any amount of premium payable on the repurchase over the par value of the shares of the Company to be purchased must be provided for out of the funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account before the shares are repurchased.

If the Buyback Mandate was exercised in full at any time during the proposed repurchase period, there might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the Annual Report of the Company for the year ended 31 March 2005). However, the Directors do not propose to exercise the Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS' DEALINGS AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the Buyback Mandate is approved by the Shareholders.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he or she has a present intention to sell any Shares to the Company or that he or she has undertaken not to sell any Shares held by him/her to the Company in the event that the Buyback Mandate is approved by Shareholders.

5. MARKET PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months were as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2004		
July	7.000	6.100
August	6.950	6.100
September	7.350	6.400
October	7.250	6.400
November	8.000	6.750
December	7.850	6.850
2005		
January	7.400	6.550
February	7.400	6.800
March	7.300	6.250
April	6.750	6.050
May	6.900	5.950
June	6.600	6.200

6. DISCLOSURE OF INTEREST

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases under the Buyback Mandate in accordance with the Listing Rules and laws of Bermuda.

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company or become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Messrs Poon Bun Chak, Poon Kei Chak, Poon Kwan Chak and Poon Kai Chak, all of them are executive directors of the Company, in aggregate were beneficially interested in 739,442,904 Shares representing 55.76% of the issued capital of the Company. In the event that the Directors exercised in full the power to repurchase Shares in accordance with the terms of the Ordinary Resolution to be proposed at the Annual General Meeting, the interests of the abovesaid executive directors would be increased to approximately 61.96% of the issued share capital of the Company. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases to be made under the Buyback Mandate.

7. SHARE REPURCHASES MADE BY COMPANY

No repurchase of Shares have been made by the Company (whether on the Stock Exchange or otherwise) in the 6 months preceding the date of this circular. In addition, the Company has no intention to repurchase Shares to such an extent which will result in the amount of Shares held by the public being reduced to less than 25% of the issued share capital of the Company.

**APPENDIX II PROCEDURE BY WHICH THE SHAREHOLDERS MAY DEMAND
A POLL AT A GENERAL MEETING PURSUANT TO THE BYE-LAWS**

The following paragraphs set out the procedure by which the Shareholders may demand a poll at a general meeting of the Company (including the Annual General Meeting) pursuant to the Bye-laws.

According to clause 66(1) of the Bye-laws, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded by:
