POSITIVE PROFIT ALERT

This announcement is made by Tian An China Investments Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”), following the announcements made by the Company on 8th May, 2014, 11th July, 2016, 13th September, 2016 and 22nd December, 2016, wishes to confirm to the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts for the year ended 31st December, 2016, the net profit of the Group for the year ended 31st December, 2016 will show a significant increase as compared with that for the year ended 31st December, 2015. The primary reasons for the increase were due to (i) the disposal of certain subsidiaries; and (ii) the purchase of approximately 90.65% interest in a listed company at a discount. These two reasons resulted in the gain of approximately HK\$5,500 million in total.

The Company is still in the process of finalising the final results of the Group for the year ended 31st December, 2016. The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31st December, 2016, which may be subject to adjustments upon the finalisation of the review by the auditor of the Company. The final results of the Group for the year ended 31st December, 2016 will be published by the Company within the timeframe stipulated under the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

On behalf of the Board
