This announcement is made by Global Mastermind Capital Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (“**SFO**”).

* For identification purposes only

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review on the unaudited consolidated management accounts of the Group for year ended 31 December 2015 and the information currently available, the Group is expected to record a significant increase in the loss for the year, attributable to owners of the Company for the year ended 31 December 2015 as compared to the loss of approximately HK\$17,604,000 for the year ended 31 December 2014. Such expected increase was mainly attributable to (i) the increase in the loss arising in fair value change of financial assets at fair value through profit and loss and (ii) the increase in the reclassification from equity to profit or loss on impairment of available-for-sale financial assets, at fair value which partly offset the net gain on disposal of subsidiaries.

Since the Company is still finalizing the unaudited consolidated management accounts of the Group for the year ended 31 December 2015, the information contained in this announcement is only based on the preliminary assessment by the management of the Company in accordance with the unaudited consolidated management accounts of the Group for the year ended 31 December 2015 and is not based on any figures or information which has/have been audited by the auditors or reviewed by the audit committee of the Company. Shareholders of the Company and potential investors are advised to read carefully the annual results announcement of the Group for the year ended 31 December 2015, which will be published in due course.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
