ANNOUNCEMENT

MHF and the Investor entered into the Facility Agreement and MHF created the Share Charge in favour of the Investor.

The Investor has agreed to make available to MHF an interest-bearing term loan facility of up to HK\$8 million and secured by the Share Charge to finance the regulatory capital requirements and general working capital requirements of MHS.

The assets subject to the Share Charge shall be released if the Investor is satisfied that all the Liabilities have been irrevocably paid in full and that all facilities which might give rise to Liabilities have terminated.

Investors and shareholders of the Company should note that the Company has not entered into any legally-binding documentation for the Proposed Transaction such as the Restructuring Agreement and even if and when such documentation is entered into, there is no assurance that the Proposed Transaction will complete.

A proposal dated 30 September 2009 has been submitted by the Company to the Stock Exchange in respect of the Proposed Transaction and resumption of trading of its shares on the Stock Exchange.

At the request of the Company, trading in the shares of the Company on the Stock Exchange has been suspended since 2:54 p.m. on 18 March 2008 and will remain suspended until further notice.

INTRODUCTION

Reference is made to the announcement of the Company dated 15 July 2009. Terms used in this announcement shall have the same meanings as those defined in the announcement of the Company dated 15 July 2009 unless otherwise defined.

Following the entering into of the Letter, the Liquidators and the Investor have continued to work closely to formulate plans and take steps to finalise the Restructuring Agreement. In the meantime, in order to facilitate the financing of MHS, MHF and the Investor entered into the Facility Agreement and MHF created the Share Charge in favour of the Investor.

FACILITY AGREEMENT

Pursuant to the Facility Agreement, the Investor has agreed to make available to MHF an interest-bearing term loan facility of up to HK\$8 million and secured by the Share Charge to finance the regulatory capital requirements and general working capital requirements of MHS from and including 22 September 2009 to 14 April 2010. MHF shall repay each Loan together with the accrued interest (which is calculated at a rate of five per cent. per annum) on the repayment date as determined in accordance with the Facility Agreement. Interest on an overdue amount on each Loan is payable by MHF at a rate of 12 per cent. per annum.

The Loan will enable MHF to on-lend the funds to MHS for the purposes of satisfying the regulatory and general working capital requirements of MHS, by means of a subordinated loan which is subject to the prior approval of the SFC. MHS will make the relevant application to the SFC. MHF does not intend to draw down on the Loan until the requisite approval is obtained from the SFC.

SHARE CHARGE

Pursuant to the Share Charge, MHF (as legal owner of substantially all the MHS Shares and as beneficial owner of all the MHS Shares and as continuing security for the due and punctual payment and discharge of all Liabilities) charges in favour of the Investor by way of first fixed charge all the MHS Shares and MHS Dividends.

If the Investor is satisfied that all the Liabilities have been irrevocably paid in full and that all facilities which might give rise to Liabilities have terminated, the Investor shall at the request and cost of MHF release, reassign or discharge (as appropriate) the Share Charge.

MHS is a subsidiary of the Company and is principally engaged in securities brokerage and underwriting.

To the best of the knowledge, information and belief of the Liquidators, and having made all reasonable enquiries, the Investor and its ultimate beneficial shareholder are third parties independent of the Company and the connected persons of the Company.

A proposal dated 30 September 2009 has been submitted by the Company to the Stock Exchange in respect of the Proposed Transaction and resumption of trading of its shares on the Stock Exchange.
