## **1 Corporate information**

Asia TeleMedia Limited (In Liquidation) (the “Company”) is a limited company incorporated in Hong Kong and its shares are listed on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) but have been suspended from trading since 18 March 2008.

The address of the registered office and the principal place of business of the Company was 2808, One Exchange Square, Central, Hong Kong. This office was surrendered to the landlord on 17 June 2008. The registered office and the principal place of business of the Company is now the office of the Liquidators at 8th Floor, Prince’s Building, 10 Chater Road, Central, Hong Kong.

## **2 Basis of presentation**

The unaudited condensed interim financial statements of the Group have been prepared in accordance with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities (the “Listing Rules”) on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) and with Hong Kong Accounting Standard 34 (“HKAS 34”) “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”).

The Group incurred a consolidated loss attributable to owners of the Company of approximately HK\$4,614,000 for the six-month period ended 30 June 2009 (six-month period ended 30 June 2008: approximately HK\$17,808,000). As at 30 June 2009, the Group had net current liabilities of approximately HK\$100,253,000 (31 December 2008: approximately HK\$96,271,000) and deficiency of shareholders’ fund of approximately HK\$101,393,000 (31 December 2008: approximately HK\$96,779,000). These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group’s ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge their liabilities in the normal course of business.

A winding-up petition was filed against the Company on 5 June 2007, and a winding-up order was made by the High Court of Hong Kong (the “Court”) on 18 March 2008. Messrs Edward Middleton and Patrick Cowley (the “Liquidators”) were appointed as the Liquidators of the Company on 14 January 2009 pursuant to an Order of the Court.

As such, the Liquidators do not have the same knowledge of the financial affairs of the Group as the directors of the Company would have, particularly in relation to the transactions entered into by the Group prior to their appointment date.

The Liquidators make no representation as to the completeness of the information contained in these interim condensed financial statements, given that the Liquidators have only been able to provide books and records of the Group which are available to them by the directors and management of the Group for the purpose of the review.

Trading in the Company's shares on the Stock Exchange has been suspended since 18 March 2008. The Company was placed into the third stage of delisting procedures in accordance with Practice Note 17 to the Rules Governing the Listing of Securities on the Stock Exchange (the "Listing Rules") on 8 July 2010.

The Liquidators circulated an invitation for restructuring proposals to a number of potential investors and received a number of such proposals. The Liquidators have ultimately accepted the restructuring proposal of Gainhigh Holdings Limited (the "Investor"), a company incorporated in the British Virgin Islands with limited liability. On 14 July 2009, a letter of intent (the "First Letter") jointly issued by the Investor and its controlling shareholder, Mr. Ko Chun Shun Johnson (the "Guarantor") was accepted by the Liquidators (acting as agents for and on behalf of the Company without personal liability) to confirm their interests in the capital and debt restructuring and a subscription of new securities and convertible notes of the Company with a view to enabling the resumption of trading in the shares of the Company on the Stock Exchange (the "Proposed Restructuring"). Pursuant to the First Letter, the Liquidators granted the Investor an exclusive right to negotiate the detailed terms and implementation of the Proposed Restructuring of the Company (the "Restructuring Agreement") for a period up to 13 April 2010.

Pursuant to a second letter of intent dated 23 July 2010 (the "Second Letter") which was terminated and superseded by a third letter of intent dated 17 December 2010 (the "Third Letter") and a side letter dated 28 February 2011 (the "Side Letter"), the Liquidators have agreed to grant an exclusive right to the Investor to negotiate the Proposed Restructuring up to the date on which (i) the listing of the Company's shares on the Stock Exchange is cancelled, (ii) the signing of the Restructuring Agreement, or (iii) the Investor withdraws from negotiations on the Proposed Restructuring, whichever is the earliest (the "Exclusivity Period").

Up to the date of the publication of these financial statements, the Investor has funded (i) a sum of HK\$12.5 million to the Company to meet the professional costs and expenses incurred in connection with the Proposed Restructuring; and (ii) HK\$3 million to an escrow agent as a deposit (subject to it being refundable under certain conditions). On 22 September 2009, a facility agreement was entered into between Mansion House Financial Holdings Limited ("MHF"), a wholly-owned subsidiary of the Company, and the Investor. The Investor agreed to provide an interest-bearing term loan facility of up to HK\$8 million to the Group as secured by the entire issued share capital of Mansion House Securities (F.E.) Limited ("MHSFE"), which is an indirect wholly-owned subsidiary of the Company, to finance the regulatory and general working capital requirements of the Group. On 21 September 2010, the Investor approved the injection of the HK\$8 million as equity by MHF to MHSFE. MHF further entered into an Amendment Agreement dated 14 October 2010 to amend certain terms of the facility agreement dated 22 September 2009 and an Amendment and Restatement Agreement dated 23 November 2010 for an additional interest-bearing loan facility of up to HK\$15,700,000 with the Investor. The facility amount was further increased by HK\$15 million pursuant to an Amendment Agreement dated 21 February 2011 and was fully utilised as at 28 February 2011.

The Company submitted a resumption proposal on 17 December 2010 (updated on 25 March 2011) and subsequently amended by a written submission to the Stock Exchange on 31 March 2011 (together the “Resumption Proposal”). By a letter dated 1 April 2011, the Stock Exchange informed the Company that it was allowed to proceed with the Resumption Proposal, subject to prior compliance with the following conditions to the satisfaction of the Listing Division within six months from the date of the Stock Exchange’s letter:

- (i) completion of the subscription of new shares and convertible notes by the Investor, the scheme of arrangement (the “Scheme”) between the Company and its creditors and all transactions under the Resumption Proposal;
- (ii) recruitment of qualified institutional sales (as evidence by the signing of binding contractual agreements);
- (iii) inclusion in the circular to shareholders a pro forma balance sheet upon completion of the transactions under the Resumption Proposal and provision of a comfort letter from the auditors under Rule 4.29 of the Listing Rules;
- (iv) publication of all outstanding financial results; and
- (v) permanent stay of the winding-up order and the release and discharge of the Liquidators.

The Company shall also comply with the Listing Rules and all applicable laws and regulations in Hong Kong and the Company’s place of incorporation. The Stock Exchange may modify the resumption conditions if the Company’s situation changes.

On 27 May 2011, the Company announced that an agreement for the implementation of the Proposed Restructuring which comprises capital restructuring, subscription, the Scheme and group reorganisation, was entered into on 15 April 2011 among the Company, the Liquidators (acting as agents for and on behalf of the Company without personal liability), the Investors and the Guarantor (the said agreement as the “Restructuring Agreement”). The principal elements of the Restructuring Agreement are as follows:

**a) *Capital restructuring***

The Company will undergo capital restructuring, involving share consolidation, capital reduction, capital cancellation and authorised share capital increase.

**b) *Subscription of new shares and convertible notes***

Under the Restructuring Agreement, the Investor will contribute HK\$172 million to subscribe for the new shares at a subscription price of HK\$0.62 each, representing a total consideration of HK\$79.5 million, and the convertible notes issued by the Company with a principal amount of HK\$92.5 million and tenure of five years bearing no interest and convertible into new shares at a conversion price of HK\$0.62 per new share.

**c) *The Scheme***

Under the Restructuring Agreement, the Company will apply to the Court for an order to convene a creditors' meeting to consider the Scheme between the Company and its creditors (the "Scheme Creditors"). Upon completion, all the Company's indebtedness (including but not limited to any guarantee or indemnity given by the Company) will be compromised and discharged in full in return for a cash payment of HK\$72 million, which is to be funded by the Company out of the proceeds from the subscription.

**d) *Group reorganisation***

Under the Restructuring Agreement, upon completion, all the issued shares of several subsidiaries of the Company (the "Excluded Companies") will be transferred to a nominee of the scheme administrators for the benefit of the Scheme Creditors at a nominal consideration of HK\$1 and any guarantee or indemnity given by the Company in respect of the obligations or liabilities of each of the Excluded Companies shall be released and discharged in full upon such transfer.

The condensed consolidated financial statements have been prepared on a going concern based on the basis that the Proposed Restructuring of the Company will be successfully completed, and that, following the restructuring, the financial position of the Group will be substantially improved. The condensed consolidated financial statements for the six months period ended 30 June 2009, which have been prepared on the going concern basis, present fairly the results and state of affairs of the Group.

Should the Group and the Company be unable to achieve a successful restructuring and to continue their businesses as going concern, adjustments would have to be made to the financial statements to adjust the value of the assets of the Group and the Company to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

### 3 Principal Accounting Policies

The condensed interim financial statements have been prepared under the historical cost convention, except for trading rights which is measured at revalued amounts.

The interim financial statements should be read in conjunction with the annual financial statements for the year ended 31 December 2008. The accounting policies adopted in the preparation of the condensed consolidated financial statements are consistent with those followed in the preparation of the Group's annual financial statements for the year ended 31 December 2008, except for the adoption of new and revised Standards, Amendments and Interpretations ("new and revised HKFRSs") issued by the HKICPA, which are effective for accounting periods beginning on or after 1 January 2009, noted below:

HKFRSs (Amendments)	Improvements to HKFRSs, except for amendment to HKFRS 5
HKAS 1 (Revised)	Presentation of Financial Statements
HKAS 23 (Revised)	Borrowing Costs
HKAS 32 and HKAS 1 (Amendments)	Puttable Financial Instruments and Obligations Arising on Liquidation
HKFRS 1 and HKAS 27 (Amendments)	Cost of an Investment in a Subsidiary, Jointly Controlled Entity or Associate
HKFRS 2 (Amendment)	Vesting Conditions and Cancellations
HKFRS 7 (Amendment)	Improving Disclosures about Financial Instruments
HKFRS 8	Operating Segments
HK(IFRIC) – Int 9 and HKAS 39 (Amendment)	Embedded Derivatives
HK(IFRIC) – Int 13	Customer Loyalty Programmes
HK(IFRIC) – Int 15	Agreements for Construction of Real Estate
HK(IFRIC) – Int 16	Hedges of a Net Investment in a Foreign Operation

The adoption of the new and revised HKFRSs, except for HKAS 1 (Revised) and HKFRS 8 as described below had no material effect on the consolidated financial statements of the Group for the current or prior accounting periods. Accordingly, no prior period adjustment has been required.

#### ***HKAS 1 (Revised): Presentation of Financial Statements***

HKAS 1 (Revised) has introduced changes in the presentation and disclosures of financial statements (including changes in the titles of the financial statements). The revised standard separates owner and non-owner changes in equity. The statement of changes in equity will only include details of transactions with owners, with all non-owner changes in equity presented as a single line. In addition, this revised standard has introduced the statement of comprehensive income: it presents all items of income and expense recognised in profit or loss, together with all other items of recognised income and expenses recognised directly in equity, either in one single statement, or in two linked statements. The Group has elected to present comprehensive income in one statement. Comparative information has been re-presented to conform to the new presentation. The revised standard has no impact on the financial position or results of operations of the Group.

## ***HKFRS 8: Operating Segments***

HKFRS 8, which replaces HKAS 14 “Segment Reporting”, is a disclosure standard that requires the identification of operating segments to be performed on the same basis as financial information that is reported internally for the purposes of allocating resources between segments and assessing their performance. In contrast, the predecessor standard (HKAS 14 “Segment Reporting”) required an entity to identify two sets of segments (business and geographical), using a risks and rewards approach. The adoption of HKFRS 8 has not resulted in redesignation of the Group’s reportable segments.

The Group has not early applied the following new and revised Standards, Amendments and Interpretations that have been issued but are not yet effective:

HKFRSs (Amendments)	Amendment of HKFRS 5 as a part of Improvements to HKFRSs Issued in 2008 <sup>1</sup>
HKFRSs (Amendments)	Improvements to HKFRSs issued in 2009 <sup>2</sup>
HKFRSs (Amendments)	Improvements to HKFRSs issued in 2010 <sup>7</sup>
HKAS 12 (Amendments)	Deferred Tax: Recovery of the Underlying Assets <sup>9</sup>
HKAS 24 (Revised)	Related Party Disclosures <sup>7</sup>
HKAS 27 (Revised)	Consolidated and Separate Financial Statements <sup>1</sup>
HKAS 32 (Amendment)	Classification of Rights Issues <sup>5</sup>
HKAS 39 (Amendment)	Eligible Hedged Items <sup>1</sup>
HKFRS 1 (Revised)	First-time Adoption of Hong Kong Financial Reporting Standards <sup>1</sup>
HKFRS 1 (Amendment)	Additional Exemptions for First-time Adopters <sup>4</sup>
HKFRS 1 (Amendment)	Limited Exemption from Comparative HKFRS 7 Disclosures for First-time Adopters <sup>6</sup>
HKFRS 1 (Amendments)	Severe Hyperinflation and Removal of Fixed Dates for First-time Adopters <sup>8</sup>
HKFRS 2 (Amendment)	Group Cash-settled Share-based Payment Transactions <sup>4</sup>
HKFRS 3 (Revised)	Business Combinations <sup>3</sup>
HKFRS 7 (Amendment)	Disclosures – Transfer of Financial Assets <sup>8</sup>
HKFRS 9	Financial Instruments <sup>10</sup>
HK(IFRIC) – Int 14 (Amendment)	Prepayments of a Minimum Funding Requirement <sup>7</sup>
HK(IFRIC) – Int 17	Distributions of Non-cash Assets to Owners <sup>1</sup>
HK(IFRIC) – Int 19	Extinguishing Financial Liabilities with Equity Instruments <sup>6</sup>

<sup>1</sup> *Effective for annual periods beginning on or after 1 July 2009*

<sup>2</sup> *Effective for annual periods beginning on or after 1 July 2009 and 1 January 2010, as appropriate*

<sup>3</sup> *Effective for business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after 1 July 2009*

<sup>4</sup> *Effective for annual periods beginning on or after 1 January 2010*

<sup>5</sup> *Effective for annual periods beginning on or after 1 February 2010*

<sup>6</sup> *Effective for annual periods beginning on or after 1 July 2010*

<sup>7</sup> *Effective for annual periods beginning on or after 1 January 2011*

<sup>8</sup> *Effective for annual periods beginning on or after 1 July 2011*

<sup>9</sup> *Effective for annual periods beginning on or after 1 January 2012*

<sup>10</sup> *Effective for annual periods beginning on or after 1 January 2013*

The application of HKFRS 3 (Revised) may affect the Group's accounting for business combination for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after 1 July 2009.

HKAS 27 (Revised) will affect the accounting treatment for changes in the Group's ownership interest in a subsidiary.

HKFRS 9 "Financial Instruments" (as issued in November 2009) introduces new requirements for the classification and measurement of financial assets. HKFRS 9 "Financial Instruments" (as revised in November 2010) adds requirements for financial liabilities and for derecognition.

- Under HKFRS 9, all recognised financial assets that are within the scope of HKAS 39 "Financial Instruments: recognition and measurement" are subsequently measured at amortised cost or fair value. Specifically, debt investments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal outstanding are generally measured at amortised cost at the end of subsequent accounting periods. All other debt investments and equity investments are measured at their fair values at the end of subsequent accounting periods.
- In relation to financial liabilities, the significant change relates to the financial liabilities that are designated as at fair value through profit or loss. Specifically, under HKFRS 9, for financial liabilities that are designated as at fair value through profit or loss, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is presented in other comprehensive income, unless the presentation of the effects of the changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss. Changes in fair value attributable to a financial liability's credit risk are not subsequently reclassified to profit or loss. Currently, under HKAS 39, the entire amount of change in the fair value of the financial liability designated as at fair value through profit or loss is presented in profit or loss.

HKFRS 9 is effective for annual periods beginning on or after 1 January 2013, with earlier application permitted. It is required to be applied retrospectively, but if adopted prior to 1 January 2012, an entity will be exempt from the requirement to restate prior period comparative information. The Group is presently studying the implications of applying HKFRS 9. It is impracticable to quantify the impact of HKFRS 9 as at the date of publication of these financial statements.

The application of the other new and revised standards, amendments or interpretations will have no material impact on the results and financial position of the Group.

## 6 Taxation

No provision for Hong Kong Profits Tax was made for both periods as the Group either had no assessable profits arising in Hong Kong or the assessable profits were wholly absorbed by tax losses brought forward for the two periods ended 30 June 2009 and 2008. No deferred tax asset has been recognised in respect of such losses due to the unpredictability of future profit streams, and no deferred tax liabilities in respect of accelerated depreciation allowance have been recognised as the amount involved is insignificant.

## 7 Dividend

No dividend was paid or proposed for the six months ended 30 June 2009 (six months ended 30 June 2008: nil), nor has any dividend been proposed since the end of the reporting period.

## 8 Loss per share

## 11 Contingent liabilities

- (b) In March 2008, The Hongkong Land Property Company Limited filed a Proof of Debt against the Company on the basis of the Company's alleged breach of the tenancy agreement dated 25 June 2007. The claim amounts to approximately HK\$11 million which comprises the outstanding rental, accrued charges, damages and losses as a result of the breach.

The Liquidators are of the view that it will be premature to make any provision in respect of the alleged claims before the legitimacy and the amount of the liabilities can be determined.

## 12 Significant events after the end of the reporting period

- (a) On 14 July 2009, the First Letter was issued by the Investor and the Guarantor and an escrow agreement was entered into amongst the Investor and the Guarantor, the Liquidators and an escrow agent on the same day. - (h) On 1 April 2011, the Stock Exchange informed the Company that it was allowed to proceed with the Resumption Proposal, subject to prior compliance with the conditions to the satisfaction of the Listing Division within six months from the date of the Stock Exchange's letter. These conditions are set out in note 2 above.
- (i) On 15 April 2011, the Company, the Liquidators (acting as agents for and on behalf of the Company without personal liability), the Investors and the Guarantor entered into the Restructuring Agreement. The principal elements of the Restructuring Agreement are set out in note 2 above.

## **AN EXTRACT OF INDEPENDENT REVIEW REPORT**

### **Basis of qualified conclusion**

#### ***1. Prior year audit scope limitations affecting opening balances***

The auditor's report on the consolidated financial statements for the year ended 31 December 2008 were qualified in respect of limitations of audit scope similar to those qualified conclusions described in sub-paragraphs (2) and (3) below. In addition, we could not carry out satisfactory auditing procedures on the write-off of the bank balances of approximately HK\$10,903,000 in prior year. Any adjustments to these comparative amounts may have a consequential effect on the balance of accumulated losses of the Group as at 1 January 2009, the loss for the six-month period ended 30 June 2009 and related disclosures in these interim financial statements.

#### ***2. Completeness of information***

A winding-up order was made against the Company on 18 March 2008 and the Liquidators were appointed on 14 January 2009. The Liquidators have only been able to provide books and records of the Group which are available to them by the directors and management of the Group for the purpose of the review. In consequence, we were unable to carry out necessary review procedures regarding the assets, liabilities, income and expenses appearing in the interim financial statements. There were no satisfactory review procedures that we could adopt to ensure the accuracy and completeness of the assets, liabilities, income and expenses of the Group, and the adequacy of disclosures in these interim financial statements.

### **3. *Loss of accounting records***

The interim financial statements contain financial information of the representative offices located in Beijing and Shenzhen (the “PRC representative offices”). The PRC representative offices were closed and the accounting records could not be retrieved. As a consequence, we were unable to obtain all information that we required in relation to our review and were also unable to carry out other satisfactory review procedures that we considered necessary to obtain adequate assurance regarding assets, liabilities and profit or loss contributed by the PRC representative offices for the period and the adequacy of disclosures in these interim financial statements. In the current period, no amount is contributed from assets and profit or loss of the PRC representative offices. Liabilities contributed by the PRC representative offices amounting to HK\$1,936,000 have been included in other payables and accrued charges in the financial statements, of which we could not carry out satisfactory review procedures in the current period.

Any adjustments on the above balances would affect the net liabilities of the Group as at 30 June 2009 and the loss for the period then ended.

### **Material uncertainty relating to the going concern basis**

As explained in note 2 to the financial statements, the Company submitted a resumption proposal on 17 December 2010 (updated on 25 March 2011) and subsequently amended by a written submission to The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) on 31 March 2011 (together the “Resumption Proposal”). By a letter dated 1 April 2011, the Stock Exchange informed the Company that it was allowed to proceed with the Resumption Proposal, subject to prior compliance with the conditions to the satisfaction of Listing Division within six months from the date of the Stock Exchange’s letter. These conditions are explained in note 2 to the financial statements.

As at 30 June 2009, the Group had incurred a consolidated loss for the period attributable to owners of the Company of approximately HK\$4,614,000, and had net current liabilities and deficiency of shareholders’ fund of approximately HK\$100,253,000 and HK\$101,393,000 respectively. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group’s ability to continue as a going concern. The consolidated financial statements have been prepared on a going concern basis on the assumption that the Resumption Proposal will be successfully completed in the foreseeable future and the financial position of the Group will be substantially improved as all liabilities of the Company will be discharged through the implementation of a scheme to be proposed by the Company under Section 166 of the Companies Ordinance of Hong Kong (the “Scheme”).

The financial statements do not include any adjustments which would result from a failure to complete the Resumption Proposal and to approve the Scheme by the Company's Scheme Creditors and the High Court of Hong Kong (the "Court"), other approvals to be obtained from shareholders, the Court and the Hong Kong regulatory authorities.

If the Resumption Proposal could not be completed, further adjustments might have to be made to reduce the value of assets to their recoverable amount, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities to current assets and liabilities respectively. We consider that appropriate disclosures have been made accordingly. However, in view of the extent of the uncertainties relating to the completion of the Resumption Proposal as at the end of the reporting period, we are unable to satisfy ourselves as to whether the interim financial statements, which have been prepared on a going concern basis, is appropriate.

### **Qualified conclusion**

Except for the adjustments to the interim financial statements that we might have become aware of had it not been for the situation described above, based on our review, nothing has come to our attention that causes us to believe that the interim financial statements does not present fairly, in all material aspects, the financial position of the Group as at 30 June 2009, and of its financial performance and its cash flows for the six-month period then ended in accordance with HKAS 34.

## **FINANCIAL RESULTS**

The Group recorded a revenue of approximately HK\$1.17 million for the six months ended 30 June 2009 compared to the revenue of approximately HK\$2.81 million for the corresponding period in 2008. The basic loss per share for the six months ended 30 June 2009 was HK0.30 cents, compared to the basic loss per share of HK1.15 cents for the previous period.

## **PROSPECTS**

It is expected that the financial position of the Group will be substantially improved upon completion of the Proposed Restructuring of the Group as contemplated under the Restructuring Agreement. The Investor and the Liquidators expect all existing liabilities owed to creditors of the Company will be compromised and discharged through the Scheme.

Subject to, among other things, the approvals of the shareholders of the Company and the Stock Exchange, upon completion of the Restructuring Agreement, the Company's shares are expected to resume trading on the Stock Exchange.

It is the Investor's intention to maintain and expand the Group's existing business in securities broking, placing and underwriting, corporate finance, consulting and related services, which are carried out through its main operating subsidiary, MHSFE.

With the strong and continuous support provided by the Investor to the Group in terms of both business and financial aspects, the Group will be able to sustain its business at a sufficient level in upcoming financial years and expand its business to a substantial level within a reasonable period of time after the resumption of trading in the shares of the Company on the Stock Exchange.

To the best information and knowledge of the Liquidators, neither the Company nor any of its subsidiaries purchased, sold or redeemed any of the Company's listed securities during the six months ended 30 June 2009.

## **AUDIT COMMITTEE**

Following the resignation of Mr. Lau Hak Lap, the Company has only two independent non-executive directors and two Audit Committee members, the number of which falls below the minimum number required under Listing Rules 3.10(1) and 3.21 respectively and none of the remaining independent non-executive directors have appropriate professional qualifications or accounting or related financial management expertise as required under Listing Rules 3.10(2) and 3.21. As a result, the interim financial statements for the six-month period ended 30 June 2009 have been reviewed by the Auditors instead of the Audit Committee.
