To the Shareholders

Dear Shareholders,

**PROPOSALS FOR RE-ELECTION OF DIRECTORS
AND RENEWAL OF GENERAL MANDATES
TO ISSUE AND REPURCHASE SHARES,
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information about the resolutions to be proposed at the AGM relating to: (i) the re-election of two Directors who shall retire from office by rotation at the AGM; (ii) the proposed Issue Mandate; and (iii) the proposed Repurchase Mandate. The notice of AGM is also set out on pages 13 to 16 of this circular.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

Pursuant to Bye-Law 84 of the Bye-Laws, one-third of the relevant number of Directors (or, if their number is not a multiple of three, the number nearest to but not greater than one-third) shall retire from office by rotation at annual general meeting of the Company to be held annually. As such, Messrs. Young Kwok Sui and Tam Kong, Lawrence shall retire from office by rotation and, being eligible, offer themselves for re-election at the AGM. Subject to the Shareholders' approval at the AGM, Messrs. Young Kwok Sui and Tam Kong, Lawrence will retain as non-executive Directors and independent non-executive Director respectively.

At the AGM, separate ordinary resolutions will be proposed for re-election of Messrs. Young Kwok Sui and Mr. Tam Kong, Lawrence as Directors.

Information about the two Directors proposed to be re-elected at the AGM are set out in Appendix I to this circular.

RENEWAL OF GENERAL MANDATE TO ISSUE SHARES

An ordinary resolution will be proposed at the AGM to give the Directors a general and unconditional mandate to issue, allot and deal with new Shares with an aggregate nominal amount not exceeding 20% of then issued share capital of the Company as at the date of passing the resolution until the earlier of (i) the conclusion of the next annual general meeting of the Company following the passing of the resolution; and (ii) the date on which the ordinary resolution is revoked or varied by the Shareholders at a general meeting of the Company.

At the annual general meeting of the Company held on 18 June 2019, the Directors were granted a general mandate to issue, allot and deal with new Shares up to 20% of the aggregate nominal amount of then issued share capital of the Company as at the date of such meeting. As at the date of the aforesaid annual general meeting, 605,616,520 Shares were in issue and accordingly, a maximum of 121,123,304 Shares were authorised to be issued under the previous general mandate.

During the period from the annual general meeting held on 18 June 2019 to the Latest Practicable Date, 108,000,000 Shares were issued by the Company pursuant to the previous general mandate on 27 April 2020. Further information on the new issue were disclosed in the Company's announcements dated 15 April and 27 April 2020.

LETTER FROM THE BOARD

Subject to the approval of the Shareholders for the renewal of the Issue Mandate, and assuming that no Shares will be issued or repurchased by the Company subsequent to the Latest Practicable Date up to the date of the AGM, the Shares in issue as at the date of the AGM will be 713,616,520 Shares, which means that under the Issue Mandate (if renewed) the Directors will be authorised to issue and allot a maximum of 142,723,304 Shares (not taking into account the extension of the Issue Mandate to add the number of Shares to be repurchased by the Company under the Repurchase Mandate) if the Issue Mandate is renewed.

If the Issue Mandate is granted together with the Repurchase Mandate, a separate ordinary resolution will be proposed to increase the number of Shares which may be issued and allotted under the Issue Mandate by the aggregate number of Shares repurchased by the Company under the Repurchase Mandate. The Company does not have any present intention to exercise the Issue Mandate (if granted at the AGM).

RENEWAL OF GENERAL MANDATE TO REPURCHASE SHARES

An ordinary resolution will be proposed at the AGM to give the Directors a general and unconditional mandate to repurchase Shares with an aggregate nominal amount not exceeding 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the resolution until the earlier of (i) the conclusion of the next annual general meeting of the Company following the passing of the resolution; and (ii) the date on which the ordinary resolution is revoked or varied by the Shareholders at a general meeting of the Company.

At the annual general meeting of the Company held on 18 June 2019, the Directors were granted a general mandate to repurchase Shares on the Stock Exchange up to a maximum of 10% of the aggregate nominal amount of then issued share capital of the Company. As at the date of the aforesaid annual general meeting, 605,616,520 Shares were in issue and accordingly, a maximum of 60,561,652 Shares were authorised to be repurchased under the previous general mandate. Such mandate has not been utilized as at the Latest Practicable Date and will lapse at the conclusion of the forthcoming AGM (assuming such mandate remains unutilized up to the date of the AGM). Accordingly, an ordinary resolution will be proposed by the Directors at the forthcoming AGM for the renewal of the Repurchase Mandate.

Subject to the approval of the Shareholders for the renewal of the Repurchase Mandate, and assuming that no Shares will be issued or repurchased by the Company subsequent to the Latest Practicable Date up to the date of the AGM, the Shares in issue as at the date of the AGM will be 713,616,520 Shares, which means that the Company will be authorised to repurchase up to a maximum of 71,361,652 Shares under the Repurchase Mandate if renewed.

The Company does not have any present intention to exercise the Repurchase Mandate (if granted at the AGM). Repurchases will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Considering the rapid changes in market conditions, the Repurchase Mandate will grant authority to the Board to enhance the net asset value of the Company and/or its earnings per Share. An explanatory statement containing information relating to the Repurchase Mandate as required under the Listing Rules is set out in Appendix II to this circular.

At present, Mr. Young is entitled to receive a fee of HK\$282,000 per annum, with reference to his experience, qualifications and duties to the Company.

Save for the matters disclosed above, there is no information that is required to be disclosed pursuant to Paragraphs (h) to (v) of Rule 13.51(2) of the Listing Rules, and there are no other matters that need to be brought to the Shareholders' attention regarding his election.

He is also members of the Audit Committee and Nomination Committee of the Company, and the Chairman of the Remuneration Committee of the Company. Mr. Tam is a seasoned banking and finance professional. Mr. Tam did not hold any directorships in any other listed companies in the last three years. He does not have any relationship with any substantial shareholder, director or senior management of the Company or any of its subsidiaries. As at the Latest Practicable Date, he does not have any interest in the Shares within the meaning of Part XV of the SFO.

The term of office of Mr. Tam has been renewed for a term of one year up to 14 December 2020 subject to earlier determination or retirement by rotation and re-election at the AGM in accordance with the provisions of the Bye-Laws. There was no service contract entered into between the Company and Mr. Tam in the past years. Mr. Tam met the independence guidelines as set out in Rule 3.13 of the Listing Rules from time to time and provided to the Company annual confirmation of independence in respect of the year ended 31 December 2019 pursuant thereto. During his years of service with the Company as independent non-executive Director, Mr. Tam has contributions to the Board by providing independent views, enquiries and advices to the Company in relation to its business, operations, future development and strategies. The Board considers that Mr. Tam has the character, integrity, ability and experience to continue to fulfill his role as required diligently. There is no evidence that Mr. Tam's lengthy service with the Company would have any impact on his independence which, on the contrary, is a valuable human asset to the Company, The Board thus recommends Mr. Tam for re-election as a Director at the AGM.

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide further information in relation to the Repurchase Mandate for your consideration.

SHARE CAPITAL

As at the Latest Practicable Date, there were 713,616,520 Shares in issue.

On the assumption that there will be no variation in the issued Shares prior to the date of the AGM, the Company will be authorised to repurchase up to a maximum of 71,361,652 Shares.

REASONS FOR THE REPURCHASE

The Board believes that it is in the interests of the Company and its Shareholders to have general authority from the Shareholders to enable the Board to repurchase Shares on the Stock Exchange. Such repurchase, depending on marketing conditions and funding arrangements at the time, may lead to an enhancement of the net asset value per Share of the Company and/or its earnings per Share and will only be made when the Board believes that such repurchase will benefit the Company and its Shareholders as a whole.

FUNDING OF THE REPURCHASE

It is proposed that the repurchase of Shares under the Repurchase Mandate will be financed from available cash flow or working capital facilities of the Company and its subsidiaries. In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum, Bye-Laws and the laws of Bermuda. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, or funds of the Company which will otherwise be available for dividend or distribution or the proceeds of a new issue of Shares made for the purpose of the repurchase. The amount of premium payable on the repurchase may only be paid out of either funds of the Company which will otherwise be available for dividend or distribution or out of the share premium account before the Shares are repurchased.

On the basis of the consolidated financial position of the Company as at 31 December 2019 (being the date at which the latest published audited financial statements of the Company have been made), the exercise in full of the Repurchase Mandate to repurchase the Shares may have a material adverse impact on the working capital or gearing position of the Company as compared with its position as at 31 December 2019. To this end, the Board will not propose to exercise the Repurchase Mandate to such extent as it will, have a material adverse impact on the working capital requirements or the gearing level of the Company.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous twelve months prior to the printing of this circular were as follows:

DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any of the Shares to the Company.

No connected person (as defined under the Listing Rules) has notified that he/she has a present intention to sell any of the Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Board has undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the proposed resolution in accordance with the Listing Rules and the laws of Bermuda.

EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code. Accordingly, if such increase results in a change of control, a Shareholder or a group of Shareholders acting in concert may in certain circumstances give rise to an obligation to make a mandatory offer in accordance with Rules 26 and 36 of the Takeovers Code.

As at the Latest Practicable Date, based on the registers required to be kept by the Company under Section 336 of the SFO and so far as is known to the Directors, no Shareholder would be required to make a mandatory offer under Rule 26 of the Takeovers Code in the event that the Directors shall exercise the Repurchase Mandate in full and assuming there is no change in the issued share capital of the Company from the Latest Practicable Date and up to the date of passing of relevant resolution granting the Repurchase Mandate.

Assuming that there is no further issue of Shares between the Latest Practicable Date and date of repurchase, the exercise of Repurchase Mandate whether in whole or in part will not result in the number of Shares being held by the public as required by Rule 8.08 of the Listing Rules being reduced to less than 25% of the issued share capital of the Company. The Directors have no intention to exercise the Repurchase Mandate to an extent as resulting in a public shareholding of less than such prescribed percentage.

SHARE REPURCHASES MADE BY THE COMPANY

No repurchase of the Shares (whether on the Stock Exchange or otherwise) has been made by the Company during the six months preceding the date of this circular.
