Unless otherwise defined, capitalised terms used in this announcement shall have the same meaning as those defined used in the Inside Information Announcement.

The local auditors represented that they could complete the audit based on the information currently available, and they would request to the Company as soon as practicable should they require any additional information.

It is currently expected that the Auditor will not be able to complete all its audit work as scheduled and the audited 2021 Annual Results will not be published by 31 March 2022 in accordance with Rule 13.49(1) of the Listing Rules.

The Board and the management of the Company are using their best efforts to expedite the audit progress. Based on the information currently available to the Company, the Company expects that the audited 2021 Annual Results and the 2021 annual report will be published on or before 30 April 2022.
