To the Shareholders

Dear Sir or Madam,

**REFRESHMENT OF EXISTING GENERAL MANDATE AND
REFRESHMENT OF THE SCHEME MANDATE LIMIT
UNDER SHARE OPTION SCHEME**

INTRODUCTION

The purpose of this circular is to provide you with (i) further information relating to the Refreshment of Existing General Mandate and the Refreshment of Scheme Mandate Limit under Share Option Scheme; and (ii) the notice of SGM to be convened and held for the purpose of considering and, if thought fit, approving the resolutions for the Refreshment of Existing General Mandate and the Refreshment of Scheme Mandate Limit under Share Option Scheme.

REFRESHMENT OF EXISTING GENERAL MANDATE

The Company is an investment holding company, and through its subsidiaries is principally engaged in the business of money lending, provision of credits, securities investments, provision of corporate secretarial and consultancy services and forestry business.

* *For identification purposes only*

LETTER FROM THE BOARD

At the AGM, the Shareholders granted, among other things, the Existing General Mandate to the Directors to allot, issue and deal with a maximum of 111,284,106 new Shares (or 445,136,424 Old Shares prior to the Share Consolidation becoming effective on 15 August 2013), representing 20% of the issued share capital of the Company as at the date of the AGM.

There had not been any refreshment of the Existing General Mandate since the AGM and up to the Latest Practicable Date. As at the Latest Practicable Date, the Existing General Mandate has not been utilized at all.

On 20 August 2013, the Board announced that the Company proposed a rights issue at the subscription price of HK\$0.18 per rights share on the basis of two (2) rights shares for every one (1) Share held on the relevant record date with the bonus issue on the basis of one bonus share for every one rights share taken up (the “**Rights Issue and Bonus Issue**”). As a result of the Rights Issue and Bonus Issue, the Company allotted and issued an aggregate of 2,225,682,120 Shares. Accordingly, the issued share capital of the Company has been enlarged. In view of the increase in the issued share capital of the Company as described above and to maintain flexibility for any future allotment and issue of Shares by the Directors on behalf of the Company as and when necessary, it is proposed that the Board shall seek the approval of the Shareholders for the grant of the Issue Mandate at the SGM.

The Company currently does not have any immediate plans for any new issue of Shares under the Issue Mandate and does not have any intention or enter into any negotiations, agreement and/or letter of intent to conduct any fund raising exercises. Despite that the Company currently has no intention to conduct any fund raising exercises, the Board is proposing to seek the approval of Shareholders at the SGM for the Issue Mandate such that the Group will have greater financial flexibility. Should funding needs arise or attractive terms for investment in the Shares become available from potential investors, the Board will be able to respond to the market and such investment opportunities promptly. The Board believes that fund raising exercise pursuant to a general mandate provides the Company a simpler and less lead time process than other types of fund raising exercises and to avoid the uncertainties in such circumstances that specific mandate may not be obtained in a timely manner.

As at the Latest Practicable Date, the Company had an aggregate of 2,782,102,650 Shares in issue. Assuming that no Shares will be issued or repurchased by the Company on or before date of the SGM and subject to the passing of the ordinary resolution for the approval of the grant of the Issue Mandate, the Company would be allowed under the Issue Mandate to allot, issue or otherwise deal with up to 556,420,530 Shares, representing 20% of the issued share capital of the Company as at the Latest Practicable Date.

The Issue Mandate, if granted, remain effective until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws of the Company or any applicable law to be held; or (iii) the date upon which such authority is revoked or varied by way of ordinary resolution of the Company in general meeting.

LETTER FROM THE BOARD

REFRESHMENT OF SCHEME MANDATE LIMIT UNDER SHARE OPTION SCHEME

The Company adopted the Share Option Scheme pursuant to an ordinary resolution passed on 12 June 2012 (the “**Adoption Date**”). Apart from the Share Option Scheme, the Company has no other share option scheme currently in force. Since the Adoption Date, the Existing Scheme Mandate Limit has been refreshed at the AGM.

As at the Latest Practicable Date, a total of 2,782,102,650 Shares were in issue and no share option is outstanding since the adoption of Share Option Scheme. In view of the increase in issued share capital of the Company, the Refreshment of Scheme Mandate Limit is proposed. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of the SGM and that no further options will be granted under the Share Option Scheme prior to the date of the SGM, the number of Shares that may fall to be allotted and issued upon exercise in full of the options that may be granted, after the relevant resolution is passed at the SGM, would be 278,210,265 Shares.

Pursuant to the terms of the Share Option Scheme and the Listing Rules, the Scheme Mandate Limit shall not in any event result in the number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company exceeding 30% of the Shares in issue from time to time.

The Refreshment of Scheme Mandate Limit is conditional on:

- (i) the Shareholders passing an ordinary resolution by way of poll pursuant to the Listing Rules to approve the Refreshment of Scheme Mandate Limit at the SGM; and
- (ii) the Listing Committee of the Stock Exchange granting listing of, and permission to deal in, any new Shares (representing a maximum of 10% of the Shares in issue as at the date of approval of such resolution at the SGM) which may fall to be issued upon the exercise of all options to be granted under the Share Option Scheme.

Application will be made to the Listing Committee of the Stock Exchange for the approval mentioned in paragraph (ii) above.

The Company proposes to seek the approval by the Shareholders for the Refreshment of Scheme Mandate Limit with a view to allowing the Company more flexibility to provide more incentives or rewards to eligible participants for their contribution to the Group. The Directors consider that it will be for the benefit of the Company and the Shareholders as a whole that the eligible participants of the Share Option Scheme are granted rights to obtain equity holdings of the Company through the grant of options. This will motivate the eligible participants to contribute to the success of the Group. For these reasons, the Directors will propose the passing of an ordinary resolution at the SGM for the Refreshment of Scheme Mandate Limit.

LETTER FROM THE BOARD

ACTIONS TO BE TAKEN

The notice of the SGM is set out on pages 8 to 11 of this circular. A form of proxy for use at the SGM is enclosed with this circular. At the SGM, ordinary resolutions will be proposed to approve the Refreshment of Existing General Mandate and the Refreshment of Scheme Mandate Limit. According to Rule 13.36(4)(e) of the Listing Rules, it will not be necessary for the Company to comply with, among others, the requirement to obtain independent shareholders' approval under Rule 13.36(4)(a) of the Listing Rules in order to refresh its general mandate immediately thereafter such that the amount in percentage terms of the unused part of the general mandate upon refreshment is the same as the unused part of the general mandate immediately before the issue of securities. In light of this, no Shareholders will be required to abstain from voting in relation to the resolutions to approve, among other things, the proposed grant of Issue Mandate and the Scheme Mandate Limit.

Whether or not you intend to attend the SGM, you are requested to complete the accompanying form of proxy in accordance with the instructions printed thereon and return the same to the Company's branch share registrar in Hong Kong, Computershare Hong Kong Investor Services Limited, 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the SGM or any adjournment thereof. Completion and return of the form of proxy shall not preclude you from attending and voting in person at the SGM or any adjournment thereof should you so desire. In such event, the instrument appointing a proxy will be deemed to be revoked.

VOTING BY POLL

Under Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Accordingly, the ordinary resolutions proposed at the SGM will also be taken by poll. A poll results announcement will be made by the Company after the SGM in accordance with Rule 13.39(5) of the Listing Rules.

RECOMMENDATION

Having considered the reasons as set out herein, the Board hereby recommends the Shareholders to vote in favour of the resolutions to be proposed at the SGM to approve the grant of the Issue Mandate and the Scheme Mandate Limit.
