## Notes:

- 1. State the class of shares (e.g. ordinary, preference or other).
- 2. Items (i) to (viii) are suggested forms of confirmation which may be amended to meet individual cases. Where the issuer has already made the relevant confirmations in a return published under rule 13.25A in relation to the securities issued, no further confirmation is required to be made in this return.
- 3. "Identical" means in this context:
  - the securities are of the same nominal value with the same amount called up or paid up;
  - they are entitled to dividend/interest at the same rate and for the same period, so that at the next ensuing distribution, the dividend/interest payable per unit will amount to exactly the same sum (gross and net); and
  - they carry the same rights as to unrestricted transfer, attendance and voting at meetings and rank pari passu in all other respects.
- 4. If there is insufficient space, please append the prescribed continuation sheet.
