Dear Sir/Madam

## **QUARTERLY REPORT FOR PERIOD ENDED 31 MARCH 2013**

### ***Charley Creek REE Project – Scoping Study finalised.***

During the period the company was focussed on the Charley Creek Scoping Study. The study was completed during the quarter and it shows robust economics for a long life and low capital cost REE project. A comprehensive release on the results of the Scoping Study was made to the market on 15 April 2013. Rather than repeating portions of that release, the full version can be viewed at:
