To consider the Financial Report and the reports of the Directors and Auditor for the year ended 30 June 2020.

Neither the Corporations Act 2001 nor the Company's Constitution requires a vote of shareholders on the reports or statements. However, shareholders will be given the opportunity to ask questions or make comments on the reports and statements at the meeting.

Resolution 1 Adoption of the Remuneration Report

To consider and, if thought fit, pass the following non-binding resolution:

"That the Remuneration Report required by section 300A of the Corporations Act, as contained in the Directors' Report of the Company for the year ended 30 June 2020, be adopted, details of which are set out in the explanatory notes to resolution 1 in the notice of meeting."

- This resolution is advisory only and does not bind the Company or the Directors.
- When reviewing the Company's remuneration policies, the Directors will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting.
- If 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director / CEO) must stand for re-election.

Resolution 2 Re-election of Dr Bernard Tuch as a Director

To consider and, if thought fit, pass the following ordinary resolution:

"That Dr Bernard Tuch, being a Director of the Company, retires by rotation in accordance with the Constitution and, being eligible, offers himself for re-election, be re-elected as a Director of the Company, details of which are set out in the explanatory notes to resolution 2 in the notice of meeting."

Resolution 3 Appointment of Auditor

To consider, and if thought fit, to pass the following resolution as a special resolution:

"That for the purpose of ASX Listing Rule 7.1A and for all other purposes, approval is given for the issue of equity securities totalling up to 10% of the Company's share capital calculated in accordance with ASX Listing Rule 7.1A.2 and otherwise on the terms and conditions set out in the Explanatory Memorandum accompanying this notice of Meeting."

BY ORDER OF THE BOARD

Mark Licciardo
Company Secretary

VOTING EXCLUSIONS

In accordance with the Corporations Act 2001 and the Australian Securities Exchange Listing Rules, the Company makes the following statement:

The Company will disregard any votes cast:

Resolution 1: Adoption of the Remuneration Report

In favour of Resolution 1 by:

- a) A member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or

However, a person described above may cast a vote on the resolution if:

- The person does so as a proxy appointed in writing that specifies how the proxy is to vote on the proposed resolution;
- The vote is not cast on behalf of a person described in subparagraphs (a) or (b) above; and
- The vote is cast by the Chairman, as the nominated proxy for a person who is permitted to vote, with express authorisation given to the Chair to exercise the proxy even if the resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel of the Company.

The Chairman intends to vote all available undirected proxies in favour of this Resolution 1.

Resolution 4: Approval of 10% Placement Facility

The Company will, in accordance with ASX Listing Rule 14.11, disregard any votes cast in favour on Resolution 4 by any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity) and any of their associates, unless the vote is cast:

- (a) by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or

However, this does not apply to a vote cast in favour of a resolution by:

- (a) a person as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

If you are a Restricted Voter and purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

Note: In accordance with ASX Listing Rule 14.11.1 and the relevant note under that rule concerning ASX Listing Rule 7.1A, as at the date of this notice of meeting it is not known who may participate in the proposed issue (if any). On that basis, no Shareholders are currently excluded.

The Chairman intends to vote all available undirected proxies in favour of this Resolution 4.

EXPLANATORY NOTES

The Explanatory Notes have been prepared for the shareholders of Living Cell Technologies Limited to provide information about the items of business to be considered at the Annual General Meeting of shareholders to be held on Thursday 19 November 2020.

With the exception of resolution 1 and 4, all other resolutions to be voted on are ordinary resolutions. An ordinary resolution requires a simple majority of votes cast by shareholders entitled to vote on the resolution in order for it to be carried.

If appropriate, and if time permits, the Chairman will discuss significant issues raised by shareholders prior to the meeting and will invite questions and comments from shareholders on these key issues and any other matters that shareholders would like to raise at the meeting.

In addition, a reasonable opportunity will be given to members present at the meeting to ask the Company's auditor, BDO, questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor. If you would like to submit a written question to BDO before the Meeting on any of the foregoing matters, please send your question to the Company Secretary at info@mertons.com.au before 12 November 2020.

If you have a more general issue or question that you would like discussed at the Meeting, please write to the Company Secretary, Mark Licciardo, at the above address.

How will the Chairman vote as proxy if the Shareholder has not directed the Chairman to vote?

The Chairman intends to vote in **FAVOUR** of resolutions 1-4. If a Shareholder appoints the Chairman of the Annual General Meeting as proxy and does not direct the Chairman how to vote on a resolution then, if that Shareholder is entitled to vote on that resolution, the Chairman will vote in **FAVOUR** of all resolutions.

Resolution 1 - Adoption of the Remuneration Report

Consistent with section 250R of the Corporations Act, the Company submits to shareholders for consideration and adoption, by way of a non-binding resolution, its Remuneration Report for the year ended 30 June 2020.

The Remuneration Report is a distinct section of the annual Directors' Report which deals with the remuneration of Directors and executives (which includes senior management) of the Company. The Remuneration Report can be located in the Company's Annual Report. The Annual Report is available online at www.lctglobal.com under "Investor Centre/Key financial reports".

The resolution is advisory only and does not bind the Company or its directors. However the Board will consider the outcome of the vote and comments made by shareholders at the meeting on the remuneration report when reviewing the Company's remuneration policies. If 25% or more of votes that are cast are voted against the adoption of the remuneration report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director / CEO) must stand for re-election. The Company encourages all shareholders to cast their votes on resolution 1 (Adoption of the Remuneration Report).

The Chairman intends to exercise all undirected proxies in favour of resolution 1. If the Chairman of the meeting is appointed as your proxy and you have not directed the Chairman how to vote on resolution 1 by signing and

returning the Proxy Form, the Shareholder is considered to have provided an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Resolution 2 – Re-election of Dr Bernard Tuch as a Director

Pursuant to the Clause 6.1 of the Constitution and the ASX Listing Rules, Dr Tuch will retire by rotation and seeks re-election.

Dr Tuch is an Honorary Professor at The University of Sydney. Dr Tuch is also supervising a bioengineering diabetes cell therapy project at the University of Technology Sydney. Previously, he was a senior scientist with CSIRO Australia. He is a director of Sydney Cell Therapy Foundation Pty Limited, the not-for-profit Australian Foundation for Diabetes Research, and is a Specialist Practitioner, Endocrinology, at the Prince of Wales Private Hospital & St Vincent's Private Hospital, Sydney. He is also an Adjunct Professor at Monash University. His experience includes capital raising to support his considerable research team and a large international scientific publication list. He has had previous scientific collaborations with LCT and knows the company's direction intimately.

Dr Tuch is Interim Chairman of the Board and Chairman of the Remuneration and Nomination Committee.

He was appointed to the board on 20 July 2011.

The Board (with Dr Tuch not participating) recommends that shareholders vote in **FAVOUR** of resolution 2. The Chairman of the meeting intends to vote undirected proxies in **FAVOUR** of resolution 2.

Resolution 3 – Appointment of Auditor

In accordance with section 327C of the Corporations Act, the Board appointed BDO Audit Pty Ltd as Auditor of the Company, subject to ASIC's consent to the resignation of BDO East Coast Partnership Pty Ltd as Auditor of the Company under section 329(5) of the Corporations Act.

Following the appointment in accordance with 327C(2) of the Corporations Act, BDO Audit Pty Ltd holds office as Auditor of the Company until the Company's next annual general meeting, being the AGM the subject of this Notice.

In accordance with section 327B(1)(b) of the Corporations Act, the Company now seeks shareholder approval for the ongoing appointment of BDO Audit Pty Ltd as Auditor of the Company. Shareholder approval for the appointment of BDO Audit Pty Ltd as the Auditor for the Company whose tenure as Auditor ceases at this, the Company's AGM.

The appointment of BDO Audit Pty Ltd is as a result of the national integration of BDO practices which includes transitioning its audit engagements from BDO East Coast Partnership to BDO Audit Pty Ltd.

A copy of the nomination is included at Annexure 1 to this Explanatory Memorandum. In accordance with section 328B(3) of the Corporations Act, all persons to whom notice of the nomination must be made have been notified.

The Board recommends that shareholders vote in **FAVOUR** of resolution 3. The Chairman of the meeting intends to vote undirected proxies in **FAVOUR** of resolution 3.

Resolution 4 – Approval of 10% Placement Facility

ASX Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by special resolution at its Annual General Meeting to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue over a period of 12 months after the Annual General Meeting (10% Placement Capacity). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

If Shareholders approve Resolution 4, the number of equity securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out below).

An eligible entity is one that, as at the date of the relevant Annual General Meeting:

- (a) is not included in the S&P/ASX 300 Index; and

(b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000.

Any equity securities issued must be in the same class as an existing class of quoted equity securities. The Company currently has one class of quoted equity securities on issue, being Shares (ASX Code: LCT).

The number of equity securities that the Company may issue under the approval sought by Resolution 4 will be calculated in accordance with the following formula as set out in ASX Listing Rule 7.1A:

(A x D) – E

Where:

A = the number of fully paid ordinary securities on issue at the commencement of the relevant period,

plus the number of fully paid ordinary securities issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17,

plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:

- the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
- the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,

plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:

- the agreement was entered into before the commencement of the relevant period; or
- the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,

plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4, Note: This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 17 where the issue is subsequently approved under rule 7.1.

plus the number of partly paid ordinary securities that became fully paid in the relevant period,

less the number of fully paid ordinary securities cancelled in the relevant period.

D = 10%.

E = the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of Shareholders under ASX Listing Rule 7.1 or 7.4.

Technical information required by ASX Listing Rule 7.1A

While the Company does not have any immediate plans to issue shares, purposes for which shares may be issued pursuant to Resolution 4 may include the raising of capital to facilitate further investment opportunities.

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

Minimum Price: Under the ASX Listing Rules, the minimum price at which the equity securities may be issued is 75% of the volume weighted average price of equity securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed; or
- (ii) if the equity securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

Risk of voting dilution: Shareholders should be aware there is a risk of economic and voting dilution that may result from an issue of equity securities under the 10% Placement Capacity, including the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Meeting where approval is being sought; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the date of issue.

Any issue of equity securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any equity securities under the issue, unless the only equity securities issued under the 10% Placement Capacity are options and these options are not exercised.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of equity securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below, assuming that any options issued under the 10% Placement Capacity are exercised.

The table below shows the potential dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the current market price of the Shares and the current number of Shares on issue as at the date of this notice of Meeting.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula set out above) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$ 0.008 50% decrease in Issue Price	\$ 0.016 Issue Price	\$ 0.032 100% increase in Issue Price
Current Variable A 571,440,981	10% Voting dilution	57,144,098	57,144,098	57,144,098
	Funds raised	\$ 457,153	\$ 914,306	\$ 1,828,611
50% increase in current Variable A 857,161,472	10% Voting dilution	85,716,147	85,716,147	85,716,147
	Funds raised	\$ 685,729	\$ 1,371,458	\$ 2,742,917
100% increase in current Variable A 1,142,881,962	10% Voting dilution	114,288,196	114,288,196	114,288,196
	Funds raised	\$ 914,306	\$ 1,828,611	\$ 3,657,222

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of shares available under ASX Listing Rule 7.1A;
- (ii) The table shows only the effect of shares issues under ASX Listing Rule 7.1A and does not factor in the Company's ability to issue up to 15% of its issued capital under ASX Listing Rule 7.1;
- (iii) The current issue price is \$0.016, being the closing price of the shares on ASX on 18 September 2020.
- (iv) The current number of shares on issue is the Shares on issue as at 18 September 2020.

The table shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of shares the Company has on issue. The number of shares on issue may increase as a result of issues of shares that do not require approval (for example, a pro rata entitlements issue) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

- two examples of where the issue price of shares has decreased by 50% and increased by 100% as against the current market price.

If Shareholder approval is granted for Resolution 4, then that approval will expire on the earlier of:

- (i) 19 November 2021, being 12 months from the date of the Meeting;
- (ii) the time and date of the next Annual General Meeting; or
- (iii) the date Shareholder approval is granted to a transaction under ASX Listing Rule 11.1.2 (proposed change to nature and scale of activities) or ASX Listing Rule 11.2 (change involving main undertaking).

The approval under ASX Listing Rule 7.1A will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

Purpose of Issue under 10% Placement Capacity: The Company may issue equity securities under the 10% Placement Capacity for various purposes including to raise cash, in which case the Company intends to use funds raised for investment purposes in line with the Company's investment policy outlined in the Company's prospectus or to fund expenditure on existing assets or for general working capital.

Allocation under the 10% Placement Capacity: The allottees of the equity securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of equity securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the equity securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Previous Approval under ASX Listing Rule 7.1A: The Company last obtained shareholder approval under ASX Listing Rule 7.1A. at the 2018 Annual General Meeting.

The Board recommends that shareholders vote in **FAVOUR** of resolution 4. The Chairman of the meeting intends to vote undirected proxies in **FAVOUR** of resolution 4.
