NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1: BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL REPORT

This general purpose consolidated financial report for the interim half-year reporting period ended 31 December 2009 has been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

This interim financial report does not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2009 and any public announcements made by Marengo Mining Limited during the interim period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements except for the adoption of the following new and revised Accounting Standards.

Accounting Standards not previously applied

The Group has adopted the following new and revised Australian Accounting Standards issued by the AASB which are mandatory to apply to the current interim period. Disclosures required by these Standards that are deemed material have been included in this financial report on the basis that they represent a significant change in information from that previously made available.

Presentation of Financial Statements

AASB 101 prescribes the contents and structure of the financial statements. Changes reflected in this financial report include:

- the replacement of income statement with statement of comprehensive income, Items of income and expense not recognised in profit or loss are now disclosed as components of 'other comprehensive income'. In this regard, such items are no longer reflected as equity movements in the statement of changes in equity;
- the adoption of the single statement approach to the presentation of the statement of comprehensive income;
- other financial statements are renamed in accordance with the Standard; and
- presentation of a third statement of financial position as at the beginning of a comparative financial year where relevant amounts have been affected by a retrospective change in accounting policy or material reclassification of items.

Operating Segments

From 1 July 2009, operating segments are identified and segment information disclosed on the basis of internal reports that are regularly provided to, or reviewed by, the Group's chief operating decision maker which, for the Group, is the Board of Directors. In this regard, such information is provided using similar measures to those used in preparing the statement of comprehensive income and statement of financial position. In this regard, such information is provided using different measures to those used in preparing the statement of comprehensive income and statement of financial position. Reconciliations of such management information to the statutory information contained in the interim financial report have been included.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)

NOTE 1: BASIS OF PREPARATION OF THE INTERIM FINANCIAL REPORT (continued)

Business Combinations and Consolidation Procedures

Revised AASB 3 is applicable prospectively from 1 July 2009. Changes introduced by this Standard, or as a consequence of amendments to other Standards relating to business combinations which are expected to affect the Group, include the following:

- All business combinations, including those involving entities under common control, are accounted for by applying the acquisition method which prohibits the recognition of contingent liabilities of the acquiree at acquisition date that do not meet the definition of a liability. Costs incurred that relate to the business combination are expensed instead of comprising part of the goodwill acquired on consolidation. Changes in the fair value of contingent consideration payable are not regarded as measurement period adjustments and are recognised through profit or loss unless the change relates to circumstances which existed at acquisition date.
- Unrecognised deferred tax assets of the acquiree may be subsequently realised within 12
 months of acquisition date on the basis of facts and circumstances existing at acquisition date
 with a consequential reduction in goodwill. All other deferred tax assets subsequently
 recognised are accounted for through profit or loss.
- The proportionate interest in losses attributable to non-controlling interests is assigned to non-controlling interests irrespective of whether this results in a deficit balance. Previously, losses causing a deficit to non-controlling interests were allocated to the parent entity.
- If the Group holds less than 100% of the equity interests in an acquiree and the business combination results in goodwill being recognised, the Group can elect to measure the non-controlling interest in the acquiree either at fair value ('full goodwill method') or at the non-controlling interest's proportionate share of the subsidiary's identifiable net assets ('proportionate interest method'). The Group elects which method to adopt for each acquisition.
- Where control of a subsidiary is lost, the balance of the remaining investment account shall be remeasured to fair value at the date that control is lost.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)

NOTE 2: SEGMENT INFORMATION

(a) Description of segments

From 1 July 2009, operating segments are identified and segment information disclosed on the basis of internal reports that are regularly provided to, or reviewed by, the Group's chief operating decision maker which, for the Group, is the Board of Directors. In this regard, such information is provided using similar measures to those used in preparing the statement of comprehensive income and statement of financial position. The Group operates only in the exploration industry, both in Australia and overseas.

Outstanding at the end of the period	17,700,000	\$0.26	10,744,970	\$0.39

(f) Weighted average remaining contractual life

The weighted average remaining contractual life of the share options outstanding as at 31 December 2009 is 2.7 years (2008: 4.2 years).

(g) Range of exercise prices

The range of exercise prices for options outstanding at 31 December 2009 is C8.6 cents to 50 cents.

(h) Option pricing model

The fair value of the equity settled share options granted to Employees, Suppliers, Directors and under the Plan is estimated as at the date of grant using the Black-Scholes European Option Pricing Model taking into account the terms and conditions upon which the options were granted.

The following table lists the inputs to the model used for the half-year periods to 31 December 2009 and 31 December 2008.

	Half-Year Ended 31 December 31 December		
	2009	2008	
Dividend Yield	0%	0%	
Expected volatility	75%	90%	
Risk free interest rate	4.50% - 4.99%	4.25% - 6.50%	
Expected life (years)	2 - 5	5	
Option exercise price (cents)	C8.6 - A25	25 - 50	
Share price at grant date (cents)	10.5 - 16	8.8 - 21.5	

The expected life of the options is fixed at the time of issue and is not necessarily indicative of when they may be exercised. The expected volatility reflects the assumption that historical volatility is indicative of future trends, which may also not necessarily be the actual outcome.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standards on Review Engagements ASRE 2410 Review of Interim Financial and Other Financial Reports Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Marengo Mining Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Our review did not involve an analysis of the prudence of business decisions made by the directors or management.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, has been provided to the directors of Marengo Mining Limited on 11 February 2010.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Marengo Mining Limited is not in accordance with the Corporations Act 2001 including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standards AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

AUDITOR'S REPORT IN RESPECT OF COMPATIBILITY WITH CANADIAN GAAS

To the Board of Directors of Marengo Mining Limited (the "Company")

In accordance with the requirements contained in National Instrument 52-107 we report below on the compatibility of Canadian Generally Accepted Auditing Standards ("Canadian GAAS") and International Standards on Auditing.

We conducted our review for the half year ended 31 December 2009 in accordance with International Standards on Auditing. There are no material differences in the form or content of our report as compared to an auditor's review report prepared in accordance with Canadian GAAS and if this report was prepared in accordance with Canadian GAAS it would not contain a reservation.

Yours sincerely
